Nightmare that Never Ends

Sam awoke with a scream, his body drenched in perspiration. The same horrific nightmare had once again plagued his sleep, the one where he was hunted by a shadowy figure wielding a blade. He glanced at the clock; it was 3:15 am. He tried to calm his pounding heart, attempting to convince himself that it was merely a figment of his imagination. Yet, deep down, he knew it was far more than that. He knew the elusive figure was tangible, and it was approaching towards him. He had seen it before, in the terrifying news reports, in the detailed police sketches, in the stricken faces of the victims. It was the notorious serial killer that had been terrorizing the city for what seemed like an eternity. And Sam was the killers next victim.

The work "Analyzing Casual Conversation" by Suzanne Eggins and Diana Slade, first issued in 1997, develops a organized model for the study and portrayal of casual conversation in English. The scholars assert that in spite of its sometimes aimless seeming and seemingly unstructured substance, casual conversation is a highly structured activity and has a vital function in the social formation of reality. The work works through authentic samples of casual conversations entailing participants differing in age, gender, ethnicity, and socio-economic class¹². Pulling on understandings from sociology, linguistics, and critical semiotics, the work equips readers with the analytical skills to describe the strata of structure and critical interpretive frameworks to explain the 'social work' that goes on through chat.
