Its down-to-earth explanations about how language works are illustrated at every step with diagrams and other visual models. The examples and exercises consist of provocative and intelligent sentences, not desiccated grammar-book examples. Each chapter includes a sentence-analysis exercise with fifty problems. Answers are provided for ten sentences per chapter. A new chapter on how grammar functions in literature and how it is used to improve writing extends the applications of Doing Grammar in this second edition, which also includes new introductory chapter outlines and thoroughly revised chapter summaries. The new edition was class tested for over a year. Every page has been re-thought and redefined to make grammatical analysis clear, understandable, useful, and interesting. First Love that Never Fades

Anna could never erase from memory her first love, Leo. Their paths had crossed when they were both 16, at a idyllic summer camp. They were inseparable, spending every day sharing laughter, exchanging heartfelt thoughts, and experiencing the thrill of first love. Their bond was indestructible, and they vowed to maintain their bond, to cherish their connection, and to love each other forever. But life, as it often does, had different plans in store for them. They lost track of each other, they moved on with their lives, and they eventually married other people. Years passed, and the whirlwind of life took them in different directions. But fate, it seems, had not forgotten their unbreakable connection. At a chance encounter, at a nostalgic reunion, their paths crossed once again. The moment they laid eyes on each other, the spark of their connection rekindled. The same undeniable attraction that had drawn them together years ago was still unmistakable. They felt the same excitement that had fueled their teenage romance, but they also felt the reality of their present. Their hearts yearned for the unwavering devotion they had shared, but their minds grappled with the tangled web of their current lives. They were caught in a tug-of-war, torn between the passion of their past and the complications of their present. They stood at a critical juncture, forced to make a life-altering choice. Would they choose the intense connection of their first love, risking the unknown that lay ahead, or would they hold onto the predictability of their current lives, forever wondering what could have been? Only time would tell if their unbreakable bond would find a way to prevail.
