

A Face Like Glass Frances Hardinge Pdf Pdf

Fly By Night

2017-03-14 Frances Hardinge The award-winning author of *The Lie Tree* “has created a distinctly imaginative world full of engaging characters, robust humor, and true suspense” (School Library Journal, starred review). Everybody knew that books were dangerous. Read the wrong book, it was said, and the words crawled around your brain on black legs and drove you mad, wicked mad. Mosca Mye’s father insisted on teaching her to read—even in a world where books are dangerous, regulated things. Eight years later, Quillam Mye died, leaving behind an orphaned daughter with an inauspicious name and an all-consuming hunger for words. Trapped for years in the care of her cruel uncle and aunt, Mosca leaps at the opportunity for escape, though it comes in the form of sneaky swindler Eponymous Clent. As she travels the land with Clent and her pet goose, Mosca begins to discover complicated truths about the world she inhabits and the power of words. “Intricate plotting, well-developed and fascinating characters, delicious humor, and exquisite wordcraft envelop readers fully into this richly imagined world.” *The Bulletin of the Center for Children’s Books* (starred review) “Hardinge’s stylish way with prose gives her sprawling debut fantasy a literate yet often silly tone that calls to mind Monty Python.” —Publishers Weekly (starred review) “Mosca’s ferocity and authentic inner turmoil [are] both reminiscent of Philip Pullman’s *Lyra Belacqua*.” *Booklist* “Incredibly well written.” *The Seattle Times*

Verdigris Deep

2018-04-10 Frances Hardinge “Deliciously shiver-inducing . . . Fans of dark fantasies such as Neil Gaiman’s *Coraline* will find this tale irresistible”—from the award-winning author (School Library Journal). *Verdigris* (n.): a blue-green rust that tarnishes aging and forgotten copper coins, altering them entirely . . . Ryan feels invisible: At school, he’s in a class with students older and cooler than him, and at home, he’s largely ignored during his parents’ petty arguments. And then he meets Josh. Josh is popular in the way that only beautiful boys can be—he’s almost electric. Both Ryan and his chatterbox sidekick, Chelle, fall under Josh’s spell, and the three soon become inseparable. One summer afternoon, they sneak off to the troubled town of Magwhite. Trapped without bus fare for the ride home, Josh convinces his less mischievous companions their only solution is to steal coins from the infamous wishing well. Soon after, each develops a unique, sinister power. When the well witch appears, she gargles demands of her three new servants. Ryan, Josh, and Chelle have robbed her and now must obey her . . . and the wishes rotting at the bottom of her well. “A deliciously creepy tale . . . There is a vividness and energy to Hardinge’s imagination that makes almost every moment of this absorbing story shine with light or glossy darkness.” —*The Horn Book* (starred review) “Inescapably chilling . . . a dark, polished gem.” —Publishers Weekly (starred review) “There’s no denying Hardinge’s power as a storyteller, her ability to create beautiful, precise imagery, or her expectation that her readers will grasp the subtle ideas and reflections woven into the novel.” —*Booklist* (starred review)

The Lie Tree

2016-04-19 Frances Hardinge *Costa Book of the Year*: This novel of science, magic, murder, and a determined Victorian-era teenager is a “heady concoction . . . absolutely unforgettable” (*Kirkus Reviews*, starred review). Faith Sunderly leads a double life. To most people, she is modest and well-mannered—a proper young lady who knows her place. But inside, Faith is burning with questions and curiosity. She keeps sharp watch of her surroundings and, therefore, knows secrets no one suspects her of knowing—like the real reason her family fled to the close-knit island of Vane. And that her father’s death was no accident. In pursuit of revenge and justice for the father she idolizes, Faith hunts through his possessions, where she discovers a strange tree. A tree that bears fruit only when she whispers a lie to it. The fruit, in turn, delivers a hidden truth. The tree might hold the key to her father’s murder. Or, it might lure the murderer directly to Faith herself, for lies—like fires, wild and

crackling—quickly take on a life of their own. “Frances Hardinge has joined the ranks of those writers of young-adult fiction, like Philip Pullman, whose approach to fantasy proves so compelling that they quickly develop an adult following, and *The Lie Tree* is a good demonstration of why this is so . . . [a] page-turner.” —*Locus* “The time is nineteenth-century England just after Darwin’s theory of evolution has thrown the scientific world into turmoil; the setting is the fictional island of Vane, between land and sea; the main character is a fourteen-year-old girl caught between society’s expectations and her fierce desire to be a scientist. . . . A stunner.” —*The Horn Book* (starred review) “A murder mystery that dazzles at every level, shimmering all the more brightly the deeper down into it you go.” —*Chicago Tribune* “Haunting, and darkly funny . . . features complex, many-sided characters and a clear-eyed examination of the deep sexism of the period, which trapped even the most intelligent women in roles as restrictive as their corsets.” —Publishers Weekly (starred review) “Hardinge, who can turn a phrase like no other, melds a haunting historical mystery with a sharp observation on the dangers of suppressing the thirst for knowledge.” —*School Library Journal* (starred review)

Cuckoo Song

2015-05-12 Frances Hardinge “Full of rich language that is reminiscent of an old fairy tale. . . . [a] spine-chilling, creative work [and] a well-wrought fantasy.” —*School Library Journal* (starred review) Following a mysterious incident that leaves her feverish and sopping wet, Triss awakens to a world that’s eerily off-kilter. Her memories are muddled, her sister despises her, and when she brushes her hair, out come crumbled fragments of leaves. Is she going mad? Or has she endured a nightmarish chain of events? Is this related to the illnesses she’s had since her brother died in the Great War? And why is she so hungry? In her search for the truth, Triss ventures from the shelter of her parents’ protective wings into the city’s underbelly. There she encounters strange creatures whose grand schemes could forever alter the fates of her family, in an unnerving tale of one girl’s struggle to confront her darkest fears. “Few authors can evoke a twinned sense of terror and wonder better . . . Vivid, frightening, and inventive, with narrative twists and turns. . . . A piercing, chilling page-turner.” —*Booklist* (starred review) “Nuanced and intense.” —*Kirkus Reviews* (starred review) “Quiet but elegant prose moves the story seamlessly from an effectively creepy horror tale to a powerful, emotionally resonant story of regret and forgiveness.” —*Bulletin of the Center for Children’s Books* (starred review) “Gorgeously written and disconcerting . . . Hardinge delves deeply into the darker side of family life.” —Publishers Weekly (starred review) “*Cuckoo Song* transcends its teen-reader designation. The psychological and historical nuances . . . will mesmerize older readers as well.” —*BookPage*

The End of the Wild

2017-04-11 Nicole Helget This timely coming-of-age novel takes on the controversial issues of fracking and environmental protection. Stay away from my woods. Eleven-year-old Fern doesn’t have the easiest life. Her stepfather is out of work, and she’s responsible for putting dinner on the table—not to mention keeping her wild younger brothers out of trouble. The woods near their home is her only refuge, where she finds food and plays with her neighbor’s dog. But when a fracking company rolls into town, her special grove could be ripped away, and no one else seems to care. Her stepfather needs the money that a job with the frackers could bring to their family, and her wealthy grandfather likes the business it brings to their town. Even her best friend doesn’t understand what the land means to Fern. With no one on her side, how can she save the forest that has protected her for so long? The acclaimed author of *Wonder at the Edge of the World* weaves a poignant story about life on the poverty line, the environment, friendship and family—and, most of all, finding your place in the world.

Gullstruck Island

2018-10-09 Frances Hardinge From the award-winning author, “a breathtaking journey of revenge and redemption that pits a stubborn, devoted girl against an unknown evil” (Kirkus Reviews, starred review). On Gullstruck Island, legend has it that the mountain ranges and volcanoes are in charge. Anger them, and you’ll pay the price. Keep them happy, and you’ll enjoy their protection. These stories of the land’s command come in handy for quiet, near-invisible Hathin when she must run for her life. Hathin’s sister, Arilou, is believed to be a Lost. The Lost are held nearly sacred by those on Gullstruck, for they can send their senses away from their bodies. If Lost, Arilou can read a message across the island. If Lost, Arilou can hear whispers in the corners of private rooms. If Lost, Arilou can smell bread baking in the governor’s mansion. All from her beachside hut. But the question remains: Is Arilou really a Lost? When all the Lost drop dead, except Arilou, she and Hathin are swept into a grand conspiracy that leads them to the most sinister depths—and heights—of the island. “Filled with sentient volcanoes, gem-studded teeth, villains, heroes, revenge, love, and the world’s most frightening dentist, this is a book to rival *The Princess Bride* in scope, adventure, and excitement. It’s Hardinge’s magnum opus. One that I dearly hope both kids and adults enjoy in equal measure.” —A Fuse #8 Production, *School Library Journal* “Delightfully inventive . . . Ripe, rollicking, and endlessly creative.” —*The Guardian* “A luminous example of gifted storytelling at its best.” —*Publishers Weekly* (starred review)

Unraveller

2023-01-10 Frances Hardinge A dark YA fantasy about learning to use your power and finding peace, from award-winning author Frances Hardinge In a world where anyone can create a life-destroying curse, only one person has the power to unravel them. Kellen does not fully understand his talent, but helps those transformed maliciously—including Nettle. Recovered from entrapment in bird form, she is now his constant companion and closest ally. But Kellen has also been cursed, and unless he and Nettle can remove his curse, Kellen is in danger of unravelling everything—and everyone—around him . . .

Deeplight

2020-04-14 Frances Hardinge “Equal parts dazzling fantasy, swashbuckling adventure, and tender coming-of-age tale” from the author of the *Costa Book of the Year*, *The Lie Tree* (*Publishers Weekly*, starred review). The gods are dead. Fifty years ago, they turned on one another and tore each other apart. Nobody knows why. Now, even coin-sized scraps of dead god are worth a fortune because of the strange powers they’re said to possess. But few are brave enough to dive and search for them. When fifteen-year-old Hark finds the still-beating heart of one of these deities, he’ll risk everything to keep it out of the hands of smugglers, scientists, and cults who would kill for its power. Because Hark needs the heart if he wants to save the life of his best friend, Jelt. But the power of a god was not meant for human hands. With the heart, Jelt begins to eerily transform, and Hark will have to decide if he can stay loyal to his friend—or what he’s willing to sacrifice to save him. “Hardinge is assured and sophisticated in her exploration of the dark temptations of power.” —*The Wall Street Journal* “Monsters and mortals collide in this fantasy adventure that explores the hypnotic allure of fear, the adamant grip of the past, and the redeeming power of stories . . . Thrilling.” —*Kirkus Reviews* (starred review) “Glorious thematic complexity inhabits a wildly inventive world, with the menacing roils of a dangerous sea threatening the archipelago and touches of steampunk rounding out the fantastical elements . . . Readers will be thrilled to be pulled into the alluring expanse of her work.” —*Bulletin of the Center for Children’s Books* (starred review)

A Face Like Glass

2017-05-09 Frances Hardinge An amnesiac girl explores an enchanting underground world filled with sinister secrets in this YA fantasy from the award-winning author of *The Lie Tree*. In the underground city of

Caverna, the world’s most skilled craftspeople toil in the darkness to create delicacies beyond compare—wines that remove memories, cheeses that make you hallucinate, and perfumes that convince you to trust the wearer, even as he slits your throat. On the surface, the people of Caverna seem ordinary, except for one thing: their faces are as blank as untouched snow. Expressions must be learned, and only the famous Facesmiths can teach a person to express (or fake) joy, despair, or fear—at a steep price. Into this dark and distrustful world comes Neverfell, a girl with no memory of her past and a face so terrifying to those around her that she must always wear a mask. Neverfell’s expressions are as varied and dynamic as those of the most skilled Facesmiths, except hers are entirely genuine. And that makes her very dangerous indeed . . . Praise for *A Face Like Glass* An ALA/ALSC Notable Children’s Book “Hardinge is at the top of her game with this entrancing and action-packed adventure. Her voluptuous prose is full of sensory details and wildly imaginative descriptions, yet the world-building is controlled and gradually revealed. . . . VERDICT A compelling and triumphant follow-up to *The Lie Tree* for those who love to become immersed in a good story.” —*School Library Journal*, starred review “Using beautiful prose, Hardinge builds a richly imagined world that twists as much as the carefully orchestrated plot. Readers will eagerly follow noble Neverfell through its tunnels, marveling at the extraordinary sights and catching their breath at her daring escapades.” —*Booklist*, starred review “Hardinge excels at wordplay and worldbuilding; witty but not trite, her utterly original setting and chaotic, fidgety protagonist anchor a cracking good story that raises important ideas surrounding the nature of friendship, the value of honesty, and the danger of too much.” —*Kirkus Reviews*, starred review

Well Witched

2008-05-27 Frances Hardinge Three friends fall prey to the demands of the Well Witch when they trespass in her wishing well and steal some coins.

Analysis a face like glass frances hardinge pdf

The Life and Legacy of Nelson Mandela

Nelson Mandela was one of the most influential and inspiring leaders of the 20th century. He was born on July 18, 1918, in Mvezo, a small village in South Africa. He belonged to the Thembu royal family, and was given the name Rolihlahla, which means "troublemaker" in Xhosa. He grew up in a time of racial oppression and discrimination, and witnessed the injustices and violence inflicted by the white minority government on the black majority. He decided to dedicate his life to the struggle for freedom and equality, and joined the African National Congress (ANC), a political party that fought against apartheid, the system of racial segregation and domination in South Africa. He became a lawyer, an activist, and a leader, and was arrested and imprisoned several times for his resistance and defiance. He spent 27 years in prison, most of them on Robben Island, a notorious prison island where he endured harsh conditions and isolation. He never gave up his hope and vision, and continued to inspire and mobilize his people and the world. He was released from prison in 1990, and became the first democratically elected president of South Africa in 1994. He led the country through a peaceful transition and reconciliation, and became a global icon of human rights, democracy, and peace. He received the Nobel Peace Prize in 1993, and many other honors and awards. He died on December 5, 2013, at the age of 95, leaving behind a legacy of courage, wisdom, and compassion. He is widely regarded as the father of the nation, and one of the greatest heroes of history.
