The United States and Peoples Republic of China, the pair of world powers, had been entangled in a ferocious competition,

competing for assets, power, and control. They had both developed high-tech arms, like lasers, unmanned aerial vehicles, and spacecrafts, that could hit any place, any time. They had

secretly established orbital stations, that can deploy nuclear missiles, which could obliterate the world. They were prepared to use them, if ever necessary. But they were not the sole ones.
