Once you have completed your graphic novel, you need to start thinking about getting it published. There are a few different ways to do this:

****Submit your graphic novel to publishers.**** There are many publishers that accept unsolicited submissions from graphic novel creators. You can find a list of publishers on the website of the GN Educators Forum.

****Self-publish your graphic novel.**** Self-publishing is a great option for graphic novel creators who want to have more control over the creative process and the release of their work.

I hope this guide has been useful. With hard work and dedication, you can create a graphic novel that is both entertaining and thought-provoking.
