High Stakes Dick Francis 2019-05-02 From a New York Times–bestselling “master of crime fiction and equine thrills,” a betrayed race horse owner must get back his stolen thoroughbred(Newsday). Dick Francis, Edgar Award–winning master of mystery and suspense, takes you into the thrilling world of horse racing. Steven Scott may have been a successful, wealthy inventor with no experience in horse racing, yet with the inspired guidance of his trainer, Jody Leeds, and the prowess of a beautiful black hurdler named Energise, he has brought home several wins. But his winning streak is about to come to a fast end when he discovers trouble in his own stables: trouble that could bring about his own termination if he doesn’t watch his step. Praise for the writing of Dick Francis: “Dick Francis is a wonder.” —The Plain Dealer “An imaginative craftsman of high order.” —The Sunday Times “Few things are more convincing than Dick Francis at a full gallop.” —Chicago Tribune “Few match Francis for dangerous flights of fancy and pure inventive menace.” —Boston Herald “[Francis] has the uncanny ability to turn out simply plotted yet charmingly addictive mysteries.” —The Wall Street Journal “Francis is a genius.” —Los Angeles Times “A rare and magical talent . . . who never writes the same story twice.” —The San Diego Union-Tribune

We Can Remember It for You Wholesale Philip K. Dick 1987 This volume of the classic stories of Philip K. Dick offers an intriguing glimpse into the early imagination of one of science fiction's most enduring and respected names. Since his untimely death in 1982, interest in Dick's work has continued to mount and his reputation has been enhanced by a growing body of critical attention as well as many films based on his stories and novels. Featuring the story *We Can Remember It for You Wholesale*, which inspired the major motion picture *Total Recall*, this collection draws from the writer's earliest fiction, written during the years 1952-55. Also included are fascinating works such as *The Adjustment Team* (basis of the 2011 movie *The Adjustment Bureau*), *Impostor* (basis of the 2001 movie), and many others. "A useful acquisition for any serious SF library or collection." --Kirkus Reviews "More than anyone else in the field, Mr. Dick really puts you inside people's minds." --Wall Street Journal "The collected stories of Philip K. Dick are awe-inspiring." --Washington Post

No More Lies Dick Gregory 2021-02-16 Republished as part of Amistad’s Literary Revival Program, the groundbreaking, bestselling look at history from the perspective of African Americans: an essential classic that continues to speak to us today, written by the voice of black consciousness, Dick Gregory—the incomparable satirist, human rights and environmental activist, health advocate, social justice champion, and NAACP Image Award–winning author. In 1972, during the Black Power Movement, iconoclast Dick Gregory challenged one of the foundations of America itself—its history, which had been written almost exclusively from the white male perspective. In *No More Lies*, this true trailblazer gave voice to African Americans, speaking their truth about the past and race relations in the United States. *No More Lies* offers this incomparable satirist’s intellectual, conspiratorial, and humorous spin on the facts. No subject is off limits from his critical eye—Gregory examines numerous aspects of culture and history, from the slave trade, police brutality, the wretchedness of working-class life and labor unions to the 1968 Civil Rights Act, the Founding Fathers, “happy slaves,” and entrepreneurs. Although this absorbing book is more than forty years old, its provocative truths continue to reverberate in our lives today. With *No More Lies*, Gregory inspire a new generation to connect what is happening today with what has happened in the past.

The Hanging Stranger Philip K. Dick 2014-07-07 This early work by Philip K. Dick was originally published in 1953 and we are now republishing it with a brand new introductory biography. 'The Hanging Stranger' is a short story about a man who finds a dead stranger hanging from a lamp post and begins to realise that his town is not what he thought it was. Philip Kindred Dick was born on December 16 1928, in Chicago, Illinois. Dick and his family moved to the Bay Area of San Francisco when he was young, and later on to Washington DC following his parents divorce. Dick attended Elementary school and then a Quaker school before the

family moved back to California. It was around this time that Dick began to take an active interest in the science fiction genre, reading his first magazine 'Stirring Science Stories', at age twelve. Dick married five times between 1959 and 1973, and had three children. He sold his first story in 1951 and from that point on he wrote full-time, selling his first novel in 1955. In addition to 44 published novels, Dick wrote an estimated 121 short stories, most of which appeared in science fiction magazines during his lifetime. In addition to 44 published novels, Dick wrote an estimated 121 short stories, most of which appeared in science fiction magazines during his lifetime. After his death, many of his stories made the transition to the big screen, with blockbuster films such as *Blade Runner*, *Total Recall* and *Minority Report* being based on his works.

The Handcrafted Life of Dick Proenneke Monroe Robinson 2021-11

Philip K. Dick and Philosophy D. E. Wittkower 2011-10-17 Science fiction writer Philip K. Dick (1928–1982) is the giant imagination behind so much recent popular culture—both movies directly based on his writings, such as *Blade Runner* (based on the novel *Do Androids Dream of Electric Sheep?*), *Total Recall*, *Minority Report*, and *The Adjustment Bureau* plus cult favorites such as *A Scanner Darkly*, *Impostor*, *Next*, *Screamers*, and *Paycheck* and works revealing his powerful influence, such as *The Matrix* and *Inception*. With the publication in 2011 of volume 1 of *Exegesis*, his journal of spiritual visions and paranoid investigations, Dick is fast becoming a major influence in the world of popular spirituality and occult thinking. In *Philip K. Dick and Philosophy* thirty Dick fans and professional thinkers confront the fascinating and frightening ideas raised by Dick’s mind-blowing fantasies. Is there an alien world behind the everyday reality we experience? If androids can pass as human, should they be given the same consideration as humans? Do psychotics have insights into a mystical reality? Would knowledge of the future free us or enslave us? This volume will also include Dick's short story "Adjustment Team," on which *The Adjustment Bureau* is based. *Philip K. Dick and Philosophy* explores the ideas of Philip K. Dick in the same way that he did: with an earnest desire to understand the truth of the world, but without falsely equating earnestness with a dry seriousness. Dick’s work was replete with whimsical and absurdist presentations of the greatest challenges to reason and to humanity—paradox, futility, paranoia, and failure—and even at his darkest times he was able to keep some perspective and humor, as for example in choosing to name himself ‘Horselover Fat’ in VALIS at the same time as he relates his personal religious epiphanies, crises, and delusions. With the same earnest whimsy, we approach Philip K. Dick as a philosopher like ourselves—one who wrote almost entirely in thought-experiments and semi-fictional world-building, but who engaged with many of the greatest questions of philosophy throughout the Euro-American tradition. *Philip K. Dick and Philosophy* has much to offer for both serious fans and those who have recently learned his name, and realized that his work has been the inspiration for several well-known and thought-provoking films. Most chapters start with one or more of the movies based on Dick’s writing. From here, the authors delve deeper into the issues by bringing in philosophers' perspectives and by bringing in Dick’s written work. The book invites the reader with a casual familiarity with Dick to get to know his work, and invites the reader with little familiarity with philosophy to learn more. New perspectives and challenging connections and interpretations for even the most hard-core Dick fans are also offered. To maximize public interest, the book prominently addresses the most widely-known films, as well as those with the most significant fan followings: *Blade Runner*, *Total Recall*, *Minority Report*, *A Scanner Darkly*, and *The Adjustment Bureau*. Along with these “big five” films, a few chapters address his last novels, especially VALIS, which have a significant cult following of their own. There are also chapters which address short stories and novels which are currently planned for adaptation: *Radio Free Albemuth* (film completed, awaiting distribution), *The Man in the High Castle* (in development by Ridley Scott for BBC mini-series), and “King of the Elves” (Disney, planned for release in 2012).

The Skull Philip K. Dick 2016-01-15 This early work by Philip K. Dick was originally published in 1952 and we are now republishing it with a brand new introductory biography. 'The Skull' is a short story about a man sent

back in time to assassinate a man who would later change the world. Philip Kindred Dick was born on December 16 1928, in Chicago, Illinois. Dick and his family moved to the Bay Area of San Francisco when he was young, and later on to Washington DC following his parents divorce. Dick attended Elementary school and then a Quaker school before the family moved back to California. It was around this time that Dick began to take an active interest in the science fiction genre, reading his first magazine 'Stirring Science Stories', at age twelve. Dick married five times between 1959 and 1973, and had three children. He sold his first story in 1951 and from that point on he wrote full-time, selling his first novel in 1955. In addition to 44 published novels, Dick wrote an estimated 121 short stories, most of which appeared in science fiction magazines during his lifetime. In addition to 44 published novels, Dick wrote an estimated 121 short stories, most of which appeared in science fiction magazines during his lifetime. After his death, many of his stories made the transition to the big screen, with blockbuster films such as Blade Runner, Total Recall and Minority Report being based on his works.

Eye in the Sky Philip K. Dick 2012 A wry look at how different people see the world, told in the caustically fun style of award-winning science fiction novelist Philip K. Dick.

Second Variety Philip K. Dick 2018-04-26 An influential short story by Philip K. Dick first published in Space Science Fiction magazine, in May 1953. It is one of Dick's many stories in which nuclear war has rendered the Earth's surface to an uninhabitable, gray ash pile, and the only things remaining are killer robots. We are delighted to publish this classic book as part of our extensive Classic Library collection. Many of the books in our collection have been out of print for decades, and therefore have not been accessible to the general public. The aim of our publishing program is to facilitate rapid access to this vast reservoir of literature, and our view is that this is a significant literary work, which deserves to be brought back into print after many decades. The contents of the vast majority of titles in the Classic Library have been scanned from the original works. To ensure a high quality product, each title has been meticulously hand curated by our staff. Our philosophy has been guided by a desire to provide the reader with a book that is as close as possible to ownership of the original work. We hope that you will enjoy this wonderful classic work, and that for you it becomes an enriching experience.

Ahab's Rolling Sea Richard J. King 2019-11-11 Although Herman Melville's Moby-Dick is beloved as one of the most profound and enduring works of American fiction, we rarely consider it a work of nature writing—or even a novel of the sea. Yet Pulitzer Prize-winning author Annie Dillard avers Moby-Dick is the “best book ever written about nature,” and nearly the entirety of the story is set on the waves, with scarcely a whiff of land. In fact, Ishmael's sea yarn is in conversation with the nature writing of Emerson and Thoreau, and Melville himself did much more than live for a year in a cabin beside a pond. He set sail: to the far remote Pacific Ocean, spending more than three years at sea before writing his masterpiece in 1851. A revelation for Moby-Dick devotees and neophytes alike, Ahab's Rolling Sea is a chronological journey through the natural history of Melville's novel. From white whales to whale intelligence, giant squids, barnacles, albatross, and sharks, Richard J. King examines what Melville knew from his own experiences and the sources available to a reader in the mid-1800s, exploring how and why Melville might have twisted what was known to serve his fiction. King then climbs to the crow's nest, setting Melville in the context of the American perception of the ocean in 1851—at the very start of the Industrial Revolution and just before the publication of On the Origin of Species. King compares Ahab's and Ishmael's worldviews to how we see the ocean today: an expanse still immortal and sublime, but also in crisis. And although the concept of stewardship of the sea would have been entirely foreign, if not absurd, to Melville, King argues that Melville's narrator Ishmael reveals his own tendencies toward what we would now call environmentalism. Featuring a coffer of illustrations and an array of interviews with contemporary scientists, fishers, and whale watch operators, Ahab's Rolling Sea offers new insight not only into a cherished masterwork and its author but also into our evolving relationship with the briny deep—from whale hunters to climate refugees.

The Dick Bruce Jay Friedman 2015-09-29 A pencil-pushing policeman becomes a badass sleuth in this off-the-wall detective story from one of America's funniest writers Kenneth LePeters (née Sussman) is a “quasi-dick.” A public relations man for homicide bureaus, he carries a half-size badge and keeps his pearl-handled Smith & Wesson .38 locked in his desk drawer. Recently returned to the East Coast after 17 years in America's heartland, he finds the cosmopolitan air of a big-city police department refreshing—the detectives

treat him almost like a real member of the homicide family. Then everything goes horribly wrong. . . . A zoning quirk of their new neighborhood forces the LePeters's 10-year-old daughter, Jamie, to go to the worst school in town. Blaming her husband, Claire LePeters starts an affair with Detective Chico, a cop turned underground filmmaker. To make matters worse, when his colleagues discover that LePeters is Jewish, their bonhomie dries up as fast as a false lead. To reclaim his manhood and get his family back, LePeters must become the full-fledged dick he never thought he could be. Bruce Jay Friedman's twisted take on the cop novel is a hilarious, mordant, and wildly inventive portrait of a man daring to succeed in a world that has always expected him to fail. This ebook features an illustrated biography of Bruce Jay Friedman including rare photos from the author's personal collection.

Exercising the Penis Aaron Kemmer 2009-09 To meet the demand for a quick and easy-to-read book on the growing art of "penile exercising," author Aaron Kemmer spent over five years learning from doctors, experienced experts, and thousands of men who have built a bigger and harder penis using exercises. The result? Exercising the Penis teaches you how to increase your penis size. In a survey of nearly 1,000 men who used penis exercises for three or more months, the average size increase was one inch in length and one-half inch in girth—a volumetric increase of nearly fifty percent. Yield harder, stronger, and longer lasting erections. In one study, men who exercised their penis had improved their erection strength just as much as men who took erection drugs. A healthier penis and penile vascular system will help you increase libido, create stronger orgasms, develop a healthier prostate, and more.

Men Are Better Than Women Dick Masterson 2008-04-08 Through a process of exhaustive man research he calls "keeping his eyes open," Dick Masterson has compiled a Magnum-size list of the ways men are better than women. It is an infallible compendium of man's greatness, filled with the most egregiously fallacious arguments ever put to words, but with some kind of miraculous, rock-solid man logic dripping like motor oil from every sentence. It is a manifesto more memorable than bullshit like High Fidelity or which Axe baby powder Maxim thinks you should slap on your nuts before clubbing, more chock-full of devastating man quotes than Oscar Wilde with two wangs. Most important, it is the only one of its kind. In Men Are Better Than Women, Dick Masterson dispenses logic from his man mouth into the eyes of his male readers like some kind of mighty mother man eagle with nutrient-rich word vomit. It's a book that makes you feel like driving a train into a dynamite factory and then tearing a telephone book apart with your bare hands, just because that's the way men have always done it. Masterson's chapters are simple and self-contained, demand no commitments from readers, and have an immediate payoff. Men Are Better Than Women is a dangerous work of satire -- not dangerous in a revolutionary sense, but dangerous in that it walks the razor-thin line between cruelty and absurdity. That line is called hilarious.

Second Variety Philip K. Dick 2019-03-22 "Second Variety" is a science fiction short story by American writer Philip K. Dick, first published in Space Science Fiction magazine, in May 1953. Set in a world where war between the Soviet Union and United Nations has reduced most of the world to a barren wasteland, the story concerns the discovery, by the few remaining soldiers left, that self-replicating robots originally built to assassinate Soviet agents have gained sentience and are now plotting against both sides. It is one of many stories by Dick to examine the implications of nuclear war, particularly after it has destroyed much or all of the planet. The story was adapted into the movie *Screamers* in 1995. The short story "Jon's World," written in 1954, serves as a sequel.

Mr. Spaceship Philip K. Dick 2016-01-18 This early work by Philip K. Dick was originally published in 1953 and we are now republishing it with a brand new introductory biography. 'Mr. Spaceship' is a short story about a war with an alien civilisation. Philip Kindred Dick was born on December 16 1928, in Chicago, Illinois. Dick and his family moved to the Bay Area of San Francisco when he was young, and later on to Washington DC following his parents divorce. Dick attended Elementary school and then a Quaker school before the family moved back to California. It was around this time that Dick began to take an active interest in the science fiction genre, reading his first magazine 'Stirring Science Stories', at age twelve. Dick married five times between 1959 and 1973, and had three children. He sold his first story in 1951 and from that point on he wrote full-time, selling his first novel in 1955. In addition to 44 published novels, Dick wrote an estimated 121 short stories, most of which appeared in science fiction magazines during his lifetime. In addition to 44 published novels, Dick wrote an estimated 121 short stories, most of which appeared in science fiction

magazines during his lifetime. After his death, many of his stories made the transition to the big screen, with blockbuster films such as Blade Runner, Total Recall and Minority Report being based on his works.

Galactic Pot-Healer Philip K. Dick 2013 The Glimmung is a mysterious alien, which looks alternately like a flaming wheel, a teenage girl, and a swirling mass of ocean life. In this hilarious Philip K. Dick novel, it recruits a disparate group of humans and aliens to help it raise a ruined temple from the bottom of the ocean.

Go Away, Spot Foresman and Company Scott 2004-09 A collection of reissued stories with simple vocabulary featuring Dick, Jane, and other familiar characters.

Dick Prescott's Second Year at West Point H. Irving Hancock 2006-05-22 Leaving the road that wound by the officers' quarters at the north end, turning on to the road that passed the hotel, a hot, somewhat tired and rather dusty column of cadets swung along towards their tents in the distance. The column was under arms, as though the cadets had been engaged in target practice or out on a reconnaissance. The young men wore russet shoes, gray trousers and leggings, gray flannel shirts and soft campaign hats. Their appearance was not that of soldiers on parade, but of the grim toilers and fighters who serve in the field. Their work that morning had, in fact, been strictly in line with labor, for the young men, under Captain McAneny, had been engaged in the study of field fortifications. To be more exact, the young men had been digging military trenches - yes - digging them, for at West Point hard labor is not beneath the cadet's dignity.

The Exegesis of Philip K Dick Philip K. Dick 2011-11-07 Based on thousands of personal notes, letters and other written sources, a definitive presentation of the late science-fiction and metaphysical author's unpublished masterwork offers insight into his life-long exploration of the nature of reality and perception and the relationship between humanity and the divine.

Black'erchief Dick Margery Allingham 2022-06-13 Margery Allingham's book "Black'erchief Dick" was nearly lost through the ages. Written by the author when she was just eighteen years old, she quickly dropped the manuscript with publishers so she could continue working on other endeavors. Through the hard work of literary scholars and lovers, however, it was salvaged and is once again available to readers who wish to read this early 20th century novel. Though there are some themes that would, today, be considered politically incorrect, the book offers an interesting glance into the society that once was.

Piper in the Woods Philip K. Dick 2012-11-01 This is a collection of 26 short stories written by the writer behind movies like "Blade Runner" (1982), "Total Recall" (1990), "Screamers" (1995), "Minority Report" (2002), "Next" (2007) and "The Adjustment Bureau" (2011), just to mention a few. That means - High quality Sci-Fi from cover to cover in other words!

How to Manage Your DICK (Destructive Impulses Through Cyber Kinetics) Sean Joseph O'Reilly 2001 Our society emphasizes concepts like time and resource management, but for the most part ignores one very important kind of management: D.I.C.K. Management. An ecology of personal-energy use that studies destructive, testosterone-driven impulses from the perspective of metaphysics and science, D.I.C.K. Management is a new discipline that will teach readers how to redirect sexual energy and discover their more spiritually enlightened, mentally evolved selves.

The Defenders by Philip K. Dick Philip K. Dick 2017-11-24 "The Defenders" is a 1953 science fiction novelette by American author Philip K. Dick, and the basis for Dick's 1964 novel The Penultimate Truth. It is one of several of his stories to be expanded into a novel. The story was first published in the January 1953 issue of Galaxy Science Fiction.

Dick Merriwell's Trap - The Original Classic Edition Burt L. Standish 2013-03-11 Finally available, a high quality book of the original classic edition of Dick Merriwell's Trap. It was previously published by other bona fide publishers, and is now, after many years, back in print. This is a new and freshly published edition of this culturally important work by Burt L. Standish, which is now, at last, again available to you. Get the PDF and EPUB NOW as well. Included in your purchase you have Dick Merriwell's Trap in EPUB AND PDF format to read on any tablet, eReader, desktop, laptop or smartphone simultaneous - Get it NOW. Enjoy this classic work today. These selected paragraphs distill the contents and give you a quick look inside Dick Merriwell's Trap: Look inside the book: Standing apart, his heart beating hotly, Darrell saw her give back to Dick a locket containing her picture—a locket she had given to him once before when he had risked his life to save her from some savage dogs which attacked her on a lonely road on the outskirts of Fardale, and then demanded

again after her brother had told her some untrue tales about Dick. ...June knew he was thinking of Dick Merriwell, and she thought how nearly Dick had been knocked out of the game that day, how she had rushed to him as he lay on the field, and how she had given him the little locket as a "charm" to keep away misfortune in the future. About Burt L. Standish, the Author: William George 'Gilbert' Patten (October 25, 1866 - January 16, 1945) was a writer of dime novels and is best known as author of the Frank Merriwell stories, with the pen name Burt L. ...4 He wrote westerns with the pen name Wyoming Bill, but is best known for his sporting stories in the Frank Merriwell series, written as Burt L.

Ragged Dick Horatio Alger 2005-10 Purchase one of 1st World Library's Classic Books and help support our free internet library of downloadable eBooks. Visit us online at www.1stWorldLibrary.ORG - - "Ragged Dick" was contributed as a serial story to the pages of the Schoolmate, a well-known juvenile magazine, during the year 1867. While in course of publication, it was received with so many evidences of favor that it has been rewritten and considerably enlarged, and is now presented to the public as the first volume of a series intended to illustrate the life and experiences of the friendless and vagrant children who are now numbered by thousands in New York and other cities. Several characters in the story are sketched from life. The necessary information has been gathered mainly from personal observation and conversations with the boys themselves. The author is indebted also to the excellent Superintendent of the Newsboys' Lodging House, in Fulton Street, for some facts of which he has been able to make use. Some anachronisms may be noted. Wherever they occur, they have been admitted, as aiding in the development of the story, and will probably be considered as of little importance in an unpretending volume, which does not aspire to strict historical accuracy.

Dick Merriwell's Pranks - The Original Classic Edition Burt L. Standish 2013-03-11 Finally available, a high quality book of the original classic edition of Dick Merriwell's Pranks. It was previously published by other bona fide publishers, and is now, after many years, back in print. This is a new and freshly published edition of this culturally important work by Burt L. Standish, which is now, at last, again available to you. Get the PDF and EPUB NOW as well. Included in your purchase you have Dick Merriwell's Pranks in EPUB AND PDF format to read on any tablet, eReader, desktop, laptop or smartphone simultaneous - Get it NOW. Enjoy this classic work today. These selected paragraphs distill the contents and give you a quick look inside Dick Merriwell's Pranks: Look inside the book: "Come now," said Dick, "let's get on shore in a hurry and see if we can't keep clear of Major Mowbry Fitts, unless you are anxious to get yourself carved up or shot full of lead. ...Then Mustapha, the dragoman, whispered a word in Dick's ear, and directly the boy slipped some money into the hand of one of the officers, whose manner toward them underwent a most surprising change, for he politely assured them that their baggage would not be opened and that there need not be the slightest delay. About Burt L. Standish, the Author: William George 'Gilbert' Patten (October 25, 1866 - January 16, 1945) was a writer of dime novels and is best known as author of the Frank Merriwell stories, with the pen name Burt L. ...4 He wrote westerns with the pen name Wyoming Bill, but is best known for his sporting stories in the Frank Merriwell series, written as Burt L.

Dick Caroline De Costa 2003 All the things you've ever wanted to know but were too afraid to ask!

The New Cambridge Companion to Herman Melville Robert S. Levine 2014 This new collection offers timely, critical essays specially commissioned to provide a comprehensive overview of Melville's career. *The Eyes Have It* Philip K. Dick

Setting Your Genius Free Dick Richards 1998 The bestselling author of the award-winning "Artful Work" offers a guide to nurturing the natural genius within. Dandy Dick - A Play in Three Acts - The Original Classic Edition Arthur Wing Pinero 2013-03-18 Finally available, a high quality book of the original classic edition of Dandy Dick - A Play in Three Acts. It was previously published by other bona fide publishers, and is now, after many years, back in print. This is a new and freshly published edition of this culturally important work by Arthur Wing Pinero, which is now, at last, again available to you. Get the PDF and EPUB NOW as well. Included in your purchase you have Dandy Dick - A Play in Three Acts in EPUB AND PDF format to read on any tablet, eReader, desktop, laptop or smartphone simultaneous - Get it NOW. Enjoy this classic work today. These selected paragraphs distill the contents and

give you a quick look inside *Dandy Dick - A Play in Three Acts*: Look inside the book: But a kind of melancholy interest attaches to "Dandy Dick," for this play was, as it were, the swan-song of the old theatre and of the Clayton and Cecil partnership; and it was the piece in which Mr. ...Well, of course Major Tarver begged to be allowed to pay for the dresses, and I said I couldn't dream of permitting it, and then he said he should be most unhappy if he didn't, and, just as I thought he was going to have his own way, bursting into tears he cheered up and said he'd yield to a lady. ...But when I condescended to keep company with the Canons and the Bishop here I promised Augustin that I wouldn't own anything on four legs, so John sold you half of Dick, and I can swear I don't own a horse—and I don't—not a whole one. About Arthur Wing Pinero, the Author: Following the sinking of the RMS Lusitania by German U-boat on 7 May 1915, Pinero wrote to The Times calling on naturalised British citizens of German origin to make public statements of their loyalty to the King and reject Germany's methods of warfare: ...We are in the tenth month on a war which has from the beginning been carried on by Germany with almost unspeakable treachery and vileness; but up to the present time not a single one of the distinguished Germans in our midst has thought fit to make a public avowal of his disagreement with the deliberate policy of barbarism pursued by the German Powers or to utter a word of indignation and disclaimer.

Moby-Dick 2019-05-07 In time for the 200th anniversary of author Herman Melville's birth, this graphically arresting, beautifully rendered pop-up retelling of *Moby-Dick* is a wonder to behold. Rich linocut artworks portray ten key chronological moments from the story in shadowbox-style pop-ups that reward time spent poring over the details and offer fresh perspectives on the classic. Each spread is accompanied by select quotations from the book, while brief page notes provide additional context for the depicted plot moments. With striking typography presented in an authentic broadsheet style, here is an adventure in book craft and storytelling.

500 Dick Pics - Premium Selection for the Genuine Devotee Phil Mycock 2019-11-26 A book that is SURE to turn heads!!! Hilarious blank book for your notes and journaling

I Love Dick Chris Kraus 2016-07-22 A self-described failed filmmaker falls obsessively in love with her theorist-husband's colleague: a manifesto for a new kind of feminism and the power of first-person narration. In *I Love Dick*, published in 1997, Chris Kraus, author of *Aliens & Anorexia*, *Torpor*, and *Video Green*, boldly tore away the veil that separates fiction from reality and privacy from self-expression. It's no wonder that *I Love Dick* instantly elicited violent controversies and attracted a host of passionate admirers. The story is gripping enough: in 1994 a married, failed independent filmmaker, turning forty, falls in love with a well-known theorist and endeavors to seduce him with the help of her husband. But when the theorist refuses to answer her letters, the husband and wife continue the correspondence for each other instead, imagining the fling the wife wishes to have with Dick. What follows is a breathless pursuit that takes the woman across America and away from her husband and far beyond her original infatuation into a discovery of the transformative power of first person narrative. *I Love Dick* is a manifesto for a new kind of feminist who isn't afraid to burn through her own narcissism in order to assume responsibility for herself and for all the injustice in world and it's a book you won't put down until the author's final, heroic acts of self-revelation and transformation.

Dive Deeper George Cotkin 2012-09-06 An easy-to-navigate guide to Herman Melville's epic American novel, *Dive Deeper* consists of 135 brief chapters, along with Etymology, Extracts, and Epilogue, each keyed to a phrase, issue, image, sensibility or notion in corresponding chapters of the original.

The Man in the High Castle Philip K. Dick 2011 In a classic work of alternate history, the United States is

divided up and ruled by the Axis powers after the defeat of the Allies during World War II. Reissue. Winner of the Hugo Award for Best Novel.

I Am Alive and You Are Dead Emmanuel Carrère 2017-10-24 For his many devoted readers, Philip K. Dick is not only one of the "one of the most valiant psychological explorers of the 20th century" (The New York Times) but a source of divine revelation. In the riveting style that won accolades for *The Adversary*, Emmanuel Carrère's *I Am Alive and You Are Dead*, follows Dick's strange odyssey from his traumatic beginnings in 1928, when his twin sister died in infancy, to his lonely end in 1982, beset by mystical visions of swirling pink light, three-eyed invaders, and messages from the Roman Empire. Drawing on interviews as well as unpublished sources, he vividly conjures the spirit of this restless observer of American postwar malaise who subverted the materials of science fiction--parallel universes, intricate time loops, collective delusions--to create classic works of contemporary anxiety.

Beyond the Door Philip K. Dick 2016-01-18 This early work by Philip K. Dick was originally published in 1954 and we are now republishing it with a brand new introductory biography. 'Beyond the Door' is a short story about a sentient cuckoo clock. Philip Kindred Dick was born on December 16 1928, in Chicago, Illinois. Dick and his family moved to the Bay Area of San Francisco when he was young, and later on to Washington DC following his parents divorce. Dick attended Elementary school and then a Quaker school before the family moved back to California. It was around this time that Dick began to take an active interest in the science fiction genre, reading his first magazine 'Stirring Science Stories', at age twelve. Dick married five times between 1959 and 1973, and had three children. He sold his first story in 1951 and from that point on he wrote full-time, selling his first novel in 1955. In addition to 44 published novels, Dick wrote an estimated 121 short stories, most of which appeared in science fiction magazines during his lifetime. In addition to 44 published novels, Dick wrote an estimated 121 short stories, most of which appeared in science fiction magazines during his lifetime. After his death, many of his stories made the transition to the big screen, with blockbuster films such as *Blade Runner*, *Total Recall* and *Minority Report* being based on his works.

[Penguin Readers Level 7: Moby Dick \(ELT Graded Reader\)](#) Herman Melville 2020-11-05 Penguin Readers is an ELT graded reader series. Please note that the eBook edition does NOT include access to the audio edition and digital book. Written for learners of English as a foreign language, each title includes carefully adapted text, new illustrations and language learning exercises. Titles include popular classics, exciting contemporary fiction, and thought-provoking non-fiction, introducing language learners to bestselling authors and compelling content. The eight levels of Penguin Readers follow the Common European Framework of Reference for language learning (CEFR). Exercises at the back of each Reader help language learners to practise grammar, vocabulary, and key exam skills. Before, during and after-reading questions test readers' story comprehension and develop vocabulary. *Moby Dick*, a Level 7 Reader, is B2 in the CEFR framework. The longer text is made up of sentences with up to four clauses, introducing future perfect simple, mixed conditionals, past perfect continuous, mixed conditionals, more complex passive forms and modals for deduction in the past. When the young sailor "Ishmael" decides to sail on the Pequod with the mysterious Captain Ahab, he has no idea about Ahab's plans to get revenge on the great white whale *Moby Dick*. Ahab wants to find and kill the whale at any cost - even if it means losing his ship and his crew. Visit the Penguin Readers website Register to access online resources including tests, worksheets and answer keys. Exclusively with the print edition, readers can unlock a digital book and audio edition (not available with the eBook).
