It had been the year 23, and the earth was at the edge of conflict. The U.S. and Peoples Republic of China, the pair of superpowers, had been entangled in a intense contest, vying for resources, dominance, and supremacy. They had created sophisticated arms, like laser weapons, unmanned aerial vehicles, and satellites, that could strike any place, any time. They had also clandestinely constructed orbital stations, which can launch atomic weapons, that can destroy the world. They were both set to utilize these weapons, if necessary. But they were alone. There was a third power, a secret entity, that had been monitoring them, waiting patiently for them both, getting ready for them. They were aliens, and they had come arrived to halt them. They had come arrived to save the earth, or to terminate it all. They had come arrived to begin the star wars which altered past.
