**The Origins of the Slavic Nations** Serhii Plokyh 2006-09-07 This book documents developments in the countries of eastern Europe, including the rise of authoritarian tendencies in Russia and Belarus, as well as the victory of the democratic 'Orange Revolution' in Ukraine, and poses important questions about the origins of the East Slavic nations and the essential similarities or differences between their cultures. It traces the origins of the modern Russian, Ukrainian and Belarusian nations by focusing on pre-modern forms of group identity among the Eastern Slavs. It also challenges attempts to 'nationalize' the Rus' past on behalf of existing national projects, laying the groundwork for understanding of the pre-modern history of Russia, Ukraine and Belarus. The book covers the period from the Christianization of Kyivan Rus' in the tenth century to the reign of Peter I and his eighteenth-century successors, by which time the idea of nationalism had begun to influence the thinking of East Slavic elites.

**Why are Artists Poor?** Hans Abbing 2002 An unconventional socio-economic analysis of the economic position of the arts and artists

**Racecraft** Barbara J. Fields 2022-02-01 A new edition of a celebrated contemporary work on race and racism Praised by a wide variety of people from Ta-Nehisi Coates to Zadie Smith, Racecraft “ought to be positioned,” as Bookforum put it, “at the center of any discussion of race in American life.” Most people assume racism grows from a perception of human difference: the fact of race gives rise to the practice of racism. Sociologist Karen E. Fields and historian Barbara J. Fields argue otherwise: the practice of racism produces the illusion of race, through what they call “racecraft.” And this phenomenon is intimately entwined with other forms of inequality in American life. So pervasive are the devices of racecraft in American history, economic doctrine, politics, and everyday thinking that the presence of racecraft itself goes unnoticed. That the promised post-racial age has not dawned, the authors argue, reflects the failure of Americans to develop a legitimate language for thinking about and discussing inequality. That failure should worry everyone who cares about democratic institutions.

**Kinfolk 34** Kinfolk 2019-12-10 Intimacy is what distinguishes those who are dear to us from those who are simply near. This issue of Kinfolk explores the balance between our contradictory cravings for both secure and stable relationships and the freedom to follow our hearts, our sexual desires, and our need to

be whole without the help of another. We take psychotherapist Esther Perel as our lodestar. It’s a role she’s played for the clients at her New York practice and for millions of others through her books and the podcast Where Should We Begin, which offers the chance to listen in on anonymous couples during therapy sessions. Perel’s approach has always been to challenge the fundamental contradictions in how we think about romantic intimacy: Is it really feasible to expect one person to fulfill our every need—for the rest of our life? In Issue Thirty-Four, we experience the thrill of people and places spilling their secrets. Amaryllis Fox—an ex-CIA spy who spent her 20s negotiating in some of the world’s most dangerous conflict zones—cracks open the mysteries of the Clandestine Service, and what they’ve taught her about peace. We also present the result of our own months-long international operation: To gain access to an art deco royal palace in Gujarat, India. As the nights close in, our contributors look beyond this world and into other more mysterious ones: They mull over the popularity of horoscopes and what to eat at funerals. Elsewhere, a photo essay by Gustav Almestål explores the solitary indulgence of comfort foods, so tied to our most intimate of spaces—our homes—and so appealing during break ups.

**I Know Why the Caged Bird Sings** Maya Angelou 2010-07-21 Here is a book as joyous and painful, as mysterious and memorable, as childhood itself. I Know Why the Caged Bird Sings captures the longing of lonely children, the brute insult of bigotry, and the wonder of words that can make the world right. Maya Angelou’s debut memoir is a modern American classic beloved worldwide. Sent by their mother to live with their devout, self-sufficient grandmother in a small Southern town, Maya and her brother, Bailey, endure the ache of abandonment and the prejudice of the local “powhitetrash.” At eight years old and back at her mother’s side in St. Louis, Maya is attacked by a man many times her age—and has to live with the consequences for a lifetime. Years later, in San Francisco, Maya learns that love for herself, the kindness of others, her own strong spirit, and the ideas of great authors (“I met and fell in love with William Shakespeare”) will allow her to be free instead of imprisoned. Poetic and powerful, I Know Why the Caged Bird Sings will touch hearts and change minds for as long as people read. “I Know Why the Caged Bird Sings liberates the reader into life simply because Maya Angelou confronts her own life with such a moving wonder, such a luminous dignity.”—James Baldwin From the Paperback edition.

**The Kinfolk Home** Nathan Williams 2015-10-20 New York Times bestseller When The Kinfolk Table was published in 2013, it transformed the way readers

across the globe thought about small gatherings. In this much-anticipated follow-up, Kinfolk founder Nathan Williams showcases how embracing that same ethos—of slowing down, simplifying your life, and cultivating community—allows you to create a more considered, beautiful, and intimate living space. The Kinfolk Home takes readers inside 35 homes around the world, from the United States, Scandinavia, Japan, and beyond. Some have constructed modern urban homes from blueprints, while others nurture their home’s long history. What all of these spaces have in common is that they’ve been put together carefully, slowly, and with great intention. Featuring inviting photographs and insightful profiles, interviews, and essays, each home tour is guaranteed to inspire.

**Kinfolk 35** Kinfolk 2020-03-10 There’s no way to predict when we’ll suddenly be confronted with a new pathway in life. For every positive gain attributed to the idea of change, such as self-improvement, bold adventuring or collective hope, there often follows the very human instinct to feel quite the opposite: fear, self-doubt and loss. The latest issue of Kinfolk explores how best to navigate the conflicting forces of change and stability.

*Diaspora and Transnationalism* Rainer Bauböck 2010 Diaspora & transnationalism are widely used concepts in academic & political discourses. Although originally referring to quite different phenomena, they increasingly overlap today. Such inflation of meanings goes hand in hand with a danger of essentialising collective identities. This book analyses this topic.

**A History of Appalachia** Richard B. Drake 2003-09-01 Richard Drake has skillfully woven together the various strands of the Appalachian experience into a sweeping whole. Touching upon folk traditions, health care, the environment, higher education, the role of blacks and women, and much more, Drake offers a compelling social history of a unique American region. The Appalachian region, extending from Alabama in the South up to the Allegheny highlands of Pennsylvania, has historically been characterized by its largely rural populations, rich natural resources that have fueled industry in other parts of the country, and the strong and wild, undeveloped land. The rugged geography of the region allowed Native American societies, especially the Cherokee, to flourish. Early white settlers tended to favor a self-sufficient approach to farming, contrary to the land grabbing and plantation building going on elsewhere in the South. The growth of a market economy and competition from other agricultural areas of the country sparked an economic decline of the region's rural population at least as early as 1830. The Civil War and the sometimes hostile legislation of Reconstruction made life even more difficult for rural Appalachians. Recent history of the region is marked by the corporate exploitation of resources. Regional oil, gas, and coal had attracted some industry even before the Civil War, but the postwar years saw an immense expansion of American industry, nearly all of which relied heavily on Appalachian fossil fuels, particularly coal. What was initially a boon to the region eventually brought financial disaster to many mountain people as unsafe working conditions and strip mining ravaged the land and its inhabitants. A History of Appalachia also examines pockets of urbanization in Appalachia. Chemical, textile, and other industries have encouraged the development of urban areas. At the same time, radio, television, and the internet provide residents direct links to cultures from all over the world. The author looks at the process of urbanization as it belies commonly held notions about the region's rural character.

*The American Yawp* Joseph L. Locke 2019-01-22 "I too am not a bit tamed—I too am untranslatable / I sound my barbaric yawp over the roofs of the world."—Walt Whitman, "Song of Myself," Leaves of Grass The American Yawp is a free, online, collaboratively built American history textbook. Over 300 historians joined together to create the book they wanted for their own students—an accessible, synthetic narrative that reflects the best of recent historical scholarship and provides a jumping-off point for discussions in the U.S. history classroom and beyond. Long before Whitman and long after, Americans have sung something collectively amid the deafening roar of their many individual voices. The Yawp highlights the dynamism and conflict inherent in the history of the United States, while also looking for the common threads that help us make sense of the past. Without losing sight of politics and power, The American Yawp incorporates transnational perspectives, integrates diverse voices, recovers narratives of resistance, and explores the complex process of cultural creation. It looks for America in crowded slave cabins, bustling markets, congested tenements, and marbled halls. It navigates between maternity wards, prisons, streets, bars, and boardrooms. The fully peer-reviewed edition of The American Yawp will be available in two print volumes designed for the U.S. history survey. Volume I begins with the indigenous people who called the Americas home before chronicling the collision of Native Americans, Europeans, and Africans.The American Yawp traces the development of colonial society in the context of the larger Atlantic World and investigates the origins and ruptures of slavery, the American Revolution, and the new nation's development and rebirth through the Civil War and Reconstruction. Rather than asserting a fixed narrative of American progress, The American Yawp gives students a starting point for asking their own questions about how the past informs the problems and opportunities that we confront today.

*The Touch* Kinfolk 2019-09 The Touch is a new collaboration between Nathan Williams of Kinfolk and Jonas Bjerre-Poulsen of Norm Architects that welcome readers into over 25 inspiring spaces where interior design is not only visually appealing but engages all of the human senses. Through beautiful homes, hotels, museums, and retail stores—from contemporary designs by Ilse Crawford and Bijoy Jain to classic cases by Arne Jacobsen--readers are invited to explore how experiencing elements such as light, nature, materiality, color, and community can deliberately bring us back to our senses and imbue every day with a richer quality. In addition to stunning photography and interviews with design industry leaders as John Pawson and David Thulstrup, the book also details philosophical and art history references that reflect the tradition of design and color theory. For a deeper understanding of the concepts explored, The Touch includes an appendix which profiles architects such as Lina Bo Bardi and Richard Neutra. Heritage design pieces that helped influence this movement are also listed in the book. The Touch--Spaces Designed for the Senses by Kinfolk & Norm Architects. Published by gestalten.

**Kinfolk Notecards - The Hygge Edition** 2015-11-03 This biannual notecard collection is a practical extension of Kinfolk’s focus on cultivating community and nurturing friendships. Each edition of twelve notecards and envelopes showcases some of the most popular work from the talented international photographers featured in the magazine. In the same way that Kinfolk magazine explores a theme within each issue, each notecard edition conveys a new concept through a fresh set of photographs. The second in the collection—The Hygge Edition—explores the Danish concept of hygge, which seeks to create a sense of belonging and comfort in the everyday. Packaged in a minimalist art board box, each edition will include twelve A2 folding cards with blank interiors, full-color cover photography and twelve blank envelopes. Kinfolk is a slow lifestyle publication by Oour studio that explores ways for readers to slow down, simplify their lives, cultivate community and spend more time with their friends and family. Founded in 2011, Kinfolk is now the leading independent lifestyle magazine for young creative professionals. Published biannually, Kinfolk’s notecard collection represents the work of their talented community of photographers throughout the USA, Canada, France, Japan and more.

**Planet of Slums** Mike Davis 2007-09-17 Celebrated urban theorist Davis provides a global overview of the diverse religious, ethnic, and political movements competing for the souls of the new urban poor.

*Ar-raheeq Al-makhtum* Şafî al-Rahmân Mubârakfûrî 2015

**Ella Baker and the Black Freedom Movement** Barbara Ransby 2003 A stirring new portrait of one of the most important black leaders of the twentieth century introduces readers to the fiery woman who inspired generations of activists. (Social Science)

*Kinfolks* Gurney Norman 1986

*Hiroshima* John Hersey 2020-06-23 Hiroshima is the story of six people—a clerk, a widowed seamstress, a physician, a Methodist minister, a young surgeon, and a German Catholic priest—who lived through the greatest single manmade disaster in history. In vivid and indelible prose, Pulitzer Prize–winner John Hersey traces the stories of these half-dozen individuals from 8:15 a.m. on August 6, 1945, when Hiroshima was destroyed by the first atomic bomb ever dropped on a city, through the hours and days that followed. Almost four decades after the original publication of this celebrated book, Hersey went back to Hiroshima in search of the people whose stories he had told, and his account of what he discovered is now the eloquent and moving final chapter of Hiroshima.

**The Kinfolk Entrepreneur** Nathan Williams 2017-10-17 From the author of the widely popular Kinfolk Table and Kinfolk Home, this inspiring compilation offers a window into the rituals, wisdom, and motivations of 35 creative entrepreneurs from around the world.

**Kinfolk Volume 24** Various 2017-06-06 Issue Twenty-Four The summer issue of Kinfolk examines an essential element of modern life: the relationship. Whether romantic or platonic, new or life-long, hot, cold or ambivalent, each has carefully formed subtleties and undercurrents to unpack. In this issue, we examine the moral complexities behind telling lies, explore the reassurance inherent in non-verbal communication and meet a diverse and inspiring cross-section of lovers, siblings and families, uncovering what it really means to be in a relationship. Publishing June 6th, 2017 Issue Twenty-Four The summer issue of Kinfolk examines an essential element of modern life: the relationship. Whether romantic or platonic, new or life-long, hot, cold or ambivalent, each has

carefully formed subtleties and undercurrents to unpack. In this issue, we examine the moral complexities behind telling lies, explore the reassurance inherent in non-verbal communication and meet a diverse and inspiring cross-section of lovers, siblings and families, uncovering what it really means to be in a relationship. Publishing June 6th, 2017

*Human Centered Design* 2011 The HCD Toolkit was designed specifically for NGOs and social enterprises that work with impoverished communities in Africa, Asia, and Latin America.

*Slow Journalism* Megan Le Masurier 2020-04-02 Slow Journalism has emerged in recent years to enact a critique of the limitations and dangers of the speed of much mainstream contemporary journalistic practice. There have been types of journalism produced and consumed slowly for centuries, of course. What is new is the context of hyper-acceleration and over-production of journalism, where quality has suffered, ethics are compromised and user attention has eroded. Many have been asking if there is another way to practice journalism. The emergence of Slow Journalism suggests that there is. Many international scholars and practitioners have been thinking critically about the problems wrought by speed, and are utilising the concept of "slow" to describe a new way of thinking about and producing journalism. This edited collection offers theoretical perspectives and case studies on the practice of slow journalism around the globe. Slow Journalism is a new practice for new times. This book was originally published as two special issues of Journalism Practice and Digital Journalism.

*Birthright Citizens* Martha S. Jones 2018-06-28 Explains the origins of the Fourteenth Amendment's birthright citizenship provision, as a story of black Americans' pre-Civil War claims to belonging.

**The Kinfolk Table** Nathan Williams 2013-10-15 Kinfolk magazine—launched to great acclaim and instant buzz in 2011—is a quarterly journal about understated, unfussy entertaining. The journal has captured the imagination of readers nationwide, with content and an aesthetic that reflect a desire to go back to simpler times; to take a break from our busy lives; to build a community around a shared sensibility; and to foster the endless and energizing magic that results from sharing a meal with good friends. Now there’s The Kinfolk Table, a cookbook from the creators of the magazine, with profiles of 45 tastemakers who are cooking and entertaining in a way that is beautiful, uncomplicated, and inexpensive. Each of these home cooks—artisans, bloggers, chefs, writers, bakers, crafters—has provided one to three of the recipes they most love to share with others, whether they be simple breakfasts for two, one-pot dinners for six, or a perfectly composed sandwich for a solo picnic.

**Signs** Thomas Albert Sebeok 2001-01-01 In this regard, semiotics is of relevance to a wide spectrum of scholars and professionals, including social scientists, psychologists, artists, graphic designers, and students of literature."

*How to Get Filthy Rich in Rising Asia* Mohsin Hamid 2013-03-05 "Mr. Hamid reaffirms his place as one of his generation's most inventive and gifted writers."

-Michiko Kakutani, The New York Times "A globalized version of The Great Gatsby . . . [Hamid's] book is nearly that good." -Alan Cheuse, NPR "Marvelous and moving." -TIME Magazine From the internationally bestselling author of The Reluctant Fundamentalist and Exit West, the boldly imagined tale of a poor boy’s quest for wealth and love His first two novels established Mohsin Hamid as a radically inventive storyteller with his finger on the world’s pulse. How to Get Filthy Rich in Rising Asia meets that reputation—and exceeds it. The astonishing and riveting tale of a man’s journey from impoverished rural boy to corporate tycoon, it steals its shape from the business self-help books devoured by ambitious youths all over “rising Asia.” It follows its nameless hero to the sprawling metropolis where he begins to amass an empire built on that most fluid, and increasingly scarce, of goods: water. Yet his heart remains set on something else, on the pretty girl whose star rises along with his, their paths crossing and recrossing, a lifelong affair sparked and snuffed and sparked again by the forces that careen their fates along. How to Get Filthy Rich in Rising Asia is a striking slice of contemporary life at a time of crushing upheaval. Romantic without being sentimental, political without being didactic, and spiritual without being religious, it brings an unflinching gaze to the violence and hope it depicts. And it creates two unforgettable characters who find moments of transcendent intimacy in the midst of shattering change.

*Kinfolks* Gurney Norman 1977

*The Dobe Ju/'Hoansi* Lee 2012-02-01 This classic, bestselling study of the !Kung San, foragers of the Dobe area of the Kalahari Desert describes a people's reactions to the forces of modernization, detailing relatively recent changes to !Kung rituals, beliefs, social structure, marriage and kinship system. It documents their determination to take hold of their own destiny, despite exploitation of their habitat and relentless development to assert their political rights and revitalize their communities. Use of the name Ju/'hoansi (meaning real people) acknowledges their new sense of empowerment. Since the publication of the Third Edition in 2003, Richard Lee has made eight further trips to the Kalahari, the most recent in 2010 and 2011. The Dobe and Nyae Nyae Areas have continued to transform and the people have had to respond and adapt to the pressures of capitalist economics and bureaucratic governance of the Namibian and Botswana states. This Fourth Edition chronicles and bears witness to these evolving social conditions and their impacts on lives of the Ju/'hoansi. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.

**Love in the Time of Cholera (Illustrated Edition)** Gabriel García Márquez 2020-10-27 A beautifully packaged edition of one of García Márquez's most beloved novels, with never-before-seen color illustrations by the Chilean artist Luisa Rivera and an interior design created by the author's son, Gonzalo García Barcha. In their youth, Florentino Ariza and Fermina Daza fall passionately in love. When Fermina eventually chooses to marry a wealthy, well-born doctor, Florentino is devastated, but he is a romantic. As he rises in his business career he whiles away the years in 622 affairs—yet he reserves his heart for Fermina. Her husband dies at last, and Florentino purposefully attends the funeral. Fifty years, nine months, and four days after he first declared his love for Fermina, he will do so again.

*How to Read a Folktale* Lee Haring 2013-10-24 How to Read a Folktale offers the first English translation of Ibonia, a spellbinding tale of old Madagascar. Ibonia is a folktale on epic scale. Much of its plot sounds familiar: a powerful royal hero attempts to rescue his betrothed from an evil adversary and, after a series of tests and duels, he and his lover are joyfully united with a marriage that affirms the royal lineage. These fairytale elements link Ibonia with European folktales, but the tale is still very much a product of Madagascar. It contains African-style praise poetry for the hero; it presents Indonesian-style riddles and poems; and it inflates the form of folktale into epic proportions. Recorded when the Malagasy people were experiencing European contact for the first time, Ibonia proclaims the power of the ancestors against the foreigner. Through Ibonia, Lee Haring expertly helps readers to understand the very nature of folktales. His definitive translation, originally published in 1994, has now been fully revised to emphasize its poetic qualities, while his new introduction and detailed notes give insight into the fascinating imagination and symbols of the Malagasy. Haring’s research connects this exotic narrative with fundamental questions not only of anthropology but also of literary criticism.

*Strategy* Bob de Wit 2014-06-03 In this book, the fundamental differences of opinion within strategic management are not ignored or smoothed over. The authors carefully guide the students through the many, often conflicting, perspectives in the field of strategy, in order to help them become true strategic thinkers.

**The Nuosu Book of Origins** 2019 Genealogy of sky = Momu cy -- Genealogy of earth = Mudde cy -- Transformation of sky and earth = Momu zzyqo cy -- Genealogy of lightning = Murzyr cy -- Separation of sky and earth = Muvu mudie po -- Great bimo = Awo shubu -- Genealogy of spirit monkey = Anyu ddussy cy -- Zhyge alu = Zhyge alu -- Shooting down suns and moons = Gge nbie hle nbie -- Calling out single sun and single moon = Gge di hle di gu -- Twelve branches of snow = Vonre sse cinyi -- Genealogy of Shyly Wote = Shyly wote ssy -- Ozzu (Tibetan) lineages = Ozzu cy -- Ozzu Tibetan) migrations = Ozzu muche -- Hxiemga (Han) people's lineage = Hxiemga cy -- Hxiemga (Han) people's migrations = Hxiemga muche -- Foreigner's lineage = Yiery cy -- Migrations of foreigners = Yiery muche -- Nuosu lineages = Nuosu cy -- Emperor vomu and ni and vi genealogies = Vomu ni vi cy -- Genealogy of Ahuo = Ahuo cy -- Migration of ahuo = Ahuo muche -- Genealogy of Nzy clan = Nzyzzur pu -- Highpoints of migrations of the Ggu Ho = Gguho cy bo -- Migrations of Qonie = Qonie cy bo -- Changes in Hxuo villages = Hxuoqo hxeqo -- Genealogy of Gguho = Gguho cy -- Migrations of nine sons of Gguho Durzhy Ddi = Kurdie Gguho Durzhy Ddi Wo Sse Ggu cy -- Genealogy of Qoni = Qoni cy.

*The Eye* Nathan Williams 2018-10-30 They’re often behind the scenes, letting their work take center stage. But now Nathan Williams, founder and creative director of Kinfolk magazine and author of The Kinfolk Table, The Kinfolk Home, and The Kinfolk Entrepreneur—with over 250,000 copies in print combined—brings more than 90 of the most iconic and influential creative directors into the spotlight. In The Eye, we meet fashion designers like Claire Waight Keller and Thom Browne. Editorial directors like Fabien Baron and Marie-Amélie Sauvé. Tastemakers like Grace Coddington and Linda Rodin. We learn about the books they read, the mentors who guided them, their individual techniques for achieving success. We learn how they developed their eye—and how

they've used it to communicate visual ideas that have captured generations and will shape the future. As an entrepreneur whose own work is defined by its specific and instantly recognizable aesthetic, Nathan Williams has a unique vision of contemporary culture that will make this an invaluable book for art directors, designers, photographers, stylists, and any creative professionals seeking inspiration and advice.

**Kindling 01** Kinfolk Kinfolk 2021-06-08 A new magazine for people with children, from the team behind Kinfolk. Kindling is a place to explore the new ideas and fresh perspectives that come with being a parent. It's non-judgmental, unfussy and made to be enjoyed by anyone currently raising a child under the age of ten. We're interested in exploring the big ideas around parenthood, not what your child should be having for dinner or wearing at the weekend. Compact and colorful, the magazine is designed to be kept and treasured—whether on a coffee table or a child's bookshelf. Inside The Emotions Issue, you'll find an interview with the professor of psychology who advised on Pixar's Inside Out, a workbook geared towards helping your child talk about their feelings, and a photo essay in which fruits and vegetables bring common idioms to life. Just ask yourself: What would it really look like to be "cool as a cucumber"? Kindling is also packed with features and columns that answer questions including: What's it like to spend four years traveling with your parents? What can the Gruffalo teach us about fatherhood? And how should you answer a child if they blindside you with a tough question like "Why do people die"? Designed to be read by adults but shared with children, Kindling is brought to life through the playful drawings of Norwegian illustrator Espen Friberg, and contains an activity section packed with suggestions for fun, free and (occasionally) educational games that parents and children can enjoy together.

**The Lost Book of Enki** Zecharia Sitchin 2004-08-16 The companion volume to The Earth Chronicles series that reveals the identity of mankind's ancient gods • Explains why these "gods" from Nibiru, the Anunnaki, genetically engineered Homo sapiens, gave Earthlings civilization, and promised to return • 30,000 sold in hardcover Zecharia Sitchin's bestselling series The Earth Chronicles provided humanity's side of the story concerning our origins at the hands of the Anunnaki, "those who from heaven to earth came." In The Lost Book of Enki we now view this saga from the perspective of Lord Enki, an Anunnaki leader revered in antiquity as a god, who tells the story of these extraterrestrials' arrival on Earth from the planet Nibiru. In his previous works Sitchin compiled the complete story of the Anunnaki's impact on human civilization from fragments scattered throughout Sumerian, Akkadian, Babylonian, Assyrian, Hittite, Egyptian, Canaanite, and Hebrew sources. Missing from these accounts, however, was the perspective of the Anunnaki themselves. What was life like on their own planet? What motives propelled them to settle on Earth--and what drove them from their new home? Convinced of the existence of a lost book that held the answers to these questions, the author began his search for evidence. Through exhaustive research of primary sources, he has here re-created tales as the memoirs of Enki, the leader of these first "astronauts." What takes shape is the story of a world of mounting tensions, deep rivalries, and sophisticated scientific knowledge that is only today being confirmed. An epic tale of gods and men unfolds, challenging every assumption we hold about our past and our future.

**The Journey to the West, Revised Edition, Volume 3** Cheng'en Wu 2012-12-17 The story of Xuanzang, the monk who went from China to India in quest of

Buddhist scriptures.

**Kindling 02** Kinfolk 2021-12-07 Kindling is the new magazine for people with children from the team who make Kinfolk. Packed with thought-provoking features, fun activities and playful photography and illustrations, it's a place to explore the fresh perspectives that come with raising a child. For the Body Issue, we've teamed up with Wow in the World to answer children's most curious questions about their bodies, from "What is a vaccine?" to "Why do my teeth fall out?" We also hear from the Swedish social worker who successfully campaigned for the "snippa"—a neutral word to replace the many euphemisms used for female genitals, and report on the important role of parents and caregivers in making children feel good about their bodies. Kindling is made to be read by adults and shared with children. In our fashion shoots, we're making DIY hi-vis outfits and customizing crutches, wheelchairs and casts. PRAISE FOR KINDLING "A fresh approach to parenthood and a genuinely exciting new launch."—MagCulture "Clever design and insightful articles... Having fun while making a magazine."—Monocle "Graphic shapes, quirky illustrations, and the superb photography that Kinfolk is famous for."—Print Mag "Kindling is a reminder that childrearing can be treated as a lens through which people can view the rest of their lives rather than the defining characteristic."—Eye on Design

**Imperial Hubris** Michael Scheuer 2004 An anonymous member of the U.S. intelligence community argues that Islamists are not against democracy, but specific U.S. policies viewed as threatening to their lands and religion allow al Qaeda to continue to gain support.

**Kinfolk Travel** John Burns 2021-11-16 Explore the art of mindful travel with Kinfolk, the pioneers in "slow living," their philosophy of simplicity, authenticity, intentionality and community. With nearly 450,000 copies in print, the Kinfolk series has applied this philosophy to entertaining (The Kinfolk Table), interior design (The Kinfolk Home), and living with nature (The Kinfolk Garden). Now they have turned their attention to "slow travel," offering readers a road map for planning trips that foster meaningful connections with local people and authentic experiences of local culture. Go museum hopping in Tasmania, or birdwatching in London. Explore the burgeoning fashion community in Dakar. Take a bicycle tour through Idaho, or a train trip from Oslo to Bergen. Drawing on the magazine's global community of writers and photographers, Kinfolk Travel takes readers to over 20 location across five continents, with travel tips from locals, stunning images, and thoughtful essays.

**Sweetness and Power** Sidney W. Mintz 1986-08-05 A fascinating persuasive history of how sugar has shaped the world, from European colonies to our modern diets In this eye-opening study, Sidney Mintz shows how Europeans and Americans transformed sugar from a rare foreign luxury to a commonplace necessity of modern life, and how it changed the history of capitalism and industry. He discusses the production and consumption of sugar, and reveals how closely interwoven are sugar's origins as a "slave" crop grown in Europe's tropical colonies with its use first as an extravagant luxury for the aristocracy, then as a staple of the diet of the new industrial proletariat. Finally, he considers how sugar has altered work patterns, eating habits, and our diet in modern times.

"Like sugar, Mintz is persuasive, and his detailed history is a real treat." -San Francisco Chronicle

**Our Book of Finleys and Their Kinfolk Families** Leslie McLaughlin 1990
