The Girl from Venice Martin Cruz Smith 2016-10-18 Cenzo is a world-weary fisherman, determined to sit out the rest of the war. He's happy to stay out of the way of the SS, quietly going about his business of fishing in the lagoons of northern Italy. Then one night, instead of pulling in his usual haul, Cenzo fishes a young woman out of the canal. Guilia is an Italian Jew who has managed to escape capture and is determined to find her family. This meeting results in them both taking an entirely unexpected journey, and Cenzo suddenly finds himself thrown headlong into the world of international wartime politics, where everyone has their own agenda and nowhere is safe ... Havana Bay Martin Cruz Smith 2000 The body, what was left of it, was drifting in Havana Bay the morning Arkady arrived from Moscow. The Cubans insisted that the body was his friend Pribluda, but Arkady wasn't so sure. The Communist world has shrunk to Cuba. Havana is a city of empty stones and talking drums, Karl Marx and sharp machetes - not welcoming place if you're a Russian, particularly if you're a Russian investigating the death of another Russian. But Arkady is used to being unpopular. He's even used to losing friends. Havana Bay is the fourth novel to feature Arkady Renko. The previous three, Gorky Park, Polar Star, and Red Square are also available in Pan. 'If there's more intoxicating and intriguing setting for a thriller than Moscow, Smith has found it in Havana. Sheer class', Mirror 'I hope a copy of this top-notch thriller reaches Castro as he rises up to the mobsters currently at his gate', Independent 'As in Gorky Park, Cruz Smith is outstanding on background. The feel of Havana is sensuously rendered', Sunday Times

Silesian Station David Downing 2008-05-01 Praise for David Downing: “[Downing]’s excellent at building suspense . . . and shows a keen eye for describing people and places.”—Sacramento Bee “An extraordinary evocation of Nazi Germany on the eve of war, the smell of cruelty seeping through the clean modern surface.”—C. J. Sansom, author of *Sovereign Summer*, 1939. British journalist John Russell has just been granted American citizenship in exchange for agreeing to work for American intelligence when his girlfriend Effi is arrested by the Gestapo. Russell hoped his new nationality would let him safely stay in Berlin with Effi and his son, but now he’s being blackmailed. To free Effi, he must agree to work for the Nazis. They know he has Soviet connections and want him to pass them false intelligence. Russell consents, but secretly offers his services to the Soviets instead—not for anything too dangerous, though, and only if they’ll sneak him and Effi out of Germany if necessary. It’s a good plan, but soon things become complicated. A Jewish girl has vanished, and Russell feels compelled to search for her. A woman from his past, a communist, reappears, insisting he help her reconnect with the Soviets, who turn out to demand more than Russell hoped. Meanwhile, Europe lurches toward war, and he must follow the latest stories—to places where American espionage assignments await him. David Downing is the author of numerous works of fiction and nonfiction for adults and children, including *Zoo Station*, the first novel featuring John Russell. He lives in Guildford, England. From the Hardcover edition.

Gorky Park Martin Cruz Smith 2018-02-13 The Arkady Renko book that started it all: the #1 bestseller Gorky Park, an espionage classic that begins the series, by Martin Cruz Smith, “the master of the international thriller” (The New York Times). It begins with a triple murder in a Moscow amusement center: three corpses found frozen in the snow, faces and fingers missing. Chief homicide investigator Arkady Renko is brilliant, sensitive, honest, and cynical about everything except his profession. To identify the victims and uncover the truth, he must battle the KGB, FBI, and the New York City police as he pursues a rich, ruthless, and well-connected American fur dealer. Meanwhile, Renko is falling in love with a beautiful, headstrong dissident for whom he may risk everything. A wonderfully textured, vivid look behind the Iron Curtain, Gorky Park is a tense, atmospheric, and memorable crime story. “Once one gets going, one doesn’t want to stop..The action is gritty, the plot complicated, and the overriding quality is intelligence” (The Washington Post). The Metal Heart Caroline Lea 2021-06-08 “The story of true innocents caught up in the machinery of war. Exquisitely researched, beautifully told, this tiny corner of Scotland came alive for me in all of my senses and I found myself rooting for the central characters with all my heart.” —Mary Beth Keane, author of *Ask Again, Yes* In the dark days of World War II, an unlikely romance blossoms between a Scottish woman and an Italian prisoner of war in this haunting novel with the emotional complexity of *The Boat Runner* and *All the Light We Cannot See*—a powerful and atmospheric story of love, jealousy, and conscience that illuminates the beauty of the human spirit from the author of *The Glass Woman*. In the wake of the Allies’ victory in North Africa, 1,000 Italian soldiers have been sent to a remote island off the Scottish coast to wait out the war. Their arrival has divided the island’s community. Nerves frayed from three years of war and the constant threat of invasion, many locals fear the enemy prisoners and do not want them there. Where their neighbors see bloodthirsty enemies, however, orphaned sisters Dorothy and Constance see sick and wounded men unused to the freezing cold of an Orkney winter, and volunteer to nurse them. While doing so Dorothy finds herself immediately drawn to Cesare, a young man broken by the horrors of battle. But as the war drags on, tensions between the islanders and the outsiders deepen, and Dorothy’s connection to Cesare threatens the bond she shares with Constance. Since the loss of their parents, the sisters have relied on each other. Now, their loyalty will be tested, each forced to weigh duty against desire . . . until, one fateful evening, a choice must be made, one that that will have devastating consequences.

Havana Bay Martin Cruz Smith 2012-02-01 When the corpse of a Russian is hauled from the oily waters of Havana Bay, Arkady Renko comes to Cuba to identify the body. Looking for the killer, he discovers a city of faded loneliness, unexpected danger, and bewildering contradictions. His investigation introduces him to a beautiful Cuban policewoman; to the rituals of Santeria; to an American fugitive and a group of ruthless mercenaries. In this place where all things Russian are despised, where Hemingway fished and the KGB flourished, where the hint of music is always in the air, Arkady finds a trail of deceit that reaches halfway around the world—and a reason to relish his own life again.

Seaworthy Linda Greenlaw 2010-06-01 The bestselling author's sequel to *The Hungry Ocean*--a fast-paced account of her return to swordfishing Linda Greenlaw hadn't been bluewater fishing for ten years- not since the events chronicled in the books *The Perfect Storm* and *The Hungry Ocean*-but when her lobster traps aren't paying off, her truck is on its last gasp, and the bills are piling up, she decides to take a friend up on his offer and captain a boat for a season of swordfishing. A decade older, and with family responsibilities, she's a different person heading out to sea, but any reluctance is quickly tempered by the magnetic lure of adventure. And the adventures begin almost immediately: The ship turns out to be rusty and ancient, and even with a crew of four Greenlaw is faced with technical challenges. There are the expected complexities of longline fishing and the nuances of reading the weather. Her greatest challenge, however, comes when the boat's lines inadvertently drift into Canadian waters and Greenlaw is thrown in jail. Capturing the moment-by-moment details of her journey, Greenlaw tells a story about human nature and the nature around us, about learning what can be controlled and when to let fate step in. *Seaworthy* is a compelling narrative about a person setting her own terms and finding her true self between land and water.

Nightwing Martin Cruz Smith 2019-06-25 From Martin Cruz Smith, the internationally bestselling author of *Gorky Park*, comes a reissue of *Nightwing*, the million-copy bestseller that Stephen King called “one of the best horror novels in the last twenty years.” As darkness gathers, the sky is filled with frantic motion and maddening murmurs. In an effort to end the world, an unhappy, aging Native American shaman invokes the Hopi god of death. Those around him remain skeptical, dismissing him as crazy old man. Then they discover his mutilated, bloody body and soon other similarly disfigured bodies begin to appear. Horses, sheep, cattle--no living thing is safe. But what

is causing the horrible deaths? Deputy Sheriff Duran is called back to the reservation to investigate. Immediately, Duran recognizes the significance of the shaman's spell and, with the help of two scientists, he works to combat the supernatural scourge—before there's nothing left to save. Written "in the tradition of Stephen King" (Kirkus Reviews), Nightwing is part love triangle, part Native American case study, part supernatural thriller...and "genuinely horrifying" (The Washington Post Book World).

Martin Cruz Smith Ebook Boxed Set Martin Cruz Smith 2011-05-03 Stalin's Ghost Investigator Arkady Renko, the pariah of the Moscow prosecutor's office, has been assigned the thankless job of investigating a new phenomenon: late-night subway riders report seeing the ghost of Joseph Stalin. The illusion seems part political hocus-pocus and also part wishful thinking, for among many Russians Stalin is again popular; the bloody dictator can boast a two-to-one approval rating. Decidedly better than that of Renko, whose lover, Eva, has left him for Detective Nikolai Isakov, a charismatic veteran of the civil war in Chechnya, a hero of the far right and, Renko suspects, a killer for hire. The cases entwine, and Renko's quests become a personal inquiry fueled by jealousy. Wolves Eat Dogs The death of one of Russia's new billionaires leads Arkady Renko to Chernobyl and the Zone of Exclusion—closed to the world since 1986's nuclear disaster. It is still aglow with radioactivity, now inhabited only by the militia, shady scavengers, a few reckless scientists, and some elderly peasants who refuse to relocate. Renko's journey to this ghostly netherworld, the crimes he uncovers there, and the secrets they reveal about the New Russia make for an unforgettable adventure. Three Stations In Three Stations, Renko's skills are put to their most severe test. Though he has been technically suspended from the prosecutor's office for once again turning up unpleasant truths, he strives to solve a last case: the death of an elegant young woman whose body is found in a construction trailer on the perimeter of Moscow's main rail hub. It looks like a simple drug overdose to everyone—except to Renko, whose examination of the crime scene turns up some inexplicable clues, most notably an invitation to Russia's premier charity ball. Thus a sordid death becomes interwoven with the lifestyles of Moscow's rich and famous, many of whom are clinging to their cash in the face of Putin's crackdown on the very oligarchs who placed him in power.

Marathon Man William Goldman 2013-01-08 A Nazi conspiracy in the heart of modern-day Manhattan—the blockbuster New York Times bestseller that became the classic film thriller. At Columbia University, Thomas “Babe” Levy, a postgrad history student and aspiring marathon runner, is working to clear his late father’s name after the scandal of his suicide, triggered by the McCarthy hearings and accusations of Communist affiliations. In Paraguay, Dr. Christian Szell, former Nazi dentist and protégé of Josef Mengele, has been in exile for decades. Infamous as the “White Angel of Auschwitz,” he’s leaving his South American sanctuary to smuggle a fortune in gems out of New York City. Meanwhile, in London’s Kensington Gardens, an international assassin known only as Scylla has completed a hit. A man with too many secrets and twice as many enemies, Scylla has become a target himself, with only one place left to turn. Then, when Babe’s revered older brother, Doc, pays him a fateful and unexpected visit, it sets in motion a chain of events plunging Babe into a paranoid nightmare of family betrayal, international conspiracy, and the dark crimes of history. Now, the marathon man is running for his life, and closer to answering a single cryptic and terrifying question: “Is it safe?” William Goldman’s Marathon Man was adapted by the author for the award-winning 1976 film starring Dustin Hoffman and Laurence Olivier. Upon its publication, the Washington Post called it “one of the best novels of the year,” and it remains a powerful, horrifying read. In the words of #1 New York Times–bestselling author Harlan Coben: “I found myself racing through it. You could have put a gun to my head, and I wouldn’t have been able to put [Marathon Man] down.” This ebook features a biography of William Goldman.
