Space Battles which Altered Past

It was the time 23, and the globe was on the brink of war. The USA and PRC, the pair of superpowers, were locked in a fierce contest, contending for resources, influence, and control. They had created sophisticated armaments, including laser weapons, drones, and orbiters, that can strike any location, anytime. They had clandestinely built orbital stations, which can fire nuclear missiles, that can annihilate the planet. They were both prepared to utilize these weapons, if at all required. But they were the sole ones. There existed a 3rd power, a concealed power, that had been monitoring them, waiting patiently for them, preparing for them both. They were the ETs, and they had arrived to halt them both. They had come to save the globe, or to finish it all. They had come to begin the space wars which altered

history.
