## *Spirit of Gettysburg*

2018-10-22 S. Elizabeth Calvert Epic...Spellbinding...Thrilling Love Story Extraordinaire! Can ghosts die twice? Apparently so! Washington, D.C. psychic to the powerful elites headstrong, vulnerable Maureen McAlister flees a contemporary, shattered life into the ghostly, loving arms of Confederate soldier Major Clayton Fontaine Douglas, her former husband and one-true-soulmate. He is the only man she loves and trusts. Clayton, an unrepentant Rebel and a proud, brave officer in General Robert E. Lee's Army of Northern Virginia, is now a ghost stuck in time in her inherited Gettysburg, Pennsylvania estate. He is furious at God for the loss of his Country and her. He is dying again because of her. Once more she must try to save him, change his fate and rewrite karma. How? Time travel to 1863, persuade him to avoid Pickett's Charge during the Battle of Gettysburg, prevent his untimely death at the hands of his personal, implacable enemy and live with him again at Wildrose Hill, their beautiful home near Shepherdstown, West Virginia. It is a second chance for Maureen and Clayton, another test of their true, eternal, soulmate love. Fail and Clayton is doomed. Succeed and they are together forever. She is beyond scared. What if she fails him...again?

## *Turing Evolved*

2014-10-01 David Kitson BLADE RUNNER meets THE MATRIX in this gripping thriller with an incredible twist. When ex-demon pilot Jon Carlsson meets beautiful humanitarian Rachel, it's a match made in heaven. Literally, because Rachel's an angel. She's also an AI controlled android of immense power and capability. As Jon finds himself drawn into the world of these enigmatic creations of mankind, he unknowingly becomes involved in a program to create autonomous superweapons intended to fight the next war.

## Caro Emerald: The Shocking Miss Emerald

2013-10-08 Wise Publications Dutch jazz singer, Caro Emerald, set a new all-time Dutch chart record with her debut album Deleted Scenes from the Cutting Room Floor on spending its 30th week at number one on the country's albums chart, beating the previous record set by Michael Jackson's Thriller by one week. In total, more than a million copies have been sold. In April 2013, her second studio album The Shocking Miss Emerald went to No. 1 in the UK album chart, becoming her first UK No. 1 album. This matching folio contains all the songs from The Shocking Miss Emerald, all expertly arranged for Piano, Voice and Guitar, plus lead sheets in melody, lyric and chord arrangements.

## *To Live Is Christ*

2008-03 Beth Moore In To Live Is Christ, best-selling author Beth Moore travels on a spiritual odyssey through the life of one of Christianity's most fervent journeymen, the apostle Paul, tracing his story from childhood to martyrdom. Proclaiming his faith as a benchmark in New Testament Scripture, Beth writes, "I have accepted many of Paul's words as a personal challenge. 'I want to know Christ' has become my plea. 'To live is Christ and to die is gain' has become my hope. And to borrow his words once more, 'Not that I have already obtained all this ... but I press on.'" Paul's undying passion for Christ continues to inspire and challenge those with a deep spiritual hunger for the things of God. Readers will be greatly refreshed by the obvious mercy of God that causes those who have failed him to repent and serve him wholeheartedly and effectively.

The Life and Legacy of Nelson Mandela

Nelson Mandela was one of the most influential and inspiring leaders of the 20th century. He was born on July 18, 1918, in Mvezo, a small village in South Africa. He belonged to the Thembu royal family, and was given the name Rolihlahla, which means “troublemaker” in Xhosa. He grew up in a time of racial oppression and discrimination, and witnessed the injustices and violence inflicted by the white minority government on the black majority. He decided to dedicate his life to the struggle for freedom and equality, and joined the African National Congress (ANC), a political party that fought against apartheid, the system of racial segregation and domination in South Africa. He became a lawyer, an activist, and a leader, and was arrested and imprisoned several times for his resistance and defiance. He spent 27 years in prison, most of them on Robben Island, a notorious prison island where he endured harsh conditions and isolation. He never gave up his hope and vision, and continued to inspire and mobilize his people and the world. He was released from prison in 1990, and became the first democratically elected president of South Africa in 1994. He led the country through a peaceful transition and reconciliation, and became a global icon of human rights, democracy, and peace. He received the Nobel Peace Prize in 1993, and many other honors and awards. He died on December 5, 2013, at the age of 95, leaving behind a legacy of courage, wisdom, and compassion. He is widely regarded as the father of the nation, and one of the greatest heroes of history.

## *Documentary Storytelling*

2015-12-22 Sheila Curran Bernard Documentary Storytelling has reached filmmakers and filmgoers worldwide with its unique focus on the key ingredient for success in the growing global documentary marketplace: storytelling. This practical guide reveals how today’s top filmmakers bring the tools of narrative cinema to the world of nonfiction film and video without sacrificing the rigor and truthfulness that give documentaries their power. The book offers practical advice for producers, directors, editors, cinematographers, writers and others seeking to make ethical and effective films that merge the strengths of visual and aural media with the power of narrative storytelling. In this new, updated edition, Emmy Award-winning author Sheila Curran Bernard offers: New strategies for analyzing documentary work New conversations with filmmakers including Stanley Nelson (The Black Panthers), Kazuhiro Soda (Mental), Orlando von Einsiedel (Virunga), and Cara Mertes (JustFilms) Discussions previously held with Susan Kim (Imaginary Witness), Deborah Scranton (The War Tapes), Alex Gibney (Taxi to the Dark Side), and James Marsh (Man on Wire).

## Bioseparations Science and Engineering

2015-01-27 Roger G. Harrison Designed for undergraduates, graduate students, and industry practitioners, Bioseparations Science and Engineering fills a critical need in the field of bioseparations. Current, comprehensive, and concise, it covers bioseparations unit operations in unprecedented depth. In each of the chapters, the authors use a consistent method of explaining unit operations, starting with a qualitative description noting the significance and general application of the unit operation. They then illustrate the scientific application of the operation, develop the required mathematical theory, and finally, describe the applications of the theory in engineering practice, with an emphasis on design and scaleup. Unique to this text is a chapter dedicated to bioseparations process design and economics, in which a process simulator, SuperPro Designer® is used to analyze and evaluate the production of three important biological products. New to this second edition are updated discussions of moment analysis, computer simulation, membrane chromatography, and evaporation, among others, as well as revised problem sets. Unique features include basic information about bioproducts and engineering analysis and a chapter with bioseparations laboratory exercises. Bioseparations Science and Engineering is ideal for students and professionals working in or studying bioseparations, and is the premier text in the field.

## *Doing Nothing Optimistically*

2018-07-04 J. R. Switchgrass Paper Maps is a Zine Series made on the road by Kit Whistler and J.R. Switchgrass of Idle Theory Bus.
