Eternal Lies 2018-09 Pelgrane Press  
The world is yours to save or lose. A decade ago, a band of occult investigators battled against the summoning of an ancient and monstrous evil. They failed. Now, you must piece together what went wrong. The campaign begins wherever the PCs hail from, and then quickly moves on to an asylum and an overgrown plantation estate in Savannah, Georgia. Their investigation then takes them to the sordid streets of Los Angeles, and from there to Bangkok, Malta, Mexico City, the Yucatan jungle, and Ethiopia, which the PCs may visit in any order, as they hunt down clues and try to destroy the avatars of a terrible god-thing. Investigate ancient crypts, abandoned estates, and festering slums. Explore choked jungles and the crushed psyches of your predecessors. Follow in their footprints, and make new ones of your own. This time, there won't be another chance. Eternal Lies is a massive new campaign for Trail of Cthulhu by Will Hindmarch and Jeff Tidball with Jeremy Keller. It is now available as a hardback book or PDF, or you can get a reduced-price digital bundle from the store with the soundtrack

album.

Ashen Stars 2011-09-01 Ashen Stars is the newest full-length, stand-alone GUMSHOE product from RPG legend, Robin D. Laws. They call you lasers. Sometimes you're called scrubbers, regulators, or shinestars. To the lawless denizens of the Bleed, whether they be pirates, gangsters or tyrants, you're known in less flattering terms. According to official Combine terminology, the members of your hard-bitten starship crew are known as Licensed Autonomous Zone Effectuators. You're the seasoned freelancers local leaders call when a situation proves too tough, too baffling, or simply too weird to handle on their own. In the abandoned fringe of inhabited planets known as the Bleed, you're as close to a higher authority as they come. In this gritty space opera game, the PCs are Lasers, freelance troubleshooters and law enforcers operating in a remote sector called the Bleed. They're needed in the wake of a massive retreat by the Combine, the utopian empire that colonized it. Amid the ashes of a devastating war, the lasers solve mysteries, fix thorny problems, and explore strange corners of space all on a contract basis. They balance the immediate rewards of a quick buck against their need to maintain their reputation, so that they can continue to quickly secure lucrative contracts and pay the upkeep on their ship and their cyber- and viroware enhancements. Featuring seven new and highly detailed playable species. Ashen Stars also contains extensive, streamlined rules for space combat, 14 different types of ship, a rogues gallery of NPC threats and hostile species and a short adventure to get you started in the Bleed.

The Yellow King RPG (Four 6x9

Slipcase Set) 2020-01-21 Pelgrane Press Inspired by Robert W. Chambers' influential cycle of short stories, it pits the characters against the reality-altering horror of The King in Yellow. This suppressed play, once read, invites madness or a visit from its titular character, an alien ruler intent on invading and remolding our world into a colony of his planet, Carcosa. Four books, served up together in a beautiful slipcase and GM screen set, confront your players with an epic journey into reality horror: Belle Époque Paris, where a printed version of the dread play is first published. Players portray American art students in its absinthe-soaked world, navigating the Parisian demimonde and investigating mysteries involving gargoyles, vampires, and decadent alien royalty. The Wars, an alternate reality in which the players take on the role of soldiers bogged down in the great European conflict of 1947. While trying to stay alive on an eerie, shifting battlefield, they investigate supernatural mysteries generated by the occult machinations of the Yellow King and his rebellious daughters. Aftermath, set later in the same reality, in present day North America. A bloody insurrection has toppled a dictatorial regime loyal to Carcosa. Players become former partisans adjusting to ordinary life, trying to build a just society from the ashes of civil war. But not all of the monsters have been thoroughly banished--and like it or not, they're the ones with the skills to hunt them and finish them off.

Bookhounds of London 2018-09 Kenneth Hite An Ennie- and Golden Geek-award-winning supplement for Trail of Cthulhu. These cycles of experience, of course, all stem from that worm-riddled book. I remember when I found it in a dimly lighted place near the

black, oily river where the mists always swirl. The Book. Forbidden Tomes. Bookhounds of London is a brand new campaign setting for Trail of Cthulhu, packed with period detail, where the Investigators seek out books about horror and strangeness and become, seemingly inevitably, drawn into the horror themselves. It provides in-depth material on London in the 1930s, carefully slanted towards Mythos investigators. An Ancient City. Bookhounds London is a city of cinemas, electric lights, global power and the height of fashion. Its about the horrors the cancers that lurk in the capital, in the very beating heart of human civilization. A Templar altar might well crouch, mostly forgotten, in the dreary Hackney Marshes, but altars to false gods tower over the metaphorical swamps of Fleet Street and Whitehall. And as for lost, prehuman ruins whos to say what lies under London, if you dig deep enough? Terrible Choices. The PCs arent stalwart G-men or tweedy scholars exploring forbidden frontiers. Instead, they acquire maps (and maybe guidebooks) to those forbidden frontiers from fusty libraries and prestigious auction houses. They are Book-Hounds, looking for profit in mouldy vellum and leather bindings, balancing their own books by finding first editions for Satanists and would-be sorcerers. They may not quite know what they traffic in, or they may know rather better than their clientele, but needs must when the bills come in. This volume includes: 32 authentic full-colour maps with unique new street index of London in the 1930s, and plans of major buildings. A Mythos take on London in the 1930s, packed with contacts, locations and rumours. New abilities such as Document Analysis, Auction and Forgery, as well as new oc

Owl Hoot Trail 2018-09 Clinton R. Nixon Owl Hoot Trail is a fantasy steampunk Western game (reviewed here and here) published by Pelgrane in 2013. Clinton R. Nixon wrote the core

of the game that Matt Breen and I developed. Our aim wasnt to make a Western-flavored fantasy game that felt like D&D with spurs; it was to make a game just as deadly and cinematic as your favorite Clint Eastwood movie, except with giant steampunk monstrosities, gun-slinging Orcs, Dwarvish prospectors, and blandly smiling grifters who demolish you in a hand of poker while they chat secretly with each other in Elvish. If we ended up with female halfling marshals gunning down owlbear rustlers at high noon, we were hitting our design goals.

APOCTHULHU Quickstart (Classic B&W) 2020-06-05 Dean Engelhardt Horror Roleplaying in Terrifying Realms of Lovecraftian Apocalypses. Lovecraftian roleplaying typically sees brave Mythos investigators foiling plots to corrupt our familiar world. But what happens when the heroes DON'T save the day? When the cult's apocalyptic schemes succeed? What comes next? That's what APOCTHULHU is about. APOCTHULHU is a tabletop roleplaying game from Cthulhu Reborn that lets you explore many different past or future worlds where the Mythos somehow took control. Perhaps human civilizations fell when Shub-Niggurath bestowed a terrible gift of fertility on the Earth? Or when Nyarlathotep's words seduced superpowers into mutual annihilation? Did R'lyeh rise, waking you-know-who? APOCTHULHU is built upon a simple yet elegant d100 system. Players take on the roles of everyday people who are Survivors in a Post-Apocalyptic world. Game mechanics emphasize the lethality of life in the fallen world, in terms of threats to health and sanity. Rules also cover scavenging equipment and

resources, often the only way Survivors can obtain scarce supplies. By investigating horrors of the Post-Apocalyptic world and defeating their schemes and agents, Survivors might just guarantee their community lives to carry on the fight. Or they might unearth secrets that can one day overthrow the Mythos overlords. The APOCTHULHU Quickstart is a beautifully illustrated 72-page book presenting: - a simplified but feature-complete version of the game rules, which can have you up and running APOCTHULHU in minutes, - rules for generating player character Survivors, - six pre-made Survivor characters which can be used to pick up and play immediately, - an example Lovecraftian Post-Apocalypse, and - an introductory scenario, "Amber Waves" which puts the Survivors in the middle of a dangerous situation in the overgrown ruins of rural Kansas town. Whether you want a ready-made one-shot, or an ongoing campaign of gritty survival horror, APOCTHULHU is your gateway to nightmarish versions of humanity's past or future. Do you have what it takes to be an Apocalypse Survivor?

It adds new player backgrounds, and bulk out the GUMSHOE system to give intensive support for sanity, incorporating into the rule set the PCs desire to explore at the risk of going mad. First Love that Never Fades

Anna could never forget her first love, Leo. Their paths had crossed when they were both 16, at a idyllic summer camp. They were inseparable, spending every day sharing laughter, engaging in deep conversations, and experiencing the thrill of first love. Their bond was indestructible, and they vowed to maintain their bond, to cherish their connection, and to never let their love fade. But life, as it often does, had a different path in store for them.

They lost track of each other, they moved on with their lives, and they eventually married other people. Years passed, and the whirlwind of life took them in different directions. But fate, it seems, had not forgotten their unbreakable connection. At a chance encounter, at a nostalgic reunion, their paths crossed once again. The moment they laid eyes on each other, the embers of their affection rekindled. The same electric spark that had drawn them together years ago was still unmistakable. They felt the same joy that had fueled their teenage romance, but they also felt the burden of their past. Their emotions swirled for the deep connection they had shared, but their minds grappled with the challenges of their current lives. They were caught in a conflict of the heart, torn between the passion of their past and the stability and security of their present. They stood at a crossroads, forced to make a difficult choice. Would they choose the all-consuming passion of their first love, risking the unpredictability that lay ahead, or would they hold onto the stability of their current lives, forever wondering what could have been? Only time would tell if their unwavering connection would overcome the challenges.
