It was a gloomy and turbulent night. The rain was falling heavily, and the wind was whistling. In the center of the town, there was a exhibition, where a priceless diamond was on show. The diamond was named the African Star, and it was the largest and most stunning diamond in the earth. It was protected by a sophisticated security mechanism, and a squad of armed guards. No one could pilfer it, or so they assumed. But somebody did. An individual managed to bypass the protection, to evade the watchmen, to smash the pane, and to take the diamond. And no one observed them, no one heard them, no one identified who they were. They left no mark, no lead, no proof. They disappeared into the night, with the Star of Africa. And the riddle of the vanished diamond began.

"Bellman & Black" is a novel by Diane Setterfield, a British author known for her bestselling novel, "The Thirteenth Tale". The story revolves around the character of William Bellman, who as a boy commits a small cruel act that seems to have unforeseen and terrible consequences. The killing of a rook with his catapult is soon forgotten amidst the riot of boyhood games. However, as he grows up and has a family of his own, he seems to be a man favored by fortune until tragedy strikes. A stranger in black comes into his life, and William starts to wonder if all his happiness is about to be eclipsed. In a desperate bid to save the one precious thing he has left, he enters into a rather strange bargain, with an even stranger partner, to found a decidedly macabre business. And thus, Bellman & Black is born.

Alice was perpetually captivated by the aged mansion perched at the end of the street. Stories of its enigmatic owner, who never ventured out of his secluded abode, had always piqued her curiosity. Whispers circulated about his identity, ranging from a hermit to a intellectual or even an eccentric, depending on the source. Alice yearned to unravel the truth behind these tales and uncover the secrets concealed within the barred door on the second floor. Driven by an irresistible urge to delve into the mansions mysteries, Alice embarked on a audacious escapade. With a heart pounding with a mix of excitement, she discreetly ventured into the mansions grounds, her senses heightened as she approached the restricted door on the second floor. Standing before the threshold, her hand trembling slightly as she reached for the doorknob, Alice braced herself for the revelations that awaited her beyond. With a deep breath, she turned the knob, the door creaking open to unveil a sight that would forever alter her perception of the world.

It was the time 23, and the world stood at the edge of war. The USA and Peoples Republic of China, the pair of global powers, had been engaged in a intense rivalry, competing for resources, influence, and supremacy. They had developed sophisticated arms, like laser weapons, unmanned aerial vehicles, and orbiters, that can attack anywhere, anytime. They had secretly constructed space stations, which could deploy nuclear missiles, that can obliterate the planet. They were ready to employ them, if at all necessary. But they were not the only ones. There was a third force, a concealed power, which had observing them, waiting patiently for them, getting ready for them. They were the aliens, and they had arrived to stop them. They had come arrived to protect the globe, or to end it all. They had arrived to begin the galactic wars which altered chronicle.
