Sober Curious

2018-12-31 Ruby Warrington Would life be better without alcohol? It's the nagging question more and more of us are finding harder to ignore, whether we have a "problem" with alcohol or not. After all, we yoga. We green juice. We meditate. We self-care. And yet, come the end of a long work day, the start of a weekend, an awkward social situation, we drink. One glass of wine turns into two turns into a bottle. In the face of how we care for ourselves otherwise, it's hard to avoid how alcohol really makes us feel... terrible. How different would our lives be if we stopped drinking on autopilot? If we stopped drinking altogether? Really different, it turns out. Really better. Frank, funny, and always judgment free, Sober Curious is a bold guide to choosing to live hangover-free, from Ruby Warrington, one of the leading voices of the new sobriety movement. Drawing on research, expert interviews, and personal narrative, Sober Curious is a radical take down of the myths that keep so many of us drinking. Inspiring, timely, and blame free, Sober Curious is both conversation starter and handbook—essential reading that empowers readers to transform their relationship with alcohol, so we can lead our most fulfilling lives.

A Look Inside a Rare Mind

2015-07-10 Jennifer Soldner WHAT THIS BOOK IS:A raw look into the mind of an INFJ through the beginning stages of her journey from first discovering her Myers-Briggs Personality Type. This book is a descriptive personal journal shared to help those who are at the beginning stages of discovering that they, too, are an INFJ and may be searching for validation, understanding and a kindred spirit. Please note: This book is a personal account and its contents may not apply to all INFJ personalities.WHAT THIS BOOK IS NOT:An educational or informational resource about the INFJ personality type as a whole. There are ample resources explaining the functionalities of an INFJ which I encourage you to read. However, if you are looking for a technical or scientific source, this book may not be for you."My entire life was spent questioning myself. I always wondered why I seemed different. Why I could never fit in anywhere. Why I struggled so much emotionally. And most of all, why I could not find anyone who understood.My conclusion was always the same. Something is wrong with me. I felt like I was failing at my life and I could never seem to fix it. I changed my persona more times than Madonna. I tried different faiths. I tried different friends. I even changed my wardrobe as often as I could afford to.But nothing. I continued to fail. I continued to remain alone, misunderstood by myself and everyone around me.Until one day, I took a Myers-Briggs Personality test and read the results: INFJ. What does that mean? I researched and researched, read and read, pondered and pondered, until it hit me...I am not insane.I am not failing.I am not broken.I am an INFJ.Once I learned my personality type, I was able to begin my personal growth and development. In these pages, I wish to share with you my thoughts through the early stages of my discovery: the positive, the negative, the joyful and the depressing.Welcome to the rare mind of an INFJ."

The INFJ Revolution

2019-09-16 Lauren Sapala The term “INFJ” might mean little to most people, but to anyone who identifies with this personality type these four letters represent self-discovery, self-acceptance, and a radical new understanding of what it means to be introverted, Highly Sensitive, and empathic. But although ever-growing numbers of INFJs are waking up to the power of our intuitive gifts, we continue to struggle mentally, emotionally, and spiritually in a culture that does not value intuition. Lauren Sapala explores the roadblocks that are still holding many INFJs back and tackles the most important questions for INFJs today. How can we find our purpose? Where and why do we give away our power? And how can we use our unique gifts and innate passion in order to create a better world? Only by moving beyond limiting mindsets and beliefs can INFJs move forward to fulfill our purpose as the healers of the world, and then reclaim our power and step into the role of the leaders we were always meant to be.

The paper is a vehicle through which educators gauge your comprehension of the course content. Writing a term paper isnt just about summarizing facts. It requires a combination of organization, deep research, and the art of presenting your findings in a way thats both clear and analytical. This means structuring your arguments logically, citing relevant sources, and critically evaluating the information youve gathered. When grading a term paper, there are three important aspects to consider. First, the paper should be passionately written and captivating to read. Second, it should have good grammar and style (following MLA, APA, or CMS style).
