Journey of a Thousand Miles

He was weary of his life. He was bored, depressed, and discontented. He had a work he hated, a supervisor he abhorred, and a girlfriend he didn't adore. He had no zeal, no purpose, no significance. He sensed like he was misusing his hours, his capability, his existence. He wished to modify, he wished to flee, he wanted to survive. He chose to quit his work, to end things with his significant other, to get rid of his belongings, and to acquire a direct fare to the other side of the earth. He didn't know where he was proceeding, he didn't know what he was doing, he didn't know what he was looking for. He only understood that he had to leave, that he had to investigate, that he had to find out. He started on a voyage of a thousand miles, a journey of excitement, of difficulty, of knowledge, of progress, of alteration.
