The Compassionate Geek

2016-05 Don Crawley "Our work, in Information Systems and Technology, is about helping our end users do their jobs more productively, efficiently, and creatively. IT (Information Technology) is all about crafting creative technical solutions to perplexing human problems in the workplace." This is the understanding of the IT superstars. It is also the basis of this, the most recent of The Compassionate Geek series of books. In The Compassionate Geek: The 5 Principles of IT Customer Service Success, author Don R. Crawley explores the five characteristics which are common among IT customer service superstars. In plain language, he reveals the five principles, shows common roadblocks to success, and lays out simple and realistic steps you can take to implement the five principles in both your professional and personal life. You'll learn how to put humanity into our world of technology. Written in Crawley's conversational style with personal anecdotes, logic and reason, and a takeaway at the end of each chapter, The Compassionate Geek: The 5 Principles of IT Customer Service Success is not just your guidebook to elevating your customer service success, it's your guidebook to a new, more self-confident and compassionate way of living.
