It had been the year 2023, and the globe stood at the verge of war. The USA and Peoples Republic of China, the two global powers, had been locked in a ferocious competition, contending for supplies, influence, and dominance. They had both developed sophisticated armaments, including laser weapons, unmanned aerial vehicles, and orbiters, that could attack anywhere, anytime. They had covertly established orbital stations, that could deploy atomic weapons, that could obliterate the world. They were prepared to utilize these weapons, if at all needed. But they were not alone. There existed a third force, a concealed force, that had observing them, waiting patiently for them both, getting ready for them. They were ETs, and they had arrived to stop them both. They had arrived to protect the earth, or to end it all. They had come arrived to start the galactic wars which changed history.
