Selected Letters of Rebecca West Rebecca West 2000-02-09 From the time that George Bernard Shaw remarked that "Rebecca West could handle a pen as brilliantly as ever I could and much more savagely," West's writings and her politics have elicited strong reactions. This collection of her letters—the first ever published—has been culled from the estimated ten thousand she wrote during her long life. The more than two hundred selected letters follow this spirited author, critic, and journalist from her first feminist campaign for women's suffrage when she was a teenager through her reassessments of the twentieth century written in 1982, in her ninetieth year. The letters, which are presented in full, include correspondence with West's famous lover H. G. Wells and with Shaw, Virginia Woolf, Emma Goldman, Noel Coward, and many others; offer pronouncements on such contemporary authors as Norman Mailer, Nadine Gordimer, and Arthur Schlesinger, Jr.; and provide new insights into her battles against misogyny, fascism, and communism. West deliberately fashions her own biography through this intensely personal correspondence, challenging rival accounts of her groundbreaking professional career, her frustrating love life, and her tormented family relations. Engrossing to read, the collection sheds new light on this important figure and her social and literary milieu.

The Young Rebecca Rebecca West 2011-03-01 A collection of Rebecca West's early journalistic writings reveals her clarity of mind, severity of wit, and relevancy in today's modern world In this collection of early writings, beginning when Rebecca West was just eighteen years old, Jane Marcus sheds light on one of the foremost feminist and political thinkers of our time. West's essays, reviews, and public correspondence tackle many subjects, including politics, suffrage, education, morality and ethics, the arts, and social figures of the day. Her writings offer a glimpse of the real Rebecca—not some stuffy suffragette, but a vibrant, funny, provocative, and brilliant woman whose determined pen strokes outwit her contemporaries and remain inspiring today. A feminist to the core, West parried with her readers, other writers, and a culture slow to accept change. This ebook features an illustrated biography of Rebecca West featuring rare photos and never-before-seen documents from the Department of Special Collections and University Archives, McFarlin Library, at the University of Tulsa.

The Meaning of Treason Rebecca West 2011-03-01 West's acclaimed examination of traitors, this gripping profile takes readers inside World War II spy rings and gets to the heart of what it means to betray one's country Throughout her career, Rebecca West dug into psyches, real and fictional, to try to understand the meaning of betrayal. In the aftermath of World War II, West was incensed when several wartime turncoats were tried with seeming indifference—and worse, sympathy—from the British public. In exploring these traitors' origins, crimes, and motivations, West exposes how class division, greed, and discrimination can taint loyalties and redraw the relationships between individuals and their fatherland. A fascinating book, *The Meaning of Treason* combines the intrigue of a spy novel with West's classic, careful dissection of man's moral struggles.

Heavenly Serbia Branimir Anzulovic 1999-03 Traces Serbia's nationalist and expansionist impulses to the legendary battle of Kosovo in 1389 As violence and turmoil continue to define the former Yugoslavia, basic questions remain unanswered: What are the forces behind the Serbian expansionist drive that has brought death and destruction to Croatia, Bosnia and Herzegovina, and Kosovo? How did the Serbs rationalize, and rally support for, this genocidal activity? Heavenly Serbia traces Serbia's nationalist and expansionist impulses to the legendary battle of Kosovo in 1389. Anzulovic shows how the myth of "Heavenly Serbia" developed to help the Serbs endure foreign domination, explaining their military defeat and the loss of their medieval state by emphasizing their own moral superiority over military victory. Heavenly Serbia shows how this myth resulted in an aggressive nationalist ideology which has triumphed in the late twentieth century and marginalized those Serbs who strive for the establishment of a civil society. The War in Eastern Europe John Reed 1916 The author writes about his experience during World War I, and the human beings he encountered in the countries of Eastern Europe from April to October, 1915.

Black Lamb and Grey Falcon, Etc. [Illustrated.] Rebecca West 1967

Black Lamb and Grey Falcon Rebecca West 2010-12-21 Hailed as among the most important books of the twentieth century, Rebecca West's magnum opus is a history, a travelogue, and a sociological study of Yugoslavia that examines how the past shapes the present In a breathtakingly wide-ranging journalistic work, West richly chronicles her travels throughout Yugoslavia in the 1930s, introducing vivid characters

and illuminating details. More than a travelogue, *Black Lamb and Grey Falcon* connects the people and places West encounters to the long history of conflict that has formed national identities in the Balkans across a millennium of shifting alliances. West writes, "I had come to Yugoslavia because I knew that the past has made the present, and I wanted to see how the process works." As profound, sad, and funny as when it was first published in 1941, *Black Lamb and Grey Falcon* interrogates the forces that continue to shape our modern world.

The Dead Ladies Project Jessa Crispin 2015-09-22 When Jessa Crispin was thirty, she left Chicago and took off for Berlin. Half a decade later, she's still on the road, in search not so much of a home as of understanding. Fascinated by exile, Crispin travels an itinerary of of places that have drawn writers who needed to break free from their origins and start afresh. She reflects on Maud Gonne fomenting revolution, on Nora Barnacl, Rebecca West, Margaret Anderson and Jean Rhys.

The Broken Road Patrick Leigh Fermor 2014-03-04 Patrick Leigh Fermor recounts the last leg of his epic walk across Europe as he makes his way through Bulgaria, Romania, and finally Greece. In the winter of 1933, eighteen-year-old Patrick ("Paddy") Leigh Fermor set out on a walk across Europe, starting in Holland and ending in Constantinople, a trip that took him almost a year. Decades later, Leigh Fermor told the story of that life-changing journey in *A Time of Gifts* and *Between the Woods and the Water*, two books now celebrated as among the most vivid, absorbing, and beautifully written travel books of all time. *The Broken Road* is the long-awaited account of the final leg of his youthful adventure that Leigh Fermor promised but was unable to finish before his death in 2011. Assembled from Leigh Fermor's manuscripts by his prizewinning biographer Artemis Cooper and the travel writer Colin Thubron, this is perhaps the most personal of all Leigh Fermor's books, catching up with young Paddy in the fall of 1934 and following him through Bulgaria and Romania to the coast of the Black Sea. Days and nights on the road, spectacular landscapes and uncanny cities, friendships lost and found, leading the high life in Bucharest or camping out with fishermen and shepherds—in *The Broken Road* such incidents and escapades are described with all the linguistic bravura, odd and astonishing learning, and overflowing exuberance that Leigh Fermor is famous for, but also with a melancholy awareness of the passage of time, especially when he meditates on the scarred history of the Balkans or on his troubled relations with his father. The book ends, perfectly, with Paddy's arrival in Greece, the country he would fall in love with and fight for. Throughout it we can still hear the ringing voice of an irrepressible young man embarking on a life of adventure.

Black Lamb and Grey Falcon Rebecca West 2007-01-30 "Rebecca West's magnum opus . . . one of the great books of our time." —The New Yorker Written on the brink of World War II, Rebecca West's classic examination of the history, people, and politics of Yugoslavia illuminates a region that is still a focus of international concern. A magnificent blend of travel journal, cultural commentary, and historical insight, *Black Lamb and Grey Falcon* probes the troubled history of the Balkans and the uneasy relationships among its ethnic groups. The landscape and the people of Yugoslavia are brilliantly observed as West untangles the tensions that rule the country's history as well as its daily life. The Return of the Soldier Rebecca West 2016-03-17 What If the Last 15 Years of Your Life Were Erased from Your Memory? "Embraces do not matter; they merely indicate the will to love and may as well be followed by defeat as victory. But disregard means that now there needs to be no straining of the eyes, no stretching forth of the hands, no pressing of the lips, because theirs is such a union that they are no longer aware of the division of their flesh." - Rebecca West, *The Return of the Soldier* Having fought in World War One, 35-year-old Chris Baldry finally returns home. Believing he's 20 years old, he is shocked when he finds out the he actually has a wife and that his childhood sweetheart is already married with another man. Survivors in Mexico Rebecca West 2011-03-01 A travelogue and historical exploration of Mexico from one of the twentieth century's greatest travel writers Dame Rebecca West travels through Mexico and explores its people, history, religion, and culture in her unfinished work *Survivors in Mexico*, carefully stitched together by Bernard Schweizer in this posthumously published edition. Conceived as a companion to West's masterful classic *Black Lamb and Grey Falcon*, this book showcases the complexity of West's character, addresses the paradoxes inherent in her work, and allows for a mature understanding of her ideology. THE BIRDS FALL DOWN REBECCA WEST 1966

Little Lord Fauntleroy Frances Hodgson Burnett 2008-07-10

The Fountain Overflows Rebecca West 1956 The lives of the talented Aubrey children have long been clouded by their father's genius for instability, but his new job in the London suburbs promises, for a time at least, reprieve from scandal and the threat of ruin. Mrs. Aubrey, a former concert pianist, struggles to keep the family afloat, but then she is something of a high-strung eccentric herself, as is all too clear to her daughter Rose, through whose loving but sometimes cruel eyes events are seen. Still, living on the edge holds the promise of the unexpected, and the Aubreys, who encounter furious poltergeists, turn up hidden masterpieces, and come to the aid of a murderess, will find that they have adventure to spare. In *The Fountain Overflows*... Rebecca West transmuted her own volatile childhood into enduring art. This is an unvarnished but affectionate picture of an extraordinary family, in which a remarkable stylist and powerful intelligence surveys the elusive boundaries of childhood and adulthood, freedom and dependency, the ordinary and the occult. --Amazon.com.

Balkan Ghosts Robert D. Kaplan 2014-04-01 From the assassination that triggered World War I to the ethnic warfare in Serbia, Bosnia, and Croatia, the Balkans have been the crucible of the twentieth century, the place where terrorism and genocide first became tools of policy. Chosen as one of the Best Books of the Year by *The New York Times*, and greeted with critical acclaim as "the most insightful and timely work on the Balkans to date" (*The Boston Globe*), Kaplan's prescient, enthralling, and often chilling political travelogue is already a modern classic. This new edition of *Balkan Ghosts* includes six opinion pieces written by Robert Kaplan about the Balkans between 1996 and 2000 beginning just after the implementation of the Dayton Peace Accords and ending after the conclusion of the Kosovo war, with the removal of Slobodan Milosevic from power.

Black Lamb and Grey Falcon Vol. 2 Rebecca West 1942

A Country of Ghosts Margaret Killjoy 2021-11-23 Dimos Horacki is a Borolian journalist and a cynical patriot, his muckraking days behind him. But when his newspaper ships him to the front, he's embedded in the Imperial Army and the reality of colonial expansion is laid bare before him. His adventures take him from villages and homesteads to the great refugee city of Hronople, built of glass, steel, and stone, all while a war rages around him. The empire fights for coal and iron, but the anarchists of Hron fight for their way of life. *A Country of Ghosts* is a novel of utopia besieged and a tale that challenges every premise of contemporary society.

The Fountain Overflows Rebecca West 2010-12-21 A talented, eccentric London family tries to find their place in the world in this semiautobiographical novel by a *New York Times*-bestselling author. Papa Aubrey's wife and twin daughters, Mary and Rose, are piano prodigies, his young son Richard Quin is a lively boy, and his eldest daughter Cordelia is a beautiful and driven young woman with musical aspirations. But the talented and eccentric Aubrey family rarely enjoys a moment of harmony, as its members struggle to overcome the effects of their patriarch's spendthrift ways. Now they must move so that their father, a noted journalist, can find stable employment. Throughout, it is the Aubreys' hope that art will save them from the cacophony of a life sliding toward poverty. In this eloquent and winning portrait, West's compelling characters must uncover their true talent for kindness in order to thrive in the world that exists outside of their life as a family.

The Saga of the Century Trilogy Rebecca West 2012-09-11 Three novels in one volume following the artistic and eccentric Aubrey family in the years surrounding the Great War. In *The Fountain Overflows*, Papa Aubrey's wife and twin daughters, Mary and Rose, are piano prodigies, his young son, Richard Quin, is a lively boy, and his eldest daughter, Cordelia, is a beautiful and driven young woman with musical aspirations. But the talented and eccentric Aubrey family rarely enjoys a moment of harmony, as its members struggle to overcome the effects of their patriarch's spendthrift ways. Now they must move so that their father can find stable employment. Despite the daunting odds, the Aubreys hope that art will save them from the cacophony of a life sliding toward poverty. In *The Real Night*, a talented musician and her kin ponder what being young women on their own will entail. Abandoned by their feckless father, Rose and her family must move beyond their comfortable drawing room to discover a world of kind patrons, music teachers, and concert hall acclaim, but also domestic strife, anti-Semitism, and social pressure to marry. Set before World War I, Rebecca West's intimate, eloquent family portrait brings to life a time when women recognized their own voices and the joys of living off one's own talents. In *Cousin Rosamund*, Mary and Rose Aubrey have found success as accomplished pianists in the years after the war. But despite their travels and material rewards, they remain apart from society. When their cherished cousin Rosamund surprises them by marrying a man they feel is beneath her, the sisters must reconsider what love means to them and how they can find a sense of spiritual wellbeing on their own, without the guidance of their family. "Very few writers have managed to be more knowledgeable and profound in their thinking," said the *Los Angeles Times* about Rebecca West, and the *Saga of the Century* is a collection of three absorbing novels inspired partly by her own life.

The Wars of Yesterday Katrin Boeckh 2018-01-31 Though persistently overshadowed by the Great War in historical memory, the two Balkan conflicts of 1912-1913 were among the most consequential of the early twentieth century. By pitting the states of Greece, Bulgaria, Serbia, and Montenegro against a diminished Ottoman Empire—and subsequently against one another—they anticipated many of the horrors of twentieth-century warfare even as they produced the tense regional politics that helped spark World War I. Bringing together an international group of scholars, this volume applies the social and cultural insights of the "new military history" to revisit this critical episode with a central focus on the experiences of both combatants and civilians during wartime.

One Morning In Sarajevo David James Smith 2010-12-23 Sarajevo, 28 June 1914: The story of the assassination that changed the world. A historical account of the assassination of Archduke Franz Ferdinand. Using newly available sources and older material, David James Smith brilliantly reinvestigates and reconstructs the events which subsequently determined the shape of the twentieth century. Young Gavriilo Princip arrived at the Vljajnic pastry shop in Sarajevo in Bosnia-Herzegovina on the morning of 28 June 1914. He was greeted by his fellow conspirators in the plot to kill Archduke Franz Ferdinand. The Archduke, next in line to succeed as Emperor of Austria, was beginning a state visit to Sarajevo later that morning. Ferdinand was not a very popular character - widely thought of as bad-tempered and arrogant and perhaps even deranged. To the young students he embodied everything they loathed about imperial oppression. They planned to kill him at about 11 o'clock as he paraded down Appel Quay to the town hall in his open top car. What happened in those few hours - leading as it did to the First and Second World Wars - is as compelling as any thriller.

A Midsummer-night's Dream William Shakespeare 1874

Black Lamb and Grey Falcon Dame Rebecca West 1945

The Loved and Envied Enid Bagnold 1951 At fifty-three Lady Ruby Maclean had not lost her beauty for which she had been loved by many men and envied by her colorless daughter Miranda, her friend Cora and her women relatives. Through flash-backs, the life of each character is related. A curious detachment presents a depressing picture of people whose fruitful years are over and who face old age with varying degrees of hopelessness.

The United States and the Challenge of Public Diplomacy J. Snyder 2013-10-24 Through personal experience and a lively narrative, this book examines the difficulty of communicating in adversarial environments like Iraq and Afghanistan, the complexity of multi-linguistic communications, and the importance of directing American cultural power in the national interest.

A Train of Powder Rebecca West 2010-12-21 A *New York Times* bestseller, this riveting account of the Nuremberg trials by a legendary journalist is simply "astounding" (Francine Prose). Sent to cover the war crimes trials at Nuremberg for the *New Yorker*, Rebecca West brought along her inimitable skills for understanding a place and its people. In these accomplished articles, West captures the world that sprung up to process the Nazi leaders; from the city's war-torn structures to the courtroom security measures, no detail is left out. West's unparalleled grasp on human motivations and character offers particular insight into the judges, prosecutors, and of course the defendants themselves. This remarkable narrative captures the social and political ramifications of a world recovering from the divisions of war. As engaging as it is informative, this collection represents West's finest hour as a reporter.

Only the Nails Remain Christopher Merrill 2001-10-23 Chronicles Merrill's ten war-time journeys to the Balkans from the years 1992 through 1996. At once a travelogue, a book of war reportage, and a biography of the imagination under siege, this personal narrative takes the reader along on the author's journeys to all of the provinces and republics of the former Yugoslavia--Bosnia-Herzegovina, Croatia, Kosovo, Macedonia, Montenegro, Serbia, Slovenia, and Vojvodina--as well as to Albania, Austria, Bulgaria, Greece, Hungary, Italy, and Turkey. Merrill's journeys provide the narrative structure for an exploration of the roles and responsibility of intellectuals caught up in a decisive historical moment, many of whom either helped to incite the war or else bore eloquent witness to its carnage. He offers a literary meditation on war, a portrait of the poetry, politics and the people of the Balkans that will provide insight into the past, present, and future of those war-torn lands. --Adapted from publisher description.

Otherwise Known as the Human Condition Geoff Dyer 2011-03-29 *Winner of the National Book Critics Circle Award in Criticism* *A *New York Times* Book Review Editors' Choice* *A *New York Times* Top 10 Nonfiction Book of the Year, as selected by Dwight Garner* Geoff Dyer has earned the devotion of passionate fans on both sides of the Atlantic through his wildly inventive, romantic novels as well as several brilliant, uncategorizable works of nonfiction. All the while he has been writing some of the wittiest, most incisive criticism we have on an astonishing array of subjects—music, literature, photography, and travel journalism—that, in Dyer's expert hands, becomes a kind of irresistible self-reportage. *Otherwise Known as the Human Condition* collects twenty-five years of essays, reviews, and misadventures. Here he is pursuing the shadow of Camus in Algeria and remembering life on the dole in Brixton in the 1980s; reflecting on Richard Avedon and Ruth Orkin, on the status of jazz and the wonderous Nusrat Fateh Ali Khan, on the sculptor ZadKine and the saxophonist David Murray (in the same essay), on his heroes Rebecca West and Ryszard Kapus'cin'ski, on haute couture and sex in hotels. Whatever he writes about, his responses never fail to surprise. For Dyer there is no division between the reflective work of the critic and the novelist's commitment to lived experience: they are mutually illuminating ways to sharpen our perceptions. His is the rare body of work that manages to both frame our world and enlarge it.
