Somewhere to Lay My Head Lilian Peake
1977

The Sun on My Head Geovani Martins
2019-06-11 A bestselling literary sensation in Brazil, a powerful debut short-story collection about favela life in Rio de Janeiro. In *The Sun on My Head*, Geovani Martins recounts the experiences of boys growing up in the favelas of Rio de Janeiro in the early years of the twenty-first century. Drawing on his childhood and adolescence, Martins uses the rhythms and slang of his neighborhood dialect to capture the texture of life in the slums, where every day is shadowed by a ubiquitous drug culture, the constant threat of the police, and the confines of poverty, violence, and racial oppression. And yet these are also stories of friendship, romance, and momentary relief, as in “Rolézim,” where a group of teenagers head to the beach. Other stories, all uncompromising in their realism and yet diverse in narrative form, explore the changes that occur when militarized police occupy the favelas in the lead-up to the World Cup, the cycles of violence in the narcotics trade, and the feelings of invisibility that define the realities of so many in Rio’s underclass. *The Sun on My Head* is a work of great talent and sensitivity, a daring evocation of life in the favelas by a rising star rooted in the community he portrays.

The Voice in My Head Dana L. Davis

2019-05-28 She can feel sorry for herself. Or she can listen...to the voice in her head. For Indigo Phillips, life has always been about basking in the shadow of her identical twin, Violet—the perfectly dressed, gentle, popular sister. The only problem the girls had in their lives was the occasional chaos that came with being part of the Phillips family brood. But when Violet becomes terminally ill and plans to die on her own terms via medically assisted death, Indigo spirals into desperation in her efforts to cope. That’s when she begins to hear a mysterious voice—a voice claiming to be God. The Voice insists that if she takes Violet to a remote rock formation in the Arizona desert, her sister will live. Incredibly, Violet agrees to go—if their dysfunctional family tags along for the ride. With all nine members stuffed into a wonky old paratransit bus, including their controlling older sister and distant mother, Indigo must find a way to face insecurities she’s spent a lifetime masking and step up to lead the trip. As she deals with outrageous mishaps, strange lodgings and even stranger folks along the way, Indigo will figure out how to come to terms with her sister, her family...and the voice in her head.

A Roof Over My Head, Second Edition Jean Calterone Williams 2016-10-07 Based upon extensive ethnographic data, "A Roof Over My Head" examines the lives of homeless women who cope with domestic violence, low-income housing shortages, and poverty. The author draws upon interviews with homeless women, interviews with housed people, and, finally, evaluations of shelter services, philosophies, and policies to get at the causes and social constructions of homelessness. "A Roof Over My Head" is a groundbreaking study that unveils the centrality of abuse and poverty in homeless women's lives and outlines ways in which societal responses can and should be more effective. The second edition explores recent attempts to integrate homeless and battered women's shelters and recent research on domestic violence as a cause of homelessness. It contains a new introduction that analyzes the most recent homeless policy developments and paints a picture of the homeless population today. With updated statistics and policy information throughout, the second edition of "A Roof Over My Head" illustrates why ending homelessness in the United States continues to present a thorny and complex challenge.

The Outsiders S. E. Hinton 2012-05-15 50 years of an iconic classic! This international bestseller and inspiration for a beloved movie is a heroic story of friendship and belonging. Cover may vary. No one ever said life was easy. But Ponyboy is pretty sure that he's got things figured out. He knows that he can count on his brothers, Darry and Sodapop. And he knows that he can count on his friends—true friends who would do anything for him, like Johnny and Two-Bit. But not on much else besides trouble with the Socs, a vicious gang of rich kids whose idea of a good time is beating up on "greasers" like Ponyboy. At least he knows what to expect—until the night someone takes things too far. *The Outsiders* is a dramatic and enduring work of fiction that laid the groundwork for the YA genre. S. E. Hinton's classic story of a boy who finds himself on the outskirts of regular society

remains as powerful today as it was the day it was first published. "The Outsiders transformed young-adult fiction from a genre mostly about prom queens, football players and high school crushes to one that portrayed a darker, truer world." —The New York Times "Taut with tension, filled with drama." —The Chicago Tribune "[A] classic coming-of-age book." —Philadelphia Daily News A New York Herald Tribune Best Teenage Book A Chicago Tribune Book World Spring Book Festival Honor Book An ALA Best Book for Young Adults Winner of the Massachusetts Children's Book Award **In Good Hands** Bonne Parish 2015-06-01 Carrie Anne Mossier is content. A passionate and skilled chef, her love of cooking and making people happy merge beautifully in her successful En Bonne Catering company. She's grateful for the chance to lose herself within her cooking, as she is privately nursing both a broken heart and the resultant wounded pride, thanks to an experiment in love that went horribly, painfully wrong. She once thought she had found the man of her dreams in real-estate mogul Darius Steele, a man who was known for getting what he wants. Back then, he made no secret of his intentions with Carrie. Soon, the beautiful and sexy lovers were off on a romantic adventure overseas. After months of traveling, the unthinkable happened, and Carrie Anne was abandoned in a foreign country at a time of great need. It was a hard lesson, but one she needed to learn. Now living a quiet life in Northern California, she's finding her rhythms and strength once again. When she sees Darius across the room at one of her catering events, every wound in her soul is instantly reopened—but so is the irresistible attraction she once felt for him. She has changed, but he is back to his old tricks. He will stop at nothing to get her back in his arms again. What will happen when passion and danger force her to place her love and trust back in his capable hands again?

It's All in Your Head Russ 2019-11-12
An inspirational book by self-made musical superstar, Russ, reminding you that it starts with YOU, to believe in yourself, and to get out of your own way. Twenty-six-year-old rapper, songwriter, and producer Russ walks his own path, at his own pace. By doing so, he proved that he didn't need a major label to surpass over a billion streams on Spotify/Apple Music, get on Forbes' 2019 "30 Under 30," make the Forbes' "30 Under 30 Cash Kings" at number 20 for most earned, sell out arenas across the U.S. and around the globe, and become one of the most popular and engaged rappers right now. His method was simple: love and believe in yourself absolutely and work hard no matter what. In this memoir, Russ inspires readers to walk to their individual rhythms and beat their biggest obstacles: themselves. With chapters named after his most powerful and popular songs, *It's All in Your Head* will reflect on the lessons he's learned from his career, family, and relationships. He'll push readers to bet on themselves, take those leaps of faith, and recognize struggles as opportunities. With illustrations throughout consistent with the brand Russ has built and his fan base loves, *It's All in Your Head* will give readers an inside-look at the man and the motivation behind the music. A lover of books like *The Alchemist* and *The Seven Spiritual Laws of Success*, Russ delivers a short, potent, inspirational, raw, and honest book that gives readers a way to find self-belief and

unlock their potential. Fans already rely on Russ as an inspiration of confidence; now, he is taking it to the next level with this book, which will contain lyrics from his music and visuals that reflect his inimitable style. Russ utilizes his relentless passion and supreme confidence in his own talents to manifest his dreams and has been doing that since well before he was ever famous. In his first book, Russ gives readers the tools to do the same whether they want to succeed in music, in romance, or simply in life. In the vein of mega bestsellers like *Unf*ck Yourself* and *The Subtle Art of Not Giving a F*ck*, Russ's memoir levels with his readers: there are no shortcuts to success. [Get Out of My Head](#) Meredith Arthur 2020-05-12
Calm your thoughts, navigate your stress, and understand your anxiety with this compact illustrated guide for overthinkers everywhere. Are you an overthinker? You're not alone! In a world full of deadlines, and technology, and constant stress, anxiety sometimes feels inevitable. But what if you learned to ride the wave of anxiety, instead of getting lost in it? *Get Out of My Head* is here to help, providing guidance and inspiration for anxious overthinkers of all sorts. This compact, illustrated book offers soothing techniques for understanding anxiety and moving through the traps of overthinking. Aimed at a modern audience looking for support and community, this beautifully illustrated guide offers a joyful, manageable way to deal with anxiety and quiet stressful thoughts through easy exercises, bite-sized takeaways, and calming visuals. Written by Meredith Arthur, founder of the popular mental health platform Beautiful Voyager, and illustrated by Leah Rosenberg, this charming alternative to technical mental health guides walks readers through the process of building awareness around anxiety, identifying triggers, moving through blocks, building healthy boundaries, and developing an arsenal of tools for thriving. With actionable tips throughout, and a special section on dealing with end-of-year anxieties, this striking volume also includes a small, saddle-stitched secondary book --

meant to act like a weighted blanket in book form for help on the go -- in a concealed internal pocket.

The Cosmos in My Head: Poems and Aphorisms Ani Shahverdyan 2018-10-16 The Cosmos in My Head is a collection of poems and aphorisms written by Ani Shahverdyan. This is the second book of the author. It consists of several chapters which bring to light the unique approach of the author toward life. The metaphoric comparisons and the skin-penetrating art of words take the reader to the world where fears born, then reaching the light, evaporate freeing up a place for strength, harmony and love.

Just Above My Head James Baldwin 2000-06-13 James Baldwin's final novel is "the work of a born storyteller at the height of his powers" (The New York Times Book Review). "Not everything is lost. Responsibility cannot be lost, it can only be abdicated. If one refuses abdication, one begins again." The stark grief of a brother mourning a brother opens this stunning, unforgettable novel. Here, in a monumental saga of love and rage, James Baldwin goes back to Harlem, to the church of his groundbreaking novel *Go Tell It on the Mountain*, to the forbidden passion of Giovanni's Room, and to the political fire that enflames his nonfiction work. Here, too, the story of gospel singer Arthur Hall and his family becomes both a journey into another country of the soul and senses—and a living contemporary history of black struggle in this land.

Inside Out & Back Again Thanhha Lai 2013-03-01 Moving to America turns H&A's life inside out. For all the 10 years of her life, H&A has only known Saigon: the thrills of its markets, the joy of its traditions, the warmth of her friends close by, and the beauty of her very own papaya tree. But now the Vietnam War has reached her home. H&A and her family are forced to flee as Saigon falls, and they board a ship headed toward hope. In America, H&A discovers the foreign world of Alabama: the coldness of its strangers, the dullness of its food, the strange shape of its landscape, and the

strength of her very own family. This is the moving story of one girl's year of change, dreams, grief, and healing as she journeys from one country to another, one life to the next.

Theological Education Andrew M. Bain 2018-01-08 This volume draws upon historical and theological sources and empirical research to provide a unique and diverse perspective on theological education in the twenty-first century. The volume develops and promulgates the best thinking about theological education by drawing upon the breadth of expertise represented by the faculty of colleges within the Australian College of Theology. This volume not only produces crucial insights for the future of theological education around the world but gives the Australian theological sector a voice to make its own unique contribution to the global dialogue about theological education.

On Perl Jugal Kalita 2003-12 The book has an introductory chapter that gets the reader started quickly with programming in Perl. The initial part of the book discusses Perl expressions, statements, control flow, built-in data types such as arrays and hashes, and complex data structures built using references. On Perl has several chapters covering specialized topics. The chapter on socket-based network programming deals with forking and using fork to write complex interactive client-server programs. There is a chapter with in-depth discussion of CGI programming including error-handling and security issues that arise. The chapter on web-client programming deals with writing programs that access Web pages, fill up GET and POST forms, handle cookies and redirected Web pages. The book has several unique chapters not found in any other book on Perl in the market. The chapter on security discusses hashes such as MD5, message authentication codes (MACs), digital signature schemes, and encryption techniques such as DES, Rijndael, and RSA. Other chapters deal with writing recursive programs that work with files and directories; this chapter also discusses predefined modules that deal with

portability in file names and paths across operating systems, recursive traversal of file hierarchies and tarring and untarring of files. The chapter on functional programming illustrates that Perl functions are first-class, can be used to write closures and can be composed to form more complex functions. In particular, this can be useful for programming in artificial intelligence.

"A Rush of Blood to the Head"

Over My Head Claudia L. Osborn 2000-03
Hit by a car while bicycling Osborn, an internist at a Detroit hospital, suffered injuries. Recounts the struggles and frustrations of a gradually learning strategies to compensate for the lack of certain brain functions. An exceptionally well-written and engaging account. PW review.

Faster, Higher, Farther: How One of the World's Largest Automakers

Committed a Massive and Stunning

Fraud Jack Ewing 2017-05-23 "A rich history of a company whose cars, for better and worse, have touched millions of lives, a character study of a brilliant but deeply flawed leader, and a case study in how a corporate culture can turn toxic." —Bethany McLean, New York Times Book Review
Faster, Higher, Farther chronicles a corporate scandal that rivals those at Enron and Lehman Brothers—one that will cost Volkswagen more than \$22 billion in fines and settlements. Through meticulous reporting, New York Times correspondent Jack Ewing documents why VW felt compelled to install "defeat devices" in diesel vehicles that unlawfully lowered CO2 levels during emissions testing, and how the fraud was committed, covered up, and finally detected. Faster, Higher, Farther is a briskly written account of unrivaled corporate greed. Updated with the latest information and a new afterword by the author.

In My Head J. M. Storm 2017-08 "In My Head is the eagerly anticipated debut of J.M. Storm, one of Instagram's fastest growing poets. A window into the author's mind, this intricately woven collection of poems explores the struggles and triumphs of

learning to fall in love and love oneself." -- Publisher description.

Fahrenheit 451 Ray Bradbury 2013-02-14
The hauntingly prophetic classic novel. Over 1 million copies sold in the UK.

It Sounded Better in My Head Nina Kenwood 2020-04-07 William C. Morris Debut Award Finalist! From debut author Nina Kenwood comes a tender and funny love letter to coming of age, and first love and its confusions, perfect for fans of Booksmart and To All the Boys I've Loved Before. When her parents announce their impending divorce, Natalie can't understand why no one is fighting, or at least mildly upset. Then Zach and Lucy, her two best friends, hook up, leaving her feeling slightly miffed and decidedly awkward. She'd always imagined she would end up with Zach one day—in the version of her life that played out like a TV show, with just the right amount of banter, pining, and meaningful looks. Now everything has changed, and nothing is quite making sense. And then, an unexpected romance with Zach's older brother comes along and shakes things up even further...

The Cosmos in My Head Ani Shahverdyan 2018-12-06 "The Cosmos in My Head" is a collection of poems written by Ani Shahverdyan. This is the second book by the author. It consists of 5 chapters through which the author shows her unique approach toward life. The metaphoric comparisons and the skin-penetrating art of words take the reader to the world where fears first born, then reaching the light, evaporate freeing up a space for strength, harmony and love. The author has enriched the poems with her own drawings and illustrations which add a scent of fantasy and art to the book.

So Over My Head Jenny B. Jones 2010-05-03
Newly single, stalked by a killer, and in desperate need of some chic clown shoes-- Bella is one skinny mocha frapp away from total meltdown. When the Fritz Family Carnival makes its annual appearance in Truman, Bella's keen reporter instincts tell her the bright lights hide more than they reveal. Her suspicions are confirmed when

one of the stars is murdered. Though the police make an immediate arrest, Bella doubts this case is quite that simple. She needs her crime-solving boyfriend, Luke, more than ever. Problem is, his ex-girlfriend has moved back to town, giving Bella some murderous thoughts of her own. Then again, there's no time for a relationship crisis when Bella's doing her best to derail her father's wedding and stay one step ahead of a killer. Is God sending her a message in all of this madness? With a murderer on the loose and her boyfriend's ex on the prowl, this undercover clown has never had more to juggle--or more to risk.

WLA 2007

Get Your Head in the Game Dominic Stevenson 2020-12-08 Get Your Head in the Game is the first book to tackle the issue of mental health and its relationship with the most popular sport in the world, football. Football is more than just a sport; the pitch reveals emotion in the extreme, from the glory of goals, the thrill of comradeship, the rollercoaster of club loyalty, through to the immense pressure of expectation, fear of injury, and crushing defeat. Fans, players, managers, coaches, and even those new to the sport can't help but be swept up by the drama at the heart of the beautiful game. But when players at the peak of their physical fitness commit suicide, or poor mental health derails careers, there can still be a stunned silence in the community, a lack of connection. In Get Your Head in the Game, Dominic Stevenson, a writer, player, coach, and lifelong football obsessive, interviews a diverse cross-section of characters in the football world, from fans to managers, from players at the start of their careers to retired veterans, women's football stars, international celebrities, refugee footballers and mental health professionals. Football is more than just a sport. The pitch reveals emotion in the extreme: from the glory of goals, the rollercoaster of club loyalty, through to the immense pressure of expectation, fear of injury, and crushing defeat. Fans, players, managers, coaches and even those new to the sport can't help but be swept up by the

drama of the beautiful game. But when players at the peak of their physical fitness commit suicide, or poor mental health derails careers, there can still be a stunned silence in the community, a lack of connection. Dominic Stevenson, a writer, player, coach and lifelong football obsessive, interviews a diverse cross-section of characters in the football world to try to understand this lost connection between the sport and the mind. This book contains contributions from internationally renowned players such as Sam Hutchinson, Chris Kirkland, Ella Masar, John Harkes and Iffy Onoura. From voices at top clubs around the globe including Manchester United, Paris Saint-Germain, Chelsea and DC United, to the stories of smaller clubs and unsung heroes behind the scenes, Dominic reveals personal battles both on and off the pitch, touching on anxiety, depression, discrimination, trauma, identity and recovery.

Mental Health Practitioner's Guide to HIV/AIDS Sana Loue 2012-12-09 Although efforts have been made and continue to be made to reduce the rate of HIV transmission in the U.S. and globally, the rates continue to increase in the majority of countries. In the U.S., members of minority communities remain especially at risk of HIV transmission. An individual's discovery that he or she has contracted HIV, or that a loved one has contracted the illness, often raises significant issues that necessitate interaction with mental health professionals. Mental Health Practitioner's Guide to HIV/AIDS serves as a quick desk reference for professionals who may be less familiar with the terminology used in HIV/AIDS care and services.

Does My Head Look Big in This? Randa Abdel-Fattah 2014-05-01 Don't panic - I'm Islamic! Amal is a 16-year-old Melbourne teen with all the usual obsessions about boys, chocolate and Cosmo magazine. She's also a Muslim, struggling to honour the Islamic faith in a society that doesn't understand it. The story of her decision to "shawl up" is funny, surprising and touching by turns.

Witiku David Walks-As-Bear 2012-05-01 "... In this read we are privileged to again see Tribal Cop Ely Stone in action as he is summoned by Amos, the true Spiritual leader of their tribe through the Spirit world they share. As the horror continues these men, with several others, from Detectives, to FBI agents, begin to join forces to fight an evil that few know how to defeat... This story is laced with Native American mysticism, weaving into the story frightening centuries-old legends and bringing them to life. The locals are so vivid, the forest, the huts, the different places they stay and interact in... Things become more complicated as Ely becomes involved with a woman who touches his heart with emotions that do not need to come forth at this time, especially when her life is on the line. What a ride!" --- MidWest Book Review

Olivia Twisted Vivi Barnes 2013-11-05 "One of the most interesting premises of any contemporary YA book this year. Moreover, its parallels to the literary powerhouse *Oliver Twist* are brilliant. With Barnes' near-flawless writing, excellent character development and a smart storyline that readers will devour, this book deserves its RT Top Pick." -RT Book Reviews

Tossed from foster home to foster home, Olivia's seen a lot in her sixteen years. She's hardened, sure, though mostly just wants to fly under the radar until graduation. But her natural ability with computers catches the eye of Z, a mysterious guy at her new school. Soon, Z has brought Liv into his team of hacker elite?break into a few bank accounts, and voila, he drives a motorcycle. Follow his lead, and Olivia might even be able to escape from her oppressive foster parents. As Olivia and Z grow closer, though, so does the watchful eye of Bill Sykes, Z's boss. And he's got bigger plans for Liv... Thanks to Z, Olivia's about to get twisted. The *Olivia Twisted* series is best enjoyed in order. Reading Order: Book #1 *Olivia Twisted* Book #2 *Olivia Decoded* *Just Above My Head* James Baldwin 2000-06-13 James Baldwin's final novel is "the work of a born storyteller at the height of his powers" (The New York Times Book

Review). "Not everything is lost. Responsibility cannot be lost, it can only be abdicated. If one refuses abdication, one begins again." The stark grief of a brother mourning a brother opens this stunning, unforgettable novel. Here, in a monumental saga of love and rage, James Baldwin goes back to Harlem, to the church of his groundbreaking novel *Go Tell It on the Mountain*, to the forbidden passion of Giovanni's Room, and to the political fire that enflames his nonfiction work. Here, too, the story of gospel singer Arthur Hall and his family becomes both a journey into another country of the soul and senses—and a living contemporary history of black struggle in this land.

[The Political Cult of the Dead in Ukraine](#)
 Guido Hausmann 2021-12-06 The Ukrainian Euromaidan in 2013–14 and the ongoing Russian-Ukrainian war in the Eastern part of the country have posed new questions to historians. The volume investigates the relevance of the cults of the fallen soldiers to Ukraine's national history and state. It places the dead of the Euromaidan and the forms and functions of the emerging new cult of the dead in the context of older cults from pre-Soviet, Soviet and post-Soviet times from various Ukrainian regions until the end of the presidency of Petro Poroshenko in 2019. The contributions emphasize the importance of the grassroot level, of local and regional actors or memory entrepreneurs, myths of state origin and national defense demanding unity, and the dynamics of commemorative practices in the last thirty years in relation to pluralist and fragmented processes of nation and state-building. They contribute to new conceptualizations of the political cult of the dead.

R Data Mining Andrea Cirillo 2017-11-29 Mine valuable insights from your data using popular tools and techniques in R About This Book Understand the basics of data mining and why R is a perfect tool for it. Manipulate your data using popular R packages such as ggplot2, dplyr, and so on to gather valuable business insights from it. Apply effective data mining models to perform regression

and classification tasks. Who This Book Is For If you are a budding data scientist, or a data analyst with a basic knowledge of R, and want to get into the intricacies of data mining in a practical manner, this is the book for you. No previous experience of data mining is required. What You Will Learn Master relevant packages such as dplyr, ggplot2 and so on for data mining Learn how to effectively organize a data mining project through the CRISP-DM methodology Implement data cleaning and validation tasks to get your data ready for data mining activities Execute Exploratory Data Analysis both the numerical and the graphical way Develop simple and multiple regression models along with logistic regression Apply basic ensemble learning techniques to join together results from different data mining models Perform text mining analysis from unstructured pdf files and textual data Produce reports to effectively communicate objectives, methods, and insights of your analyses In Detail R is widely used to leverage data mining techniques across many different industries, including finance, medicine, scientific research, and more. This book will empower you to produce and present impressive analyses from data, by selecting and implementing the appropriate data mining techniques in R. It will let you gain these powerful skills while immersing in a one of a kind data mining crime case, where you will be requested to help resolving a real fraud case affecting a commercial company, by the mean of both basic and advanced data mining techniques. While moving along the plot of the story you will effectively learn and practice on real data the various R packages commonly employed for this kind of tasks. You will also get the chance of apply some of the most popular and effective data mining models and algos, from the basic multiple linear regression to the most advanced Support Vector Machines. Unlike other data mining learning instruments, this book will effectively expose you the theory behind these models, their relevant assumptions and when they can be applied to the data you are facing. By the end of the book you

will hold a new and powerful toolbox of instruments, exactly knowing when and how to employ each of them to solve your data mining problems and get the most out of your data. Finally, to let you maximize the exposure to the concepts described and the learning process, the book comes packed with a reproducible bundle of commented R scripts and a practical set of data mining models cheat sheets. Style and approach This book takes a practical, step-by-step approach to explain the concepts of data mining. Practical use-cases involving real-world datasets are used throughout the book to clearly explain theoretical concepts. *Alice in Wonderland* Lewis Carroll 2009-01-01 *Alice in Wonderland* (also known as *Alice's Adventures in Wonderland*), from 1865, is the peculiar and imaginative tale of a girl who falls down a rabbit-hole into a bizarre world of eccentric and unusual creatures. Lewis Carroll's prominent example of the genre of "literary nonsense" has endured in popularity with its clever way of playing with logic and a narrative structure that has influence generations of fiction writing.

Over My Head Debi Wagner 2011-01-21 Through a terrifying experience, I became involved in a fight against a local airport expansion. What I learned about jet emissions caused me great alarm and pushed me deep into a battle with nearly every agency in my state. These local issues turned into national and international aviation watch organizations working to unravel what appears to me to be a cover-up by the industry. The outcome of many of these battles, some of which turned into major discovery processes is disturbing.

Songs in My Head JoAnn Post 2015-09-11 Startled by the unexpected diagnosis of a rare and often-terminal cancer, JoAnn A. Post chronicles the course of her treatment in *Songs in My Head*, a journal written both for her own sake, and for friends, family, and colleagues. Each of her twelve chemotherapy treatments is presented as a verse of the songs that hummed in her heart during and at the close of treatment. Inspiration and encouragement come

through simple events like the return of a lost dog ("Chasing Maggie") and complicated events like allergic reactions to chemotherapy ("A False Summit"). The journal closes with an ancient Jewish ritual of thanksgiving, the Birkat HaGomel, which places the author's suffering in the context of the suffering and healing of God's people

through the centuries. While writing from the perspective of faith, the author neither offers easy solutions, nor glosses over the difficult questions posed by illness and disability. During a difficult time she writes with hope, humor, and honesty. This journal is written for those living with cancer, and for those who love and care for them.
