It presents brief details on resident species (those recorded all year round and breeding in the region), visitor species (scarcer but occurring regularly every year) and vagrant species (rare and unexpected ones that do not occur annually). Grotta del Maresciallo. La esplorò, la descrisse e la studiò da biologo. Questo libro, dunque, è un trattato sulla vita cavernicola di una delle grotte sommerse più interessanti del Mare Nostrum: un sito biologico di particolare valore scientifico, oggi meta di ricercatori italiani e stranieri. L'autore ne descrive il percorso ed esamina le varie specie marine che vivono in quell'ecosistema racchiuso nelle viscere della Terra. "Quando, per la prima volta, illuminai con la lampada subacquea la parte finale della grotta, dove si apre una sala circolare, provai una forte emozione al pensiero che avevo portato la luce in un angolo di notte eterna". Con queste parole Adriano Madonna palesa il suo entusiasmo nel parlare della "sua" grotta, che descrive minuziosamente insieme con la ricca biodiversità che la caratterizza.

First Love that Never Fades
Anna could never forget her first love, Leo. Their paths had crossed when they were both 16, at a enchanting summer camp. They were inseparable, spending every day laughing, exchanging heartfelt thoughts, and experiencing the thrill of first love. Their bond was solid, and they vowed to stay connected, to remain faithful, and to never let their love fade. But life, as it often does, had a different path in store for them. They lost communication, they moved on with their lives, and they eventually married other people. Years passed, and the hustle and bustle of life took them in different directions. But fate, it seems, had not forgotten their unwavering connection. At a chance encounter, at a nostalgic reunion, their paths crossed once again. The moment they laid eyes on each other, the embers of their affection rekindled. The same magnetic pull that had drawn them together years ago was still palpable. They felt the same thrill that had fueled their teenage romance, but they also felt the weight of time. Their souls ached for the unwavering devotion they had shared, but their minds grappled with the complexity of their current lives. They were caught in a emotional battle, torn between the

security of their present. They stood at a defining moment, forced to make a life-altering choice. Would they choose the intense connection of their first love, risking the unknown that lay ahead, or would they hold onto the stability of their current lives, forever wondering what could have been? Only time would tell if their first love would overcome the challenges.
