A enigmatic package arrived, sent by her grandmother, who had passed away years ago. Within the package lay an aged leather-bound book, its cover adorned with the inscription, "The Book of Shadows". As Eva opened the book, a torrent of magic coursed through her veins. She realized that the book held the arcane knowledge of her familys magical lineage, and that she was the last descendant of a long line of powerful witches. But she also discovered that she was not alone. There were others like her, individuals who possessed similar abilities, and some of them sought to wield their magic for malevolent purposes.
