science students. Hewitt's engaging narrative emphasizes unifying concepts across physical and life sciences through a clear, friendly writing style, and fun, relevant examples that motivate students. The 3rd Edition expands on its theme of integration and deepens connections between the sciences with new Integrated Science spreads added at the end of each part. Modern references in the updated Technology boxes and new contemporary applications add relevance and help to connect science with students' everyday lives. Enhanced End-of-Chapter problems engage students with interactive digital features accessible in the Pearson eText and guide them with wrong-answer feedback, where and when they need it. The eText features Hewitt's video tutorials that play inline, new Check Yourself from the text presented as a hide/reveal interactive feature, and multiple-choice quizzes at the end of each chapter. Also available as a Pearson eText from

packaged with Mastering A&P: Pearson eText is a simple-to-use, mobile-optimized, personalized reading experience that can be adopted on its own as the main course material. It lets students highlight, take notes, and review key vocabulary all in one place, even when offline. Seamlessly integrated videos and other rich media engage students and give them access to the help they need, when they need it. Educators can easily share their own notes with students so they see the connection between their eText and what they learn in class - motivating them to keep reading, and keep learning. Mastering Physics: By combining trusted author content with digital tools and a flexible platform, Mastering personalizes the learning experience and improves results for each student. Now providing a more interactive and seamlessly integrated experience, the eText provides embedded links to video tutorials and end-of-chapter
