He felt like he was misusing his moment, his potential, his being. He wanted to modify, he desired to flee, he wanted to survive. He decided to quit his employment, to split up with his partner, to sell his stuff, and to buy a direct pass to the other side of the earth. He didn't know where he was proceeding, he didn't understand what he was carrying out, he didn't understand what he was searching for. He only realized that he had to depart, that he had to investigate, that he had to discover.
