## Chasing Plants

2022-09-12 Chris Thorogood "Ever been obsessed with something? I mean really obsessed? Ever lain awake dreaming about it: a new car perhaps, your dream house, a person? I guess we all have them, only my obsession is a little offbeat. Mine is plants. . ." After making a strange discovery on a childhood trip to Ikea, Chris Thorogood dreamed of becoming a botanist and would stop at nothing to feed his growing addiction to plants. In his hair-raising adventures across Europe, Africa, the Middle East, and Asia, he treads a death-defying path over clifftops, up volcanoes, through typhoons, and into the heart of the world's vast green wilderness. Along the way, he encounters pitcher plants, irises, and orchids more heart-piercingly beautiful than you could ever imagine. Thorogood explains how "We share the biosphere with hundreds of thousands of plant species that existed long before us, and we have a duty of care to protect them, yet their plight often goes unnoticed. Perhaps we need to bring plants out of the shadows by portraying them differently: showing their intrigue, their character, something beyond a beautiful backdrop for animals to exist in; and challenging the perception of what botanists do and why they care so deeply." An internationally acclaimed illustrator, Thorogood conjures what he finds back to life in his electric paintings, which feature throughout. To follow his footsteps is to be under his spell--and you'll never think of plants the same way again."--

## The UFO Files

2013-04-30 David Clarke 'What does all this stuff about flying saucers amount to? What can it mean? What is the truth?' Winston Churchill, prime minister's personal minute, 28th July 1952 The UFO Files tells the story of over 100 years of UFO sightings, drawing on formerly secret government documents at the National Archives in London. Alongside extraordinary reports by ordinary people, it reveals details of official interest and investigations stretching back more than 80 years. In this remarkable book, fully updated for this second edition, David Clarke reveals an array of startling stories from possible UFO reports hidden among Met Office investigations of aerial phenomena in the 1920s to the conclusions of Project Condign, the secret British Intelligence UFO study completed in 2000. As well as covering Roswell and Britain's own Rendlesham Forest mystery, Clarke raids the records for dramatic stories of abductions and close encounters, ghost aircraft and crop circles, and UFO reports by both civilian aircrew and military personnel. Dramatic witness statements and interviews combine with rarely seen photographs, drawings and newly available documents to offer a unique guide to one of our most intriguing mysteries.

2012-05-15 S. E. Hinton Over 50 years of an iconic classic! This international bestseller and inspiration for a beloved movie is a heroic story of friendship and belonging. No one ever said life was easy. But Ponyboy is pretty sure that he's got things figured out. He knows that he can count on his brothers, Darry and Sodapop. And he knows that he can count on his friends—true friends who would do anything for him, like Johnny and Two-Bit. But not on much else besides trouble with the Socs, a vicious gang of rich kids whose idea of a good time is beating up on “greasers” like Ponyboy. At least he knows what to expect—until the night someone takes things too far. *The Outsiders* is a dramatic and enduring work of fiction that laid the groundwork for the YA genre. S. E. Hinton's classic story of a boy who finds himself on the outskirts of regular society remains as powerful today as it was the day it was first published. "The Outsiders transformed young-adult fiction from a genre mostly about prom queens, football players and high school crushes to one that portrayed a darker, truer world." —The New York Times "Taut with tension, filled with drama." —The Chicago Tribune "[A] classic coming-of-age book." —Philadelphia Daily News A New York Herald Tribune Best Teenage Book A Chicago Tribune Book World Spring Book Festival Honor Book An ALA Best Book for Young Adults Winner of the Massachusetts Children's Book Award

Formulated by Lloyd M. Dunn and Douglas M. Dunn, the test is crafted to evaluate vocabulary comprehension for Standard American English. It is fast and effortless to conduct, saving precious time so that concentration can be set on executing intelligent strategies. The PPVT-4 evaluation subject matter covers a extensive scope of receptive vocabulary ranks, spanning from pre-kindergarten through adulthood. The test questions widely sample words that represent 20 subject fields (e.g., actions, vegetables, tools), parts of speech (nouns, verbs, attributes), and household and school vocabulary. The assessment gives two equal editions which hold various vocabulary terms, making sure that the test-taker has not "learned" the evaluation. One form can be used prior to intervention to measure people's vocabulary understanding and the second form can be utilized for re-evaluation to measure and note progress. The PPVT-4 also contains a distinctive Growth Scale Value (GSV) which is reactive to small changes in time.
