*The League Against Imperialism*

2020 Michele L. Louro The League Against Imperialism: Lives and Afterlives explores the dramatic and engaging story of a global institution that brought together activists across geographical and political borders for the goal of eradicating colonial rule worldwide. The League against Imperialism (LAI) attracted anticolonial activists like India’s Jawaharlal Nehru, Indonesia’s Sukarno, and Kenya’s Jomo Kenyatta, as well as prominent figures such as Albert Einstein, Ernst Toller, Romain Rolland, Upton Sinclair, Mohandas Gandhi, and Madame Sun Yat-Sen. This volume is the first to capture the global history of the LAI by bringing together contributions by scholars researching the movement from various regions, languages, and archives. Told primarily from the perspectives of those on the peripheries of empires, the volume argues that interwar anti-imperialism was central to the story of transnational activism during the interwar years and remained an inspiration for many who took on leadership roles during decolonization across the global south.

## African Perspectives on Colonialism

2020-10-06 A. Adu Boahen This history deals with the twenty-year period between 1880 and 1900, when virtually all of Africa was seized and occupied by the Imperial Powers of Europe. Eurocentric points of view have dominated the study of this era, but in this book, one of Africa’s leading historians reinterprets the colonial experiences from the perspective of the colonized. The Johns Hopkins Symposia in Comparative History are occasional volumes sponsored by the Department of History at the Johns Hopkins University and the Johns Hopkins University Press comprising original essays by leading scholars in the United States and other countries. Each volume considers, from a comparative perspective, an important topic of current historical interest. The present volume is the fifteenth. Its preparation has been assisted by the James S. Schouler Lecture Fund.

## Imperialism and War

## The Political Economy of Imperialism

2012-12-06 Ronald M. Chilcote This book brings together important essays by distinguished scholars who have devoted past attention to the study of imperialism and development. It comple ments an anthology of previously published essays that brings together important theoretical perspectives around the issues and debates on these themes; this volume will be published by Humanity Press (forthcoming). Both projects relate to a lengthy chapter "Theories of Imperialism," which will be published in my book The ories of Comparative Political Economy (Forthcoming). These projects represent a culmination of many years of teaching in both economics and political science. During that time I taught two political science courses on development and under development, but I was unable to convince my colleagues of the usefulness of a course on imperialism that linked historical issues and debates with the more recent developmental literature. When in 1990 I was welcomed into economics, my col leagues endorsed a graduate seminar on the political economy of imperialism. Thus, this volume evolved out of that experience in an effort to encourage new analysis that reflects retrospectively on past contributions as well as the prospects for impe rialism and development in the contemporary world.

## Imperialism and Social Classes

1972 Joseph A. Schumpeter Joseph Schumpeter was not a member of the Austrian School, but he was an enormously creative classical liberal, and this 1919 book shows him at his best. He presents a theory of how states become empires and applies his insight to explaining many historical episodes. His account of the foreign policy of Imperial Rome reads like a critique of the US today. The second essay examines class mobility and political dynamics within a capitalistic society. Overall, a very important contribution to the literature of political economy.

For the File on Empire

*Imperialism*

1939 Vladimir Lenin The pamphlet here presented to the reader was written in the spring of 1916, in Zurich. In the conditions in which I was obliged to work there I naturally suffered somewhat from a shortage of French and English literature and from a serious dearth of Russian literature. However, I made

use of the principal English work on imperialism, the book by J. A. Hobson, with all the care that, in my opinion, work deserves. This pamphlet was written with an eye to the tsarist censorship. Hence, I was not only forced to confine myself strictly to an exclusively theoretical, specifically economic analysis of facts, but to formulate the few necessary observations on politics with extreme caution, by hints, in an allegorical language—in that accursed Aesopian language—to which tsarism compelled all revolutionaries to have recourse whenever they took up the pen to write a “legal” work. It is painful, in these days of liberty, to re-read the passages of the pamphlet which have been distorted, cramped, compressed in an iron vice on account of the censor. That the period of imperialism is the eve of the socialist revolution; that social-chauvinism (socialism in words, chauvinism in deeds) is the utter betrayal of socialism, complete desertion to the side of the bourgeoisie; that this split in the working-class movement is bound up with the objective conditions of imperialism, etc.—on these matters I had to speak in a “slavish” tongue, and I must refer the reader who is interested in the subject to the articles I wrote abroad in 1914-17, a new edition of which is soon to appear. In order to show the reader, in a guise acceptable to the censors, how shamelessly untruthful the capitalists and the social-chauvinists who have deserted to their side (and whom Kautsky opposes so inconsistently) are on the question of annexations; in order to show how shamelessly they screen the annexations of their capitalists, I was forced to quote as an example—Japan! The careful reader will easily substitute Russia for Japan, and Finland, Poland, Courland, the Ukraine, Khiva, Bokhara, Estonia or other regions peopled by non-Great Russians, for Korea. I trust that this pamphlet will help the reader to understand the fundamental economic question, that of the economic essence of imperialism, for unless this is studied, it will be impossible to understand and appraise modern war and modern politics.

## Abolitionism and Imperialism in Britain, Africa, and the Atlantic

2010-01-05 Derek R. Peterson The abolition of the slave trade is normally understood to be the singular achievement of eighteenth-century British liberalism. Abolitionism and Imperialism in Britain, Africa, and the Atlantic expands both the temporal and the geographic framework in which the history of abolitionism is conceived. Abolitionism was a theater in which a variety of actors—slaves, African rulers, Caribbean planters, working-class radicals, British evangelicals, African political entrepreneurs—played a part. The Atlantic was an echo chamber, in which abolitionist symbols, ideas, and evidence were generated from a variety of vantage points. These essays highlight the range of political and moral projects in which the advocates of abolitionism were engaged, and in so doing it joins together geographies that are normally studied in isolation. Where empires are often understood to involve the government of one people over another, Abolitionism and Imperialism shows that British values were formed, debated, and remade in the space of empire. Africans were not simply objects of British liberals’ benevolence. They played an active role in shaping, and extending, the values that Britain now regards as part of its national character. This book is therefore a contribution to the larger scholarship about the nature of modern empires. Contributors: Christopher Leslie Brown, Seymour Drescher, Jonathon Glassman, Boyd Hilton, Robin Law, Phillip D. Morgan, Derek R. Peterson, John K. Thornton

## Imperialism in the Twenty-First Century

2016-01-22 John Smith Winner of the first Paul A. Baran-Paul M. Sweezy Memorial Award for an original monograph concerned with the political economy of imperialism, John Smith’s Imperialism in the Twenty-First Century is a seminal examination of the relationship between the core capitalist countries and the rest of the world in the age of neoliberal globalization.Deploying a sophisticated Marxist methodology, Smith begins by tracing the production of certain iconic commodities-the T-shirt, the cup of coffee, and the iPhone-and demonstrates how these generate enormous outflows of money from the countries of the Global South to transnational corporations headquartered in the core capitalist nations of the Global North. From there, Smith draws on his empirical findings to powerfully theorize the current shape of imperialism. He argues that the core capitalist countries need no longer rely on military force and colonialism (although these still occur) but increasingly are able to extract profits from workers in the Global South through market mechanisms and, by aggressively favoring places with lower wages, the phenomenon of labor arbitrage. Meticulously researched and forcefully argued, Imperialism in the Twenty-First Century is a major contribution to the theorization and critique of global capitalism.

**paper on imperialism pdf pdf** ; You probably know already that paper on imperialism pdf pdf has become the trendiest issues over the internet at this time. According to files we acquired from adwords, paper on imperialism pdf pdf has very much search in google search engine. We predict that paper on imperialism pdf pdf supply fresh concepts or references for visitors. We have discovered lots of references about paper on imperialism pdf pdf but we think this is the greatest. I hope you would also acknowledge our thoughts. You are able to acquire this picture by simply clicking the save link or right click on the image and select save. We hope whatever we give to you may be useful. If you wish, you can share this post to your friend, loved ones, online community, or you can also bookmark this page.} Thank you for reading **paper on imperialism pdf pdf**. As you may know, people have look numerous times for their chosen novels like this paper on imperialism pdf pdf, but end up in harmful downloads. Rather than enjoying a good book with a cup of tea in the afternoon, instead they juggled with some infectious bugs inside their desktop computer.

paper on imperialism pdf pdf is available in our book collection an online access to it is set as public so you can download it instantly.
