"Acrylic Painting for Beginners helps readers become familiar with the most essential techniques of the medium. It is tailor made for a quick, practical introduction"--Publisher's description.

Painting Acrylic Landscapes the Easy Way 2011-11-01 Terry Harrison Terry Harrison shows how to paint landscapes in acrylics using a range of simple brush techniques, and the authors own range of brushes. He introduces the brushes, which he has designed to carry out specific techniques, and also explains which other materials are required, including using a limited palette of paint colours. He then describes what each of the brushes is suitable for, before going on to explain acrylic painting techniques such as painting a tree close-up, painting reflections and snow, creating distance and using texture pastes, glaze medium and palette knives. There are six beautiful demonstrations with easy to follow text and step by step photographs, covering popular Terry Harrison subjects: a summer landscape, a winter scene, a coastal view, a landscape with a barn, a Venetian scene and a beautiful building covered in wisteria. Readers who loved Terrys Brush with Acrylics will enjoy this all new title, in which Terrys brushes are put through their paces in a completely new range of illustrations and demonstrations.

With The Art of Spiral Drawing, no complicated tools are needed, as artists of all skill levels learn to create their own spiral art using little more than paper and a pen or pencil. Written and illustrated by Jonathan Stephen Harris, the author of the popular The Art of Drawing Optical Illusions, the book opens with helpful sections on tools and materials, perspective, and shading, ensuring that beginning artists know the basics before getting started on the step-by-step projects that follow. Instructions for creating basic shapes, including a triangle, a circle, and a square, progress into more detailed patterns featuring perspective, florals, and more. Instructions are also included for creating a variety of subjects, from flowers to animals, all featuring a spiral pattern as their framework. Artists can even add color to their spiral artwork using the tips featured in the book and simple tools like colored pencils and markers. Beginning and intermediate artists, doodlers, optical illusionists, and more will love creating their own spiral and geometric art with the help of The Art of Spiral Drawing!

Landscape Painting 2019-11-25 Richard Pikesley Underpinning all good landscape painting is observation. Starting from this standpoint, this book introduces the artist to painting the natural and man-made landscape. Initially equipped with just a handful of pencils and paper to explore the world outside, it allows confidence to grow alongside an understanding of the art and craft of painting landscape. Written by artist Richard Pikesley, it demonstrates his approach and that of other contributors, who illustrate the diversity of paths that can be taken to achieve a passionate and personal response to the landscape. Richly illustrated with over 300 colour images, this book emphasizes the importance of observation, and advises on how to 'learn' the landscape; it teaches the rudiments of drawing, and develops confidence and technical understanding of the subject; it explains colour mixing on the palette, and how colour works in nature and is affected by sunlight. Also included is a guide to the materials, equipment and techniques of the landscape painter. Finally, there is advice on presenting, framing and displaying your work, and how to find exhibition opportunities.

Acrylic Painting Step by Step 2005 Tom Swimm A guide to acrylic painting introduces the basic techniques of the medium and provides step-by-step instructions for twelve acrylic projects.

Acrylic Painting: Discover The Ways Of Painting Eye Popping Portraits And Landscape Using Acrylic Painting Tactics And Techniques 2018-11-11 Old Natural Ways Art is one of the most rewarding past times a person can undergo. There are so many different ways that you can create art, and only a limited amount of time that we have to get all our ideas off the ground. Because of this, it makes sense that you will want to learn as much as you can in the shortest amount of time possible. There are three common types of paints that are used in art. Many artists use oils, watercolors, and acrylics. This book is going to focus on acrylics, because this is one of the most common and easy to access paints there is. Many artists prefer it because it is fast to dry and isn't altered when water touches it after it has dried. It's the most permanent paint of the three. Acrylics have a lot of other amazing qualities that make it easy to understand why so many artists prefer them. The colors are vibrant, and layering the paints is simple to do. If you make a mistake, it is simple to cover up with another paint color. In a way they are like charcoals, and bring out the best in an artist because they know that they only get limited chances to get it right once they begin. If you want to learn some great new tips and techniques that will help bring your acrylic painting to the next level, then you've come to the right place! Brace yourself, because you're about to enter and excel in the wonderful world of art!

Eva had always been fascinated by the realm of magic, but she never imagined that she would uncover her own magical heritage. She had spent her childhood in a normal family, living in a quaint town, devoid of any signs of the supernatural. However, on her sixteenth birthday, her life took an unexpected turn. A intriguing package arrived, sent by her grandmother, who had left this world years ago. Within the package lay an ancient leather-bound book, its cover adorned with the inscription, "The Book of Shadows". As Eva opened the book, a torrent of magic coursed through her veins. She realized that the book held the arcane knowledge of her familys magical lineage, and that she was the last descendant of a long line of powerful witches. But she also discovered that she was not alone. There were others like her, individuals who possessed similar abilities, and some of them sought to wield their magic for nefarious purposes. Eva faced a pivotal decision: embrace her destiny as a witch and delve into the world of sorcery, or reject her newfound powers and continue living her life as she had always known it. Regardless of her choice, she knew that her life would forever be changed beyond recognition from that moment forward.

He was exhausted of his life. He was uninterested, depressed, and discontented. He had a work he despised, a boss he abhorred, and a girlfriend he didn't adore. He had no passion, no aim, no meaning. He believed like he was squandering his hours, his possibility, his life. He wished to alter, he wanted to escape, he wanted to exist. He resolved to resign from his job, to break up with his significant other, to dispose of his possessions, and to acquire a direct pass to the far end of the earth. He didn't realize where he was heading, he didn't realize what he was performing, he didn't understand what he was seeking. He only realized that he had to depart, that he had to discover, that he had to uncover. He set out on a journey of a thousand kilometers, a trip of adventure, of obstacle, of knowledge, of development, of change.
