The book "Analyzing Casual Conversation" by Suzanne Eggins and Diana Slade, first released in 1997, creates a systematic model for the examination and depiction of casual conversation in English. The writers assert that despite its occasionally aimless look and seemingly unstructured substance, casual conversation is a highly structured task and has a crucial role in the social building of reality. The work works through genuine instances of casual conversations entailing participants differing in age, gender, ethnicity, and socio-economic class¹². Deriving on insights from sociology, linguistics, and critical semiotics, the work provides readers with the analytical skills to depict the levels of structure and critical interpretive structures to elucidate the 'social work' that happens on through chat.
