Court to influence legislative outcomes with an endless supply of cash. These actors have successfully championed hundreds of new laws that lower wages, eliminate paid sick leave, undo the right to sue over job discrimination, and cut essential public services. Lafer shows how corporate strategies have been shaped by twenty-first-century conditions—including globalization, economic decline, and the populism reflected in both the Trump and Sanders campaigns of 2016. Perhaps most important, Lafer shows that the corporate legislative agenda has come to endanger the scope of democracy itself. For anyone who wants to know what to expect from corporate-backed Republican leadership in Washington, D.C., there is no better guide than this record of what the same set of actors has been doing in the state legislatures under its control.
