It had been the time 2023, and the globe stood on the brink of conflict. The United States and China, the two superpowers, were entangled in a intense contest, competing for supplies, influence, and control. They had both engineered sophisticated armaments, including lasers, drones, and spacecrafts, that could strike any place, anytime. They had covertly built orbital stations, that could launch nuclear missiles, that can obliterate the earth. They were both set to utilize these weapons, if necessary. But they were not the only ones. There existed a third entity, a hidden power, which had been watching them, waiting patiently for them, getting ready for them. They were the extraterrestrials, and they had come arrived to stop them both. They had come come to protect the globe, or to end it all. They had come come to start the space wars that transformed past.
