Shopping at Home for Boating Equipment 1982 David Kendall Fast-paced, practical, and innovative, this text for pre-service and in-service teachers features clear, easily accessible lessons and professional development activities to improve the delivery of academic language/literacy education across the content areas in junior/middle school and high school classrooms. Numerous hands-on tools and techniques demonstrate the effectiveness of content-area instruction for students in a wide variety of school settings, particularly English language learners, struggling readers, and other special populations of students. A wealth of charts, graphs, and lesson plans give clear examples of academic language/literacy strategies in action. The appendices - a key component of the practical applications developed in the text -include a glossary, exemplary lessons that address key content areas, and a Grammar Handbook.	1964-01
