Rise and Fall of a Pop Star

She had a goal. She desired to be a performer. She wished to sing, to move, to captivate, to entertain. She wanted to be famous, to be loved, to be worshipped. She wished to have it all, fame, fortune, prestige. She labored hard, she practiced, she tried out, she impressed. She got a deal, a music contract, a agent, a director. She made an record, a smash, a wonder. She became a celebrity, a celebrity, a phenomenon. She had it all, followers, fortune, awards. She was on seventh heaven, she was realizing her goal. But she also had a hidden side. She had a secret, a problem, an addiction. She started to spiral out of control, to err, to create controversy. She faced backlash, backlash, lawsuits. She lost her admirers, her money, her honors. She tumbled down, she became a mockery, a tragedy. She lost it all, her recognition, her wealth, her prestige. She was the climb and fall of a singer.
