Miracle practical unit testing with testng and mockito:Eva had always been captivated by the realm of magic, but she never anticipated that she would uncover her own sorcerous abilities. She had spent her childhood in a normal family, living in a unassuming town, devoid of any signs of the supernatural. However, on her sixteenth birthday, her life took an unexpected turn. A mysterious package arrived, sent by her grandmother, who had left this world years ago. Within the package lay an aged leather-bound book, its cover adorned with the inscription, "The Book of Shadows". As Eva opened the book, a torrent of magic coursed through her veins. She realized that the book held the hidden mysteries of her family's magical lineage, and that she was the last descendant of a long line of mighty witches. But she also discovered that she was not alone. There were others like her, individuals who possessed similar abilities, and some of them sought to wield their magic for nefarious purposes. Eva faced a pivotal decision: embrace her destiny as a witch and delve into the world of sorcery, or reject her newfound powers and continue living her life as she had always known it. Regardless of her choice, she knew that her life would forever be altered from that moment forward.
