Religious Responses to Sex Work and Sex Trafficking Lauren McGrow 2022-08-01 This book examines the history, theological beliefs and current contextual practices of faith-based NGOs who work in the area of human trafficking that involves the sex industry. There are hundreds of religious organizations around the globe who minister with human trafficking survivors and sex workers, but what is really happening on the ground and how do theological beliefs support a faith-based response? Many of these groups represent their work as a cosmic battle against evil forces, yet important structural critiques are ignored in the urgency to rescue women and children. Using perspectives from both NGO staff and sex workers, an interdisciplinary panel of contributors examine specific organizations, highlight marginalized voices, and analyze undergirding methodologies. In doing so, the authors provide clear critiques and establish best practice guidelines for faith-based NGOs and future religious leaders, affirming an intersection of justice based upon critical reflection and careful action. This book addresses with nuance an important topic that is often over-simplified. It will, therefore, be of great interest to scholars studying the interaction of religion to sex work and human trafficking, as well as academics of religious studies and theology more generally.

Shaping Your Destiny Itoro Abasiene 2013-12 The book is about how one can utilize the forces of the covenant to fulfill ones destiny. Destiny begins with a dream, vision or purpose. You are created in the image of God, and because God gives dreams you can develop dreams. Whether you call dream for your life "vision, goal or purpose", it does not really matter. You start laying hold of your destiny by dreaming. There are different kinds of dreams. There are dreams given sovereignly by God, such as the one Joseph had. There are also dreams that you have to develop yourself. Your dreams will determine your future and your ultimate destiny. Dreams are the seeds of your future. Where you are today is the result of the dreams you had in the past and where you will be tomorrow is determined by your dream today. "Delight thyself in the Lord: and he shall give thee the desires of thine heart." Psalm 37:4 When the Lord is your delight, He will give you the dreams of your heart. A dream is a divine revelation of the plan and purpose of God for your Life. When you commit your dreams unto God. He will bring it to pass. What dream do you have? Is it a dream of helping people? What about a dream of becoming a missionary in other countries of the world. What about a dream of having a prosperous business that you can travel around and sharing the gospel with people. God wants to give you the desire of your heart, but you have to develop those desires. A desire of the heart is real and life changing. It will influence and help other people. You need to have a dream in order to succeed in life. Without dream you are bound for failure. God wants you to have a positive dream, a positive life and a successful career or ministry. Your dream must be from the word of God. Joseph's destiny was shaped by his dream. I believe your own destiny is being shaped right now as you are getting ready to dream.

God@Work Rich Marshall 2011-07-28 ...He has made us kings and priests... (Revelations 1:6 NKJV) God is showing up in places we have never imagined. We thought He was just for Sunday church or mid-week study. But God is showing up in small businesses and on construction sites, in schools and in politics. He is in factories and at check-out counters, at nurses' stations and the stock exchange. God is showing up everywhere outside of where we expect Him to be. So what does it mean? We serve a God who is not acting like we thought He should act. This book is an awesome tool of discovery to learn not only what God wants, but how we can cooperate with His plan for the nations, not just the Church. Discover how He want you to step into a realm of ministry and fulfillment you have never dreamed possible. Learn how your work is the powerful dynamic of God's purposes for your life. This book is the beginning of new possibilities for those who are willing to see that God is bigger than they thought He was.

Face to Face Meetings With Jesus Christ 3 (PDF) Felix Wantang 2014-08-15 We all live in a world where virtually every spiritual struggle is practically beyond our control. While some of us will die instantly without the opportunity to

consciously sense death beforehand, others on the other hand will have the opportunity to know well in advance that death is around the corner. Regardless of which group you eventually find yourself, the truth is that every life on earth will one day without notice suddenly come to an end followed by a swift judgment with no excuses whatsoever. Do you know your final destination? When the disciples asked Jesus about the End of the Age, he said to them, "No one knows about that day or hour, not even the angels in heaven, nor the Son, but only the Father." Matthew 24:36. But in this book and for the first time in human history, Jesus discloses a unique breathtaking code in the Language of Heaven that reveals the only clue to the End of the Age. God's spiritual principle of life for humanity on earth is, "All about Him" because He wants us to make Him the priority of our lives. But on judgment day, when you appear before Jesus Christ, that will all change because God's spiritual principle of life for humanity will become, "All about you". You either have Jesus Christ to enter God's Paradise in Heaven or you don't. What makes your life a supernatural success is where you effectively go from this world; not where you came from or what you did on earth at the expense of salvation. No eyes have ever seen, no ears have ever heard, and no human mind can fathom what God is about to unleash on earth through the second coming of His son. This book will give you all the supernatural Biblical spiritual details you need to prepare yourself for what the Bible described as "The Final Hour." The time is at hand; Jesus loves you. This book is Volume 3 of "Face to Face Meetings with Jesus Christ". Apart from him, we can do nothing.

Face to Face Meetings With Jesus Christ 2 (PDF) Felix Wantang 2014-08-15 One common attribute we all share as humans is the fact that whenever there is an important future event, we always make necessary preparations in anticipation of an outcome from the event. We do this with childbirth, graduation from school, marriage, vacation, and death. But when it comes to the second visit of Jesus Christ leading to the End of the Age, we seem to care less about the need for some serious preparations. Before death, we will all come to a point in life when we subconsciously without notice start to briefly analyze our path; where we came from, where we are, and where we honestly think we are going after death. After this unprecedented brief moment, our next step is largely determined by the analysis obtained from the pause. That you accepted Jesus Christ as the son of God is not enough to save you from hell; you must repent and live by God's law to enter His Paradise in Heaven. Anybody can believe in Jesus Christ; but not everybody can live for Jesus Christ. God made you for a specific unique supernatural divine purpose beyond your imaginable dreams. This book will guide you, restore you, energize you, and move you to that place where you seriously start to prepare to have your salvation completely sealed through him as you successfully live to please God through Jesus Christ. This book is a sequel to "Face to Face Meetings with Jesus Christ".

From Dream to Destiny Robert Morris 2011-03-06 Do Your Dreams Seem Out of Reach? If you have a dream, then you have a destiny. In his inspiring new book, From Dream to Destiny, Robert Morris prompts you to ask yourself, How do I travel from the dream to the destiny--and what happens on the way? Each of us is given a dream by God--it's the notion that sets our hearts racing by the mere thought of it. Unfortunately, most people never see their dream come to pass, so they never fulfill the destiny that God has in store for them. Robert Morris tells readers exactly how to make their dream into the reality for which they long. Using the example of Joseph in the Old Testament, Pastor Robert shows how God gave Joseph a dream and then promptly took him through 10 character-building tests that lasted 13 years. These tests assessed Joseph's strengths and weaknesses—from pride to purity--and they are the same tests that each of us must pass before God lets us realize our dream. Find out what the tests are and if you are passing or failing them, and get ready to begin fulfilling the destiny that God has in store for you.
