Hyper-Grace

2014-01-07 Michael L. Brown At a time when the church needs an urgent wake-up call and a fresh encounter with Jesus, the hyper-grace message is lulling many to sleep. Whatever Happened to the Power of God

Authentic Fire

2015 Michael L. Brown In response to Pastor John MacArthur's call for a "collective war," against charismatics, Dr. Michael Brown has called for unity in Jesus based on a return to the truth of the Scriptures in the fullness of the Spirit. As a charismatic biblical scholar and theologian, Dr. Brown responds to Pastor MacArthur's charges, making a biblical case for the continuation of the New Testament gifts of the Spirit and demonstrating the unique contribution to missions, theology, and worship made by the charismatic Church worldwide. He calls for an appreciation of the unique strengths and weaknesses of both cessationists and charismatics, inviting readers to experience God afresh, and he demonstrates how charismatic leaders have been addressing abuses within their own movement for decades. Dr. Brown speaks on behalf of millions who are not adequately trained to express in writing their own encounters with the supernatural power of God. - David Ravenhill I thank God for this biblically-robust, pastorally-sensitive, historically-informed, and graciously-articulated account of the work of the Holy Spirit in the church of Jesus Christ. - Sam Storms Dr. Michael Brown's Authentic Fire puts the brakes on John MacArthur's crusade against charismatics with irrefutable logic, extraordinary insight, Christ-like graciousness, and an undisputable handling of Scripture. - Frank Viola Michael Brown writes with clarity and courtesy as he confronts one of the most explosive issues among all those who uphold the Bible as the plumb line of truth. - David Shibley

Whatever Happened to the Power of God? & It's Time to Rock the Boat

2012-06-01 Michael L. Brown, PhD DIV Together for the first time in a single volume, two of Dr. Michael L. Brown's groundbreaking works are ready to challenge a new generation of Christians to combat the status quo of a compromised church and a godless society. /div-----DIV Have you ever wondered why you rarely-if ever-see the kinds of miracles today that were so common in the Bible? Whatever Happened to the Power of God? explores why so few of the seriously ill are healed, why apparent encounters with God's supernatural power so rarely change lives, and why spiritual warfare seems to

have little effect on society. This book asks the questions you have always wanted to ask and confronts you with answers that will change your life. Find out what's holding back the power of God! /div ----- In It's Time to Rock the Boat, Dr. Brown reveals the biblical pattern for changing society through preaching a confrontational gospel. The Old Testament prophets, New Testament apostles, John the Baptist, and Jesus the Messiah Himself were not content to let society be dragged down by its sinful and destructive elements-they took a stand against an onslaught of degradation and made waves that rocked the world! God is calling each of us to be part of that world-shaking movement. It's time! DIV /div

It was a gloomy and turbulent night. The drizzle was falling heavily, and the gale was roaring. In the middle of the city, there was a exhibition, where a invaluable diamond was on display. The diamond was known as the Star of Africa, and it was the largest and most beautiful diamond in the world. It was secured by a sophisticated security mechanism, and a squad of weaponized guards. No one could steal it, or so they believed. But somebody did. Someone managed to circumvent the security, to evade the watchmen, to smash the window, and to take the diamond. And no one saw them, no one listened to them, no one knew who they were. They departed from no mark, no clue, no evidence. They faded into the darkness, with the African Star. And the mystery of the vanished diamond began.
