Elizabeth and Mary Jane Dunn 2007-12-18 "Superb.... A perceptive, suspenseful account." -- The New York Times Book Review "Dunn demythologizes Elizabeth and Mary. In humanizing their dynamic and shifting relationship, Dunn describes it as fueled by both rivalry and their natural solidarity as women in an overwhelmingly masculine world." --Boston Herald The political and religious conflicts between Queen Elizabeth I and the doomed Mary, Queen of Scots, have for centuries captured our imagination and inspired memorable dramas played out on stage, screen, and in opera. But few books have brought to life more vividly the exquisite texture of two women's rivalry, spurred on by the ambitions and machinations of the forceful men who surrounded them. The drama has terrific resonance even now as women continue to struggle in their bid for executive power. Against the backdrop of sixteenth-century England, Scotland, and France, Dunn paints portraits of a pair of protagonists whose formidable strengths were placed in relentless opposition. Protestant Elizabeth, the bastard daughter of Anne Boleyn, whose legitimacy had to be vouchsafed by legal means, glowed with executive ability and a visionary energy as bright as her red hair. Mary, the Catholic successor whom England's rivals wished to see on the throne, was charming, feminine, and deeply persuasive. That two such women, queens in their own right, should have been contemporaries and neighbours sets in motion a joint biography of rare spark and page-turning power.

Needlework of Mary Queen of Scots Margaret Swain 2013-08-31 Although a large body of needlework has always been attributed to Mary Queen of Scots, little attempt was made to authenticate these pieces or to explain how so energetic and impetuous a woman could have found pleasure in the meticulous craft of embroidery. This is the first comprehensive study of the Queen as a needlewoman describing all the works associated with her. For the first time every piece marked by her cipher or monogram is illustrated in full. A biographical outline provides the framework for understanding her work by setting it in the context of her unsettled and stormy life. It recounts the influence of her formative years in France and her absorption in needlework during the years of imprisonment. Many of the embroideries can be seen in British country houses and in Scottish collections. A significant work in the history of costume and textiles and sheds a new light on those little known aspects of Mary Queen of Scot's life. The first comprehensive study of the Queen of Scots as a needlewoman and how such an energetic and impetuous woman could have found pleasure in the meticulous craft of embroidery. Illustrated in full with 12 colour, 70 black & white photographs and 20 illustrations. Margaret Swain is an expert on the history of costume and textiles and was awarded an MBE for her work on embroidery and tapestries.

[Mary Queen of Scots](#) Susan Watkins 2009 The fascinating but ultimately tragic tale of Mary, Queen of Scots, holds eternal appeal. In this beautifully illustrated book, now available in paperback, Susan Watkins re-creates the world in which Mary lived - the landscapes, the palaces and the courtly culture, and the fine details of the domestic scene - in vivid word pictures, which give life to the wealth of historical illustrations and specially taken photographs by Mark Fiennes, who accompanied Susan Watkins on her journey in search of the true story behind the Queen across three countries.

Mary Queen of Scotland and the Isles Stefan Zweig 2010 She was born to be Queen of Scotland, she was briefly the Queen of France and she had a claim to being Queen of England, which resulted in her having her head chopped off. They chopped off her head after she was found guilty of conspiring to have Queen Elizabeth (1533-1603) assassinated so that she could take power. Had she not been executed, she would eventually have become Queen of England when Elizabeth died. That was only one of the many controversies in which she was involved. Her first husband, who became the King of France, making her the Queen, died shortly thereafter and her second husband was found murdered, apparently strangled. Mary Queen of Scots (1542-1587) was believed to have been complicit in that murder. This widely acclaimed biography by Stefan Zweig is regarded as the best of the many biographies of this famous woman. The great thing about the author, Stefan Zweig, is that his biographies are smooth and easy to read. By contrast, there is a weighty tome with exactly the same title but 880 pages long. Here in 386 easy to read pages you can learn everything about Mary Queen of Scots that you will probably ever want to know.

Mary, Queen of Scots Jenny Wormald 2018-11 A reissue of one of the classics of Scottish history.

Mary Queen of Scots Jayne Lewis 2005-08-04 As an historical figure Mary Queen of Scots has been perpetually represented on canvas, page and stage, and has captured the British imagination since the time of her death in 1587. The 'real' Mary Stuart however has remained an enigma. *Mary Queen of Scots: Romance and Nation* sheds light on Mary's life by exploring four main themes: * the history of Mary's representation in Britain from the late Tudor period focusing on key periods in the formation of the British identity and closely analysing several texts against a background of the visual, musical and literary works of each period * the reasons why those representing Mary have been so conscious that her image was largely a debatable fiction * the identification of symbolic styles, using Mary to reveal the habits of representation in each historical period * The link between the image of Mary Stuart and Britain's long struggle to define itself as a single nation, focusing on the roles of gender and religion in this development.

The Tragic Histories of Mary Queen of Scots, 1560-1690 John D. Staines 2016-12-05 Author John Staines here argues that sixteenth- and seventeenth-century writers in England, Scotland, and France wrote tragedies of the Queen of Scots - royal heroine or tyrant, martyr or whore - in order to move their audiences towards political action by shaping and directing the passions generated by the spectacle of her fall. In following the retellings of her history from her lifetime through the revolutions and political experiments of the seventeenth century, this study identifies two basic literary traditions of her tragedy: one conservative, sentimental, and royalist, the other radical, skeptical, and republican. Staines provides new readings of Spenser and Milton, as well as of early modern dramatists, to compile a comprehensive study of the writings about this important historical and literary figure. He charts developments in public rhetoric and political writing from the Elizabethan period through the Restoration, using the emotional representations of the life of this tragic woman and queen to explore early modern experiments in addressing and moving a public audience. By exploring the writing and rewriting of the tragic histories of the Queen of Scots, this book reveals the importance of literature as a force in the redefinition of British political life between 1560 and 1690.

Mary Queen of Scots Got Her Head Chopped Off ; And, Dracula Liz Lochhead 1989 This

was a huge success at the 1987 Edinburgh Festival, subsequently performed elsewhere in Britain and in Europe. Written in Lallan Scots, it is a most exciting piece of poetic drama.

Queen of Scots John Guy 2014-06-17 This Whitbread Award-winning biography and basis for the film *Mary Queen of Scots* starring Saoirse Ronan and Margot Robbie “reads like Shakespearean drama” (The Atlanta Journal-Constitution). “A triumph . . . A masterpiece full of fire and tragedy.” —Amanda Foreman, author of *Georgiana* In the first full-scale biography of Mary Stuart in more than thirty years, John Guy creates an intimate and absorbing portrait of one of history’s greatest women, depicting her world and her place in the sweep of history with stunning immediacy. Bringing together all surviving documents and uncovering a trove of new sources for the first time, Guy dispels the popular image of Mary Queen of Scots as a romantic leading lady—achieving her ends through feminine wiles—and establishes her as the intellectual and political equal of Elizabeth I. Through Guy’s pioneering research and superbly readable prose, we come to see Mary as a skillful diplomat, maneuvering ingeniously among a dizzying array of factions that sought to control or dethrone her. *Queen of Scots* is an enthralling, myth-shattering look at a complex woman and ruler and her time. “The definitive biography . . . Gripping . . . A pure pleasure to read.” —The Washington Post Book World “Reads like Shakespearean drama, with all the delicious plotting and fresh writing to go with it.” —The Atlanta Journal-Constitution

Mary, Queen of Scots Jenny Wormald 2017-08-10 Mary Stuart, Queen of Scots, has long been portrayed as one of history's romantically tragic figures. Devious, naïve, beautiful and sexually voracious, often highly principled, she secured the Scottish throne and bolstered the position of the Catholic Church in Scotland. Her plotting, including probable involvement in the murder of her husband Lord Darnley, led to her flight from Scotland and imprisonment by her equally ambitious cousin and fellow queen, Elizabeth of England. Yet when Elizabeth ordered Mary's execution in 1587 it was an act of exasperated frustration rather than political wrath. Unlike biographies of Mary predating this work, this masterly study set out to show Mary as she really was – not a romantic heroine, but the ruler of a European kingdom with far greater economic and political importance than its size or location would indicate. Wormald also showed that Mary's downfall was not simply because of the 'crisis years' of 1565–7, but because of her way of dealing, or failing to deal, with the problems facing her as a renaissance monarch. She was tragic because she was born to supreme power but was wholly incapable of coping with its responsibilities. Her extraordinary story has become one of the most colourful and emotionally searing tales of western history, and it is here fully reconsidered by a leading specialist of the period. Jenny Wormald's beautifully written biography will appeal to students and general readers alike.

Life of Mary, Queen of Scots. [By James Grant.] Mary (Queen of Scots) 1828

The Tragic Queen. A Study of Mary Queen of Scots, Etc. [With Plates, Including Portraits.] Andrew Herbert DAKERS 1931

Mary, Queen of Scots Anchor 1882

Mary Queen of Scots' Downfall Robert Stedall 2017-11-30 The story of the Scottish ruler—and the mysterious death of her ambitious and controversial husband. In the early hours of February 10, 1567, a large explosion ripped through the lodgings at Kirk o’ Field, Edinburgh, where Mary Queen of Scotland’s consort, Henry, Lord Darnley, was staying. Darnley’s body was found with that of his valet in a neighboring garden the next morning. The queen’s husband had been murdered—and the ramifications for Mary and Scottish history would be far-reaching. Lord Darnley cuts an infamous figure in Scottish and Tudor history. In life, he proved a controversial character, and his murder at Kirk o’ Field remains one of British history’s great unsolved mysteries—the question of whether Mary was implicated has taxed historians ever since. In this engaging and well-researched biography, Robert Stedall reexamines Darnley’s life and his death. His investigation brings new light and compelling conclusions to a story surrounded by political

betrayal, murder, falsified evidence, and conspiracy.

The Other Queen Philippa Gregory 2008-09-16 Presents a tale inspired by the story of Mary, Queen of Scots, in a work that follows the doomed monarch's long imprisonment in the household of the Earl of Shrewsbury and his spying wife, Bess.

Mary Queen of Scots Reginald Henry Mahon 1924

Mary, Queen of Scots, and the Murder of Lord Darnley Alison Weir 2004-02-10 Handsome, accomplished, and charming, Henry Stuart, Lord Darnley, staked his claim to the English throne by marrying Mary Stuart, who herself claimed to be the Queen of England. It was not long before Mary discovered that her new husband was interested only in securing sovereign power for himself. Then, on February 10, 1567, an explosion at his lodgings left Darnley dead; the intrigue thickened after it was discovered that he had apparently been suffocated before the blast. After an exhaustive reevaluation of the source material, Alison Weir has come up with a solution to this enduring mystery. Employing her gift for vivid characterization and gripping storytelling, Weir has written one of her most engaging excursions yet into Britain’s bloodstained, power-obsessed past.

Mary Queen of Scots R. H. Mahon 2014-04-17 Originally published in 1924, this book presents a historical study of Mary Queen of Scots and the Lennox Narrative, which is included at the end of the text in a modernised English version. The Narrative constitutes Matthew Stewart, 4th Earl of Lennox's account of his son Henry Stewart's murder, implicating Mary within the plot to kill him. This book will be of value to anyone with an interest in Mary Queen of Scots and British history.

Mary Queen of Scots Susan Doran 2007 Returning to Scotland, she married again (unhappily), gave birth to her only child, who would later betray her, suffered the horror of her secretary and second husband being murdered, endured abduction and rape by a third, and finally captivity and escape from a remote castle in the Highlands. Her last eighteen years as a prisoner in England, while certainly quieter, continued to be marked by conspiracy and intrigue, and a fraught relationship with her cousin Elizabeth I.

Mary Queen of Scots Jenny Wormald 1988 Mary Stuart, Queen of Scots, was one of history's romantically tragic figures. Devious, naive, often highly principled, beautiful, and sexually voracious, this was a woman who secured the Scottish throne and bolstered the position of the Catholic Church in Scotland. Her endless plotting, including a likely involvement in the murder of her husband Lord Darnley, eventually led to her flight from Scotland and imprisonment by her equally ambitious cousin and fellow queen, Elizabeth of England. And yet when Elizabeth ordered her unpredictable rival and kinswoman to be beheaded in 1587 she did so in resigned frustration rather than as act of political wrath. Was the beheading of a cousin truly necessary? Did Mary, though churlish, petulant, and often disloyal, really deserve to forfeit the compassion of her cousin, a woman who from childhood had been her friend and playmate? Mary's fate was to be born to supreme power, but she was totally lacking in the political ability to deal with its responsibilities. This was the tragedy that turned her life into a study in failure. The extraordinary story of Mary, which has inspired the great poets, playwrights, and operatic composers of the 19th and 20th centuries, is one of the most colorful and emotionally searing tales of western history, and is here told by a leading specialist of the 16th century.

Mary Queen of Scots Stefan Zweig 2018-12-18 International bestseller: Stefan Zweig's classic royal biography paints a vivid portrait of one of British history's most fascinating and misunderstood figures From the moment of her birth to her death on the scaffold, Mary Stuart spent her life embroiled in power struggles that shook the foundations of Renaissance Europe. Revered by some as the rightful Queen of England, reviled by others as a murderous adulteress, her long and fascinating rivalry with her cousin Elizabeth I led ultimately to her downfall. Zweig, one of the most popular writers of the twentieth century, brings Mary to life and turns her tale into a story of passion and plotting as gripping as any novel.

Mary, Queen of Scots, and the Murder of Lord Darnley Alison Weir 2007-12-18 BONUS: This

edition contains an excerpt from Alison Weir's *Mary Boleyn*. Handsome, accomplished, and charming, Henry Stuart, Lord Darnley, staked his claim to the English throne by marrying Mary Stuart, who herself claimed to be the Queen of England. It was not long before Mary discovered that her new husband was interested only in securing sovereign power for himself. Then, on February 10, 1567, an explosion at his lodgings left Darnley dead; the intrigue thickened after it was discovered that he had apparently been suffocated before the blast. After an exhaustive reevaluation of the source material, Alison Weir has come up with a solution to this enduring mystery. Employing her gift for vivid characterization and gripping storytelling, Weir has written one of her most engaging excursions yet into Britain's bloodstained, power-obsessed past.

My Heart is My Own John Alexander Guy 2004 This book is a reinterpretation of the life of Mary, Queen of Scots. John Guy returns to the archives to explode the myths and correct the inaccuracies that surround this most fascinating monarch. He also explains a central mystery: why Mary would have consented to marry - only three months after the death of her second husband, Lord Darnley - the man who was said to be his killer, the Earl of Bothwell. He also solves, through careful re-examination of the Casket Letters, the secret behind Darnley's spectacular assassination at Kirk o'Field.

Mary, Queen Of Scots Fiona Macdonald 2021-02-03 This brand-new series puts readers in the shoes of famous historical figures during their childhoods, with an emphasis on the gruesome and ghastly bits. A lively and varied mix of types of information - including thrilling prose, stunning comic strips, fact boxes and timelines - bring their stories to life in a way that feels fresh and fun for reluctant readers. Kids in History: Mary Queen of Scots gives a fast-paced and fascinating account of the important events from Mary's childhood, including her dangerous escape from Scotland, marriage into the French royal family and a young adulthood beset with disasters and deaths.

Mary, Queen of Scots. A Study ... By "Anchor." John Watts DE PEYSTER (Major-General.) 1882

The Wild Queen Carolyn Meyer 2012 Convicted of plotting against her cousin Queen Elizabeth I of England and awaiting execution in 1587, Mary Stuart, queen of Scotland, recounts her life story, including how she became a widow at age 18 and her brutal campaign to regain her sovereignty after being stripped of her throne. 25,000 first printing.

Mary, Queen of Scots Mary Prudie Story Brown 2004

Mary, Queen of Scots Jenny Wormald 2001-05-04 Mary, Queen of Scots, was one of history's most romantically tragic figures. Her endless plotting eventually led her to flee from Scotland and be imprisoned by her equally ambitious cousin and fellow queen--Elizabeth of England--who later ordered Mary to be beheaded in 1587. This book looks at her tragedy. of photos.

Mary, Queen of Scots Book of Days Tudor Times 2022-04-15 Hugely informative and stunningly produced, the *Mary, Queen of Scots Book of Days* pairs a practical perpetual diary with a wealth of material on the life and times of Mary, Queen of Scots (1542-1587). The first woman to be crowned as a queen regnant in the British Isles, the tumultuous life and tragic end of Mary, Queen of Scots has fascinated people for centuries. Each of the 365 days of the calendar year has the date, but not the day, of the month, allowing the owner to record events and reminders over many years. The linen-effect cover reproduces a detail from François Clouet's *Portrait of Mary, Queen of Scots* (circa 1558), courtesy of the Royal Collection Trust, with the interior printed on Munken Pure paper, perfect for writing, and completed with a ribbon bookmark. -

How to use the perpetual diary - Six days at a glance with space for notes - At-a-glance year planner - List special occasions each month - Ideal for recurring annual events - Can be returned to for years to come Stuart history and Mary, Queen of Scots' life and reign - Inspired by Renaissance-period Books of Hours - Biographic overview of Mary, Queen of Scots - An elegy by Mary - A list of key facts about Mary, Queen of Scots - Mary, Queen of Scots quotes - Descriptions of a significant event and place at the start of each month - Stuart-period saints and feast days - Index of people and events

Mary, Queen of Scots Antonia Fraser 2001 More than four hundred years after her death, Mary Queen of Scots remains one of the most romantic and controversial figures in British history. Antonia Fraser's classic biography of her won the James Tait Prize when it was first published in 1969, became an international bestseller and was translated into nine languages. Mary passed her childhood in France and married the Dauphin to become Queen of France at the age of sixteen. Widowed less than two years later, she returned to Scotland as Queen after an absence of thirteen years. Her life then entered its best known phase: the early struggles with John Knox, and the unruly Scottish nobility; the fatal marriage to Darnley and his mysterious death; her marriage to Bothwell, the chief suspect, that led directly to her long English captivity at the hands of Queen Elizabeth; the poignant and extraordinary story of her long imprisonment that ended with the labyrinthine Babington plot to free her, and her execution at the age of forty-four. Antonia Fraser's biography, four years in the writing, enters fully into the life of an historical figure who continues to capture the popular imagination, and provides a moving answer to the question, 'What was Mary Queen of Scots really like?'

The Tragic Queen Andrew Herbert Dakers 1931

Mary, Queen of Scots John Watts de Peyster 2016-08-16 Excerpt from *Mary, Queen of Scots: A Study* In the examination of a small library of books quite a number of portraits were encountered, each one differing from the other. The best looking undoubtedly is the manufactured one according to Leader. In Raumer's work (contributions to Modern History from the British Museum and State Paper Office) is found the following note in regard to the engraving inserted therein: The portrait of the Queen of Scots, prefixed to this volume. Is reduced from a contemporary original drawing, slightly sketched with chalk, touched here and there with colored crayons, for a fac-simile of which the author is indebted to the kindness of Mr. Charles Lenormand. It belongs to a series of portraits of distinguished personages in the French Court, from Henry II. To Charles ix., which is preserved in the royal collection of engravings at Paris. The name of the artist who drew them is uncertain. Dumoustier, whose fine portraits in red chalk are well known, was of the time of Henry III.: they might rather be ascribed to François Chouet, named Janet, similar portraits by whom are in the possession of Earl Carlisle, in Castle Howard. Though the face may appear older, the Queen must be here represented before her marriage with Francis II., in her sixteenth year, when she received a conventual education. In the original the hair is of a light color; and this agrees with the fact that a lock, which is preserved in a Scotch family as a relic of the Queen, is blonde. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at www.forgottenbooks.com This book is a reproduction of an important historical work. Forgotten Books uses state-of-the-art technology to digitally reconstruct the work, preserving the original format whilst repairing imperfections present in the aged copy. We do, however, repair the vast majority of imperfections successfully; any imperfections that remain are intentionally left to preserve the state of such historical works.

Mary Queen of Scots at Berkshire Christian College Freeman Barton 1987

Mary Queen of Scots and French Public Opinion, 1542-1600 A. Wilkinson 2004-06-10 The French Wars of Religion were more than a battle for outright military victory. They were also a battle for the hearts and minds of the population of France. In this struggle to win over public opinion, often apparently peripheral issues could be engaged to make partisan points. Such was the case

with the polemical literature surrounding Mary Queen of Scots. Based on major new bibliographic research, this study charts the evolving relationship between Mary and French public opinion.

The Betrayal of Mary, Queen of Scots Kate Williams 2018-11-13 Elizabeth and Mary were cousins and queens, but eventually it became impossible for them to live together in the same world. This is the story of two women struggling for supremacy in a man's world, when no one thought a woman could govern. They both had to negotiate with men—those who wanted their power and those who wanted their bodies—who were determined to best them. In their worlds,

female friendship and alliances were unheard of, but for many years theirs was the only friendship that endured. They were as fascinated by each other as lovers; until they became enemies. Enemies so angry and broken that one of them had to die, and so Elizabeth ordered the execution of Mary. But first they were each other's lone female friends in a violent man's world. Their relationship was one of love, affection, jealousy, antipathy - and finally death. This book tells the story of Mary and Elizabeth as never before, focusing on their emotions and probing deeply into their intimate lives as women and queens. They loved each other, they hated each other—and in the end they could never escape each other.
