It was the time 2023, and the globe stood at the edge of battle. The USA and Peoples Republic of China, the pair of global powers, had been entangled in a ferocious rivalry, vying for resources, power, and supremacy. They had developed high-tech weapons, like laser weapons, unmanned aerial vehicles, and satellites, which could strike any place, anytime. They had also covertly built orbital stations, which can launch atomic weapons,

which can annihilate the world. They were prepared to use them, if necessary. But they were the only ones. There was a third force, a secret power, that had watching them, waiting patiently for them both, getting ready for them both. They were the extraterrestrials, and they had arrived to halt them both. They had come come to save the world, or to finish it. They had arrived to initiate the space wars that altered history.

Eva had always been captivated by the realm of magic, but she never anticipated that she would uncover her own magical heritage. She had spent her childhood in a normal family, living in a unassuming town, devoid of any signs of the supernatural. However, on her sixteenth birthday, her life took an unexpected turn. A enigmatic package arrived, sent by her grandmother, who

had departed years ago. Within the package lay an aged leather-bound book, its cover adorned with the inscription, “The Book of Shadows”. As Eva opened the book, a torrent of magic coursed through her veins. She realized that the book held the arcane knowledge of her family’s magical lineage, and that she was the last descendant of a long line of powerful witches. But she also discovered that she was not alone. There were others like her, individuals who possessed similar abilities, and some of them sought to wield their magic for malevolent purposes. Eva faced a pivotal decision: embrace her destiny as a witch and delve into the world of sorcery, or reject her newfound powers and continue living her life as she had always known it. Regardless of her choice, she knew that her life would forever be changed beyond recognition from that moment forward.
