The work "Analyzing Casual Conversation" by Suzanne Egghins and Diana Slade, originally issued in 1997, develops a methodical model for the examination and description of casual conversation in English. The authors contend that despite its occasionally aimless look and seemingly unstructured content, casual conversation is a very structured undertaking and performs a vital role in the social formation of reality. The publication goes through genuine examples of casual conversations including participants differing in age, gender, ethnicity, and socio-economic class¹². Pulling on perspectives from sociology, linguistics, and critical semiotics, the publication equips readers with the analytical skills to portray the layers of structure and critical interpretive models to elucidate the 'social work' that goes on through chat.

It requires a combination of creativity, storytelling skills, and artistic talent. In this detailed guide, we will cover everything you need to know to create great work and get it published.

Once you have completed your graphic novel, you need to start thinking about getting it published. There are a few different ways to do this:

* **Submit your graphic novel to publishers.** There are many publishers that accept unsolicited submissions from graphic novel creators. You can find a list of publishers on the website of the Graphic Novel Educators Forum.

* **Self-publish your graphic novel.** Self-publishing is a great option for graphic novel creators who want to have more control over the creative process and the release of their work.
