Necessary People Anna Pitoniak
 2019-05-21 A propulsive, "chilling" novel exploring the dangerous fault lines of female friendships (Lee Child), *Necessary People* deftly plumbs the limits of ambition, loyalty, and love. One of them has it all. One of them wants it all. But they can't both win. Stella and Violet are best friends, and

from the moment they met in college, they knew their roles. Beautiful, privileged, and reckless Stella lives in the spotlight. Hardworking, laser-focused Violet stays behind the scenes, always ready to clean up the mess that Stella inevitably leaves in her wake. After graduation, Violet moves to New York and lands a job in cable news, where she works

her way up from intern to assistant to producer, and to a life where she's finally free from Stella's shadow. In this fast-paced world, Violet thrives, and her ambitions grow -- but everything is jeopardized when Stella, envious of Violet's new life, uses her connections, beauty, and charisma to get hired at the same network. Stella soon moves in front of the camera, becoming the public face of the stories that Violet has worked tirelessly to produce -- and taking all the credit. Stella might be the one with the rich family and the right friends, but Violet isn't giving up so easily. As she and Stella strive for success, each reveals just how far she'll go to get what she wants -- even if it means destroying the other person along the way. "I literally couldn't stop reading." - Stephen King "I love a book that is smart as hell and impossible to put down and this is IT." -- Jessica Knoll Named one of the Best Books of May by Marie Claire, Town & Country, Refinery29, Cosmopolitan,

to Illustration explores the definition of illustration through cognition and research and its impact on culture. It explores illustration's boundaries and its archetypal distinction, the inflected forms of its parameters, its professional, contextual, educational and creative applications. This unique reference volume offers insights into the expanding global intellectual conversation on illustration through a compendium of readings by an international roster of scholars, academics and practitioners of illustration and visual communication. Encompassing a wide range of thematic dialogues, the Companion offers twenty-five chapters of original theses, examining the character and making of imagery, illustration education and research, and contemporary and post-contemporary context and practice. Topics including conceptual strategies for the contemporary illustrator, the epistemic potential of active imagination in science,

The Journals of Sylvia Plath

Sylvia Plath 2013-01-16 Sylvia Plath began keeping a diary as a young child. By [The Time.com](http://www.the-time.com)

[vla.ramtech.uri.edu](http://www.vla.ramtech.uri.edu) on October 3, 2023 by Suny h

Ferguson

was at Smith College, when this book begins, she had settled into a nearly daily routine with her journal, which was also a sourcebook for her writing. Plath once called her journal her "Sargasso," her repository of imagination, "a litany of dreams, directives, and imperatives," and in fact these pages contain the germs of most of her work. Plath's ambitions as a writer were urgent and ultimately all-consuming, requiring of her a heat, a fantastic chaos, even a violence that burned straight through her. The intensity of this struggle is rendered in her journal with an unsparing clarity, revealing both the frequent desperation of her situation and the bravery with which she faced down her demons. Written in electrifying prose, *The Journals of Sylvia Plath* provide unique insight, and are essential reading for all those who have been moved and fascinated by Plath's life and work.

Duty and Desire Pamela Aidan 2006-10-03 ³There was little danger of encountering the Bennet sisters ever again.² Jane Austen's classic novel *Pride and Prejudice* is beloved by millions, but little is revealed in the book about the mysterious and handsome hero, Mr. Darcy. And so the question has long remained: Who is Fitzwilliam Darcy? Pamela Aidan's trilogy finally answers that long-standing question, creating a rich parallel story that follows Darcy as he meets and falls in love with Elizabeth Bennet. *Duty and Desire*, the second book in the trilogy, covers the "silent time" of Austen's novel, revealing Darcy's private struggle to overcome his attraction to Elizabeth while fulfilling his roles as landlord, master, brother, and friend. When Darcy pays a visit to an old classmate in Oxford in an attempt to shake Elizabeth

husband-hunting society ladies and ne'er-do-well friends from his university days, all with designs on him -- some for good and some for ill. He and his sartorial genius of a valet, Fletcher, must match wits with them all, but especially with the curious Lady Sylvania. Irresistibly authentic and entertaining, *Duty and Desire* remains true to the spirit and events of *Pride and Prejudice* while incorporating fascinating new characters, and is sure to dazzle Austen fans and newcomers alike.

Edward's Menagerie: The New Collection Kerry Lord 2019-10-03 Enter a whole new world of 50 animal crochet patterns from bestselling author Kerry Lord. The Jungle Upton Sinclair
 2010-08-19 A searing novel of social realism, Upton Sinclair's *The Jungle* follows the fortunes of Jurgis and his family, immigrant workers who find in the stockyards of

of Jurgis and his family, immigrant workers who find in the stockyards of turn-of-the-century Chicago a ruthless system that degrades and impoverishes him, and an industry whose filthy practices contaminate the meat it processes. From the stench of the killing-beds to the horrors of the fertilizer-works, the appalling conditions in which Jurgis works are described in intense detail by an author bent on social reform. So powerful was the book's message that it caught the eye of President Theodore Roosevelt and led to changes to the food hygiene laws. In his Introduction to this new edition, Russ Castronovo highlights the aesthetic concerns that were central to Sinclair's aspirations, examining the relationship between history and historical fiction, and between the documentary impulse and literary narrative. As he examines the book's disputed status as novel (it is propaganda or literature?), he reveals why Sinclair's message-driven fiction has relevance to literary and historical matters today, now more than a hundred years after the novel's

Born to wander William Gordon Stables 1887
Exile and Pride Eli Clare
2015-07-15 First published in 1999, the groundbreaking *Exile and Pride* is essential to the history and future of disability politics. Eli Clare's revelatory writing about his experiences as a white disabled genderqueer activist/writer established him as one of the leading writers on the intersections of queerness and disability and permanently changed the landscape of disability politics and queer liberation. With a poet's devotion to truth and an activist's demand for justice, Clare deftly unspools the multiple histories from which our ever-evolving sense of self unfolds. His essays weave together memoir, history, and political thinking to explore meanings and experiences of home: home as place, community, bodies, identity, and activism. Here readers will find an intersectional framework for understanding how we actually live with the

How we actually live with the

upload Suny h Ferguson

daily hydraulics of oppression, power, and resistance. At the root of Clare's exploration of environmental destruction and capitalism, sexuality and institutional violence, gender and the body politic, is a call for social justice movements that are truly accessible to everyone. With heart and hammer, *Exile and Pride* pries open a window onto a world where our whole selves, in all their complexity, can be realized, loved, and embraced.

Confessions of an IT

Manager Phil Factor 2009 Phil Factor is a legend in his own runtime. Scurrilous, absurd, confessional and scathing by turns, *Confessions of an IT Manager* targets the idiocy, incompetence and overreach of the IT management industry from vantage point all the way up and down the greasy pole. Phil Factor (real name withheld to protest the guilty) has over 20 years experience in the IT industry, specializing in database-intensive applications. For withering insight into the human weaknesses and

abuse their partners and face only minimal consequences, this area of our culture is home to a vast swath of gender issues that apply to all of us—whether or not our work and leisure time revolve around what happens on the field. No one is better equipped to examine sports through this feminist lens than sports journalist Julie DiCaro.

Throughout her experiences covering professional sports for more than a decade, DiCaro has been outspoken about the exploitation of the female body, the covert and overt sexism women face in the workplace, and the male-driven toxicity in sports fandom. Now, through candid interviews, personal anecdotes, and deep research, she's tackling these thorny issues and exploring what America can do to give women a fair and competitive playing field in sports and beyond.

and treatment, and looking back at pioneering women who first took on the patriarchy in sports media, *Sidelined* will illuminate the ways sports present a microcosm of life as a woman in America—and the power in fighting back.

Metaphorical Ways of Knowing

Sharon L. Pugh 1997 This book explores the subject of metaphor, using the imagery of cartography to set a course. It explores the creative aspects of thinking and learning through literature, writing, and word play, drawing connections between English and other content areas. Theory and practical applications meet in the book, linking activities and resources to current classroom concerns--to multiculturalism, imagination in reading and writing, critical thinking, and expanding language experiences. The first part of the book examines the uses of metaphor in constructing meaning. The second part takes up issues related to multiple perspectives--using metaphors to experience other lives, and exploring cultures through

traditions. The third part of the book is devoted to a consideration of the history and current status of the English language and focuses on using cross-cultural stories in the English classroom, offering a number of resources for teaching multicultural literature in English. The fourth part examines the sensory experience of metaphors by seeing, hearing, tasting, smelling, and touching with the imagination. Contains 14 pages of references and an index.

Cogewea, the Half Blood

Mourning Dove 1981-01-01 One of the first known novels by a Native American woman, *Cogewea* (1927) is the story of a half-blood girl caught between the worlds of Anglo ranchers and full-blood reservation Indians; between the craven and false-hearted easterner Alfred Densmore and James LaGrinder, a half-blood cowboy and the best rider on the Flathead; between book learning and the folk wisdom of her full-blood grandmother. The book combines authentic Indian lore with the circumstance and dialogue of a popular romance; in its language, it shows a self-taught writer attempting to come to terms with the rift between formal written style and the comfort-able rhythms and slang of familiar speech.

Nine Letters on Landscape Painting

Carl Gustav Carus (1789-1869)--court physician to the king of Saxony--was a naturalist, amateur painter, and theoretician of landscape painting whose *Nine Letters on Landscape Painting* is an important document of early German romanticism and an

Eight Episodes for the Guide Poodle Made By Mommy Pdf Pdf Pdf upload Suny h Ferguson

integration of art and science. Carus was inspired by and had contacts with the greatest German intellectuals of his day. Carus prefaced his work with a letter from his correspondence with Johann Wolfgang von Goethe, who was his primary mentor in both science and art. His writings also reflect, however, the influence of the German natural philosopher Friedrich Wilhelm Joseph Schelling, especially Schelling's notion of a world soul, and the writings of the naturalist and explorer Alexander von Humboldt. Carus played a role in the revolution in landscape painting taking place in Saxony around Caspar David Friedrich. The first edition appears here in English for the first time.

Nomadland: Surviving America in the Twenty-First Century

Deleuze 2004-09-01 'A rare and remarkable book.' Times Literary Supplement Gilles Deleuze (1925-1995) was Professor of Philosophy at the University of Paris VIII. He is a key figure in poststructuralism, and one of the most influential philosophers of the twentieth century. Félix Guattari (1930-1992) was a psychoanalyst at the la Borde Clinic, as well as being a major social theorist and radical activist. A Thousand Plateaus is part of Deleuze and Guattari's

landmark philosophical project, Capitalism and Schizophrenia - a project that still sets the terms of contemporary philosophical debate. A Thousand Plateaus provides a compelling analysis of social phenomena and offers fresh alternatives for thinking about philosophy and culture. Its radical perspective provides a toolbox for 'nomadic thought' and has had a galvanizing influence on today's anti-capitalist movement. Translated by Brian Massumi>
