boasts a beautiful presentation of the dishes as well as the landscape of West Sumatra. Reno has become the media go-to source for rendang. It ultimately lays the groundwork about the origins of rendang and its philosophical approach, but it also explains that ultimately there are so many other varieties other than the one we usually have in Padang restaurants. Reno Andam Suri dreamed of promoting rendang to a wider audience by introducing vacuum-packed rendang suitable for air travel. She

did not stop there, however. In 2012 she started a blog, Rendang Traveler, to share stories about rendang, the proud dish from her homeland, West Sumatra. To write this book, she returned to West Sumatra, and discovered the rich philosophical and cultural values of rendang, affirming her view that it is indeed a national treasure worth sharing with the world. At her Baralek Rendang (rendang festival) she introduced rendang to an appreciative public through cooking demonstrations, engaging stories, and interesting games. Reno has appeared in many discussions about West Sumatran cuisine, and has conducted various cooking workshops and training sessions. She is also involved in many educational communities such as

She invites participants to become better acquainted with the daily lives of West Sumatrans. She dreams of promoting rendang to an even wider audience, not just as a delectable dish, but also for the wealth of amazing stories behind it, as part of an enduring culture.

### *Effective Apology*

2009-05-11 John Kador There's nothing easy about apology. The news is filled with examples of leaders apologizing, needing to apologize, or failing miserably at the attempt. And certainly we all have occasion to apologize ourselves—maybe more often than we realize. But we don't need more apologies, says John Kador—we need better ones. Too many people just go through the motions, missing out on the power of apology to restore strained relationships, create possibilities for growth, and generate better outcomes for all. Effective Apology challenges you to think about the fundamental value and importance of apology as it delivers detailed advice for making an apology

*Mobil 7 Penumpang Pilih Daihatsu Terios Atau Toyota Veloz Pdf upload Arnold I Hayda*

that truly heals and renews. Kador explores the Five Rs of apology: Recognize the wrong and the person harmed; accept moral Responsibility for your actions; express Remorse; provide meaningful Restitution; and offer assurance that the offense will not be Repeated. Making apology work in the real world—when and how to apologize, in what medium, and how to make it stick—is made clear through over seventy examples of good and bad apologies drawn from the news, popular culture, and the experiences of Kador, his clients, and his friends. The willingness to apologize signals strength, character, and integrity. Effective leadership is impossible without effective apology. John Kador shows how to craft and deliver a confident apology that will defuse resentment, reduce litigation, create goodwill, and transform a relationship ruptured by mistrust and disappointment into something stronger and more durable than it ever was before.

## *Memory of Trees*

2010-04-01 Gayla Marty *Memory of Trees* is a multigenerational story of Gayla Marty's family farm near Rush City, Minnesota. Cleared from woodlands by her great-grandfather Jacob in the 1880s, the farm passed to her father, Gordon, and his brother, Gaylon. Hewing to a conservative Swedish Baptist faith, the two brothers worked the farm, raising their families in side-by-side houses. As the years go by, the families grow—and slowly grow apart. Uncle Gaylon, more doctrinaire in his faith, rails against the permissiveness of Gayla's parents. Financial tensions arise as well when the farm economy weakens and none of the children is willing or able to take over. Gayla is encouraged to leave for college, international travel, and city life, but the farm remains essential to her sense of self, even after the family decides to sell the land. When Gaylon has an accident on a tractor, Gayla becomes driven to reconnect with him and

*Mobil 7 Penumpang Pilih Daihatsu Terios Atau Toyota Veloz Pdf upload Arnold I Hayda*

to find out why she and her uncle—once so close but now estranged—were the only two members of the family who had resisted selling the land. Guided by vivid images of the farm's many beautiful trees, she pores over sacred and classical works as well as layers of her own memory to understand the forces that have transformed the American landscape and culture in the last half of the twentieth century. Beneath the belief in land as a giver of life and blessing, she discovers a powerful anxiety born of human uprootedness and loss. Movingly written, *Memory of Trees* will resonate for many with attachments to small towns or farms, whether they continue to work the land or, like so many, have left for a different life.
