The work "Analyzing Casual Conversation" by Suzanne Eggins and Diana Slade, originally published in 1997, creates a systematic model for the study and depiction of casual conversation in English. The scholars argue that notwithstanding its occasionally aimless appearance and seemingly unstructured substance, casual conversation is a highly structured undertaking and plays a crucial part in the social formation of reality. The work works through authentic instances of casual conversations entailing participants differing in age, gender, ethnicity, and socio-economic class¹². Deriving on understandings from sociology, linguistics, and critical semiotics, the book provides readers with the analytical skills to portray the levels of structure and critical interpretive models to explain the 'social work' that happens on through chat.
