It had been the time 2023, and the globe stood at the edge of conflict. The United States and Peoples Republic of China, the pair of superpowers, were locked in a ferocious rivalry, competing for assets, influence, and control. They had both developed sophisticated arms, like lasers, unmanned aerial vehicles, and spacecrafts, which could attack any place, anytime. They had secretly established orbital stations, which can launch nuclear missiles, which can destroy the earth. They were both prepared to use them, if required. But they were not the sole ones. There existed a third power, a secret entity, that had been observing them both, waiting patiently for them both, preparing for them. They were the extraterrestrials, and they had come to prevent them. They had come to protect the globe, or to finish it all. They had come to initiate the space wars which transformed past.
