Youth Literature for Peace Education

2014-10-16 C. Carter Carter and Pickett explore how educators and families can teach peace education through youth literature and literacy development. Showing how to assess, choose, and make use of literature that can be used to teach both literacy and peace education, they walk through individual methods: recognizing and teaching different portrayals of conflict in youth literature, analyzing characterization, and examining the role of illustrations. Educators who want to incorporate peace education within a broader, literacy-focused curriculum, and peace educators looking for age-appropriate materials and methodologies will find Youth Literature for Peace Education a rich and interdisciplinary resource.

A Return to Modesty

2014-05-20 Wendy Shalit Updated with a new introduction, this fifteenth anniversary edition of A Return to Modesty reignites Wendy Shalit's controversial claim that we have lost our respect for an essential virtue: modesty. When A Return to Modesty was first published in 1999, its argument launched a worldwide discussion about the possibility of innocence and romantic idealism. Wendy Shalit was the first to systematically critique the "hook-up" scene and outline the harms of making sexuality so public. Today, with social media increasingly blurring the line between public and private life, and with child exploitation on the rise, the concept of modesty is more relevant than ever. Updated with a new preface that addresses the unique problems facing society now, A Return to Modesty shows why "the lost virtue" of modesty is not a hang-up that we should set out to cure, but rather a wonderful instinct to be celebrated. A Return to Modesty is a deeply personal account as well as a fascinating intellectual exploration into everything from seventeenth-century manners to the 1948 tune "Baby, It's Cold Outside." Beholden neither to social conservatives nor to feminists, Shalit reminds us that modesty is not prudery, but a natural instinct—and one that may be able to save us from ourselves.

Dylan agrees eagerly when Sam proposes to a relationship of convenience so she can reenter Paradise society. "Stand Back," Said the Elephant, "I'm Going to Sneeze!"

1990-04-23 Patricia Thomas All the animals are in a panic. The elephant's sneeze would blow the monkeys out of the trees, the feathers off the birds, the stripes off the zebra. Even the fish and the fly, the crocodile and the kangaroo, know what a catastrophe that sneeze would be. "Please don't sneeze!" they beg. . . . The classic story of an enormous sneeze in the marking, told in sprightly nonsense verse, has been newly illustrated in full color to delight a new generation of fans.

The Life and Legacy of Nelson Mandela

Nelson Mandela was one of the most influential and inspiring leaders of the 20th century. He was born on July 18, 1918, in Mvezo, a small village in South Africa. He belonged to the Thembu royal family, and was given the name Rolihlahla, which means “troublemaker” in Xhosa. He grew up in a time of racial oppression and discrimination, and witnessed the injustices and violence inflicted by the white minority government on the black majority. He decided to dedicate his life to the struggle for freedom and equality, and joined the African National Congress (ANC), a political party that fought against apartheid, the system of racial segregation and domination in South Africa. He became a lawyer, an activist, and a leader, and was arrested and imprisoned several times for his resistance and defiance. He spent 27 years in prison, most of them on Robben Island, a notorious prison island where he endured harsh conditions and isolation. He never gave up his hope and vision, and continued to inspire and mobilize his people and the world. He was released from prison in 1990, and became the first democratically elected president of South Africa in 1994. He led the country through a peaceful transition and reconciliation, and became a global icon of human rights, democracy, and peace. He received the Nobel Peace Prize in 1993, and many other honors and awards. He died on December 5, 2013, at the age of 95, leaving behind a legacy of courage, wisdom, and compassion.
