White Cargo Don Jordan 2008-03-08 White Cargo is the forgotten story of the thousands of Britons who lived and died in bondage in Britain's American colonies. In the seventeenth and eighteenth centuries, more than 300,000 white people were shipped to America as slaves. Urchins were swept up from London's streets to labor in the tobacco fields, where life expectancy was no more than two years. Brothels were raided to provide "breeders" for Virginia. Hopeful migrants were duped into signing as indentured servants, unaware they would become personal property who could be bought, sold, and even gambled away. Transported convicts were paraded for sale like livestock. Drawing on letters crying for help, diaries, and court and government archives, Don Jordan and Michael Walsh demonstrate that the brutalities usually associated with black slavery alone were perpetrated on whites throughout British rule. The trade ended with American independence, but the British still tried to sell convicts in their former colonies, which prompted one of the most audacious plots in Anglo-American history. This is a saga of exploration and cruelty spanning 170 years that has been submerged under the overwhelming memory of black slavery. White Cargo brings the brutal, uncomfortable story to the surface.

The Palatine Families of New York Henry Z. Jones 1985

Palatine Roots Nancy Wagoner Dixon

1994-01-01 Johann Peter Wagner was born in 1687. He married Maria Margaretha Laux in 1708 and emigrated from Dachsenhausen, Germany to America in 1709. "What Johann Peter went through, with but a few variations, was what happened to his compatriots in the other 846 families who arrived in New York in 1710"-- Forward.

A Brief History of Germany Jason Philip Coy 2011 A comprehensive exploration of the many events and figures that comprise Germany's history. The story of Germany, a key player in global diplomatic and economic affairs, is crucial to our understanding of global history and the contemporary world. Covering more than 2,000 years of history, A Brief History of Germany provides a concise account of the events, people, and special customs and traditions that have shaped Germany from ancient times to the present. Basic facts, a chronology, a bibliography, and a list of suggested readings round out this insightful and comprehensive resource. Coverage includes: Formation of a distinctive German language and culture during the Germanic migrations and the confrontation with Rome Consolidation of medieval principalities in the wake of the collapse of Carolingian authority and the construction of the Holy Roman Empire Tumultuous events of the

Reformation and the devastation of the Thirty Years' War
Unification of Germany
Rise of Prussian imperialism in the 19th century
The two world wars, the rise of Nazism, and the Holocaust
Experience of a divided Germany during the cold war
The country's eventual reunification as the Federal Republic of Germany
Contemporary Germany.

Early Eighteenth Century Palatine

Emigration Walter Allen Knittle 1936

The Book of Names, Especially Relating to the Early Palatines and the First Settlers in the Mohawk Valley

Lou D. MacWethy 2010-10

When originally published in 1933, this classic work listed for the first time the names of the early Palatines of New York State, the original settlers of the Mohawk Valley, known as the "Gateway to the West." The estimated 20,000 names are classified, combined, and otherwise arranged to enable the researcher to identify Palatine immigrants in relation to specific categories of records. Among the important lists of names are the following: (1) The Kocherthal records of baptisms, marriages, and deaths, 1708-1719; (2) Palatine heads of families, from Gov. Hunter's Ration Lists, 1710-1714; (3) Lists of Palatines in 1709 (the four London lists of emigrants from Germany, most of whom emigrated to America); (4) Palatines remaining and newly arrived in New York, from the colonial census of 1710; (5) Names of Palatine children apprenticed by Gov. Hunter, 1710-1714; and (6) Various lists of Palatines in the colonial militia of New York.

OCR GCSE History SHP: Migrants to Britain 1250 to Present

Martin Spafford 2016-05-27 Let SHP successfully steer you through their new specification with an exciting, enquiry-based series that invigorates teaching and learning; combining best practice principles and worthwhile tasks to develop students' high-level historical knowledge and skills. - Tackle unfamiliar topics from the broadened curriculum with confidence: the engaging, accessible text covers the content you need for teacher-led lessons and independent study - Ease the transition to GCSE: step-by-step enquiries inspired by best practice in KS3 help to simplify lesson planning and ensure continuous progression within and across units - Build the knowledge and understanding students need to

succeed: the scaffolded three-part task structure enables students to record, reflect on and review their learning - Boost student performance across the board: suitably challenging tasks encourage high achievers to excel at GCSE while clear explanations make key concepts accessible to all - Rediscover your enthusiasm for source work: a range of purposeful, intriguing visual and written source material is embedded at the heart of each investigation to enhance understanding - Develop students' sense of period: the visually stimulating text design uses memorable case studies, diagrams, infographics and contemporary photos to bring fascinating events and people to life About this book Migrants to Britain is a brand new topic for GCSE History investigating 800 years of British immigration. It examines the reasons for immigration and the impact of immigration on Britain and its Empire. This textbook is SHP's official text for this thematic unit providing comprehensive coverage of the content through an enquiry approach. It is written by Martin Spafford and Dan Lyndon who are both closely involved in BASA - the Black and Asian Studies Association who have led the development of this unit of the new SHP specification. The book is edited by the current Director of the Schools History Project Michael Riley and former History adviser for Devon, Jamie Byrom. Both Michael and Jamie have been driving the development of the new SHP specification, writing the content and the specimen assessment material.

Germans in the New World

Frederick C. Luebke 1999 Provides history of German immigrants in the United States and Brazil that ranges from institutional and state history to comparative studies on an intercontinental scale. This book offers both a record of an individual odyssey within immigration history and a statement about the need for thoughtful reflections on the field.

Becoming German Philip L. Otterness 2013-11-12

Becoming German tells the intriguing story of the largest and earliest mass movement of German-speaking immigrants to America. The so-called Palatine migration of 1709 began in the western part of the Holy Roman Empire, where perhaps as many as thirty thousand people left their homes, lured by rumors that Britain's Queen Anne would give them free passage overseas and

land in America. They journeyed down the Rhine and eventually made their way to London, where they settled in refugee camps. The rumors of free passage and land proved false, but, in an attempt to clear the camps, the British government finally agreed to send about three thousand of the immigrants to New York in exchange for several years of labor. After their arrival, the Palatines refused to work as indentured servants and eventually settled in autonomous German communities near the Iroquois of central New York. Becoming German tracks the Palatines' travels from Germany to London to New York City and into the frontier areas of New York. Philip Otterness demonstrates that the Palatines cannot be viewed as a cohesive "German" group until after their arrival in America; indeed, they came from dozens of distinct principalities in the Holy Roman Empire. It was only in refusing to assimilate to British colonial culture—instead maintaining separate German-speaking communities and mixing on friendly terms with Native American neighbors—that the Palatines became German in America.

Lumbee Indian Histories Gerald M. Sider 1994-06-24 Gerald Sider explores the dynamics of the struggle for racial and ethnic identities in the southern United States, focusing on the Lumbee Indians of North Carolina. He provides a history of American Indian concepts and visions of history and shows how differing interpretations of history cause traditionally oppressed peoples to continue their struggle.

The Cambridge History of Judaism: Volume 2, The Hellenistic Age William David Davies 1984 Vol. 4 covers the late Roman period to the rise of Islam. Focuses especially on the growth and development of rabbinic Judaism and of the major classical rabbinic sources such as the Mishnah, Jerusalem Talmud, Babylonian Talmud and various Midrashic collections.

The Ephrata Commune Everett Gordon Alderfer 1985 Tells of the founding and subsequent history of Ephrata, a mystical religious community that flourished in eastern Pennsylvania in the mid-eighteenth century. Its leader, Conrad Beissel, a German Pietist who came to America in 1720 seeking spiritual peace and solitude. Settled in Lancaster County, his talents and charisma attracted other German

settlers who shared his vision of a community built in the image of apostolic Christianity.
The Theory of the State Johann Caspar Bluntschli 1885

Blue Book of Schuylkill County Ella Zerbey Elliott 1916

Making Prussians, Raising Germans Jasper Heinzen 2017-08-31 An investigation into why the creation of nation-states coincided with bouts of civil war in the nineteenth-century Western world.

The Mohawk Valley Hugh P. Donlon 2015

Hopeful Journeys Aaron Spencer Fogleman 1996-02 "The first comprehensive history of the settlement of Germans in the 1700s and how they influenced the economy, politics, and ways of life in the New World."—Pennsylvania

Public Administration in Germany Sabine Kuhlmann 2021-01-29 This open access book presents a topical, comprehensive and differentiated analysis of Germany's public administration and reforms. It provides an overview on key elements of German public administration at the federal, Länder and local levels of government as well as on current reform activities of the public sector. It examines the key institutional features of German public administration; the changing relationships between public administration, society and the private sector; the administrative reforms at different levels of the federal system and numerous sectors; and new challenges and modernization approaches like digitalization, Open Government and Better Regulation. Each chapter offers a combination of descriptive information and problem-oriented analysis, presenting key topical issues in Germany which are relevant to an international readership.

The Maryland Germans Dieter Cunz 2015

German Pioneers on the American Frontier

Andreas Reichstein 2001 Wilhelm Wagner (1803-1877), son of Peter Wagner, was born in Dürkheim, Germany. He married Friedericke Odenwald (1812-1893). They had nine children. They emigrated and settled in Illinois. His brother, Julius Wagner (1816-1903) married Emilie M. Schneider (1820-1896). They had seven children. They emigrated and settled in Texas.

Germans in Minnesota Kathleen Neils Conzen

2014-11-20 A concise history of Germans in Minnesota including immigration pattern, the Catholic and Lutheran churches, cultural organizations, business and politics especially in the World War 1 year. Minnesota is often associated with its Scandinavian heritage, but in fact Germans are the largest single immigrant group in Minnesota history and were the largest ancestry group in the 2000 census. Author Kathleen Neils conzen tells the story of German Americans and their profound influence on Minnesota history and culture. Conzen recounts their triumphs and struggles over the last 150 years in a clear and concise narrative. Landing in poverty, Germans transformed acres of wilderness into productive farms and brought to America their love of art, music and sociability. Immigrants came to America intent on creating in the words of one agent, "an earthly paradise of

this Minnesota "and" a new Germany" soon rose in Stearns Country. Conzen explores not only the well known enclaves in Brown and Stearns Countries but also looks at the smaller communities of Winona, on the Iron Range, and along the North Shore, as well as in the Twin Cities. In recent times, a renewed interest in German heritage can be seen in towns like New Ulm, home to the thirty-two-foot statue of Hermann the German, hero of the wars against the ancient Roman legions, and Heritagefest, the ethnic heritage festival that occurs every summer. *Germans in Minnesota* is the fifth book in *The People of Minnesota*, a new series dedicated to telling the history of the state through the stories of its ethnic groups in accessible and illustrated paperbacks. Future volumes include *Chinese in Minnesota* (due Fall 2003), *Mexicans in Minnesota* (due Spring 2004), *Swedes in Minnesota* (due Spring 2004), *Poles in Minnesota* (due Fall 2004), *Ojibwe in Minnesota*, *Dakota in Minnesota*, and *Hmong in Minnesota*. *Prominent Families of New York* Lyman Horace Weeks 1898

Pennsylvania German Pioneers Ralph Beaver Strassburger 1966

The Story of the Palatines Sanford Hoadley Cobb 1897

Migrating Words, Migrating Merchants, Migrating Law 2019-11-26 *Migrating Words, Migrating Merchants, Migrating Law*, edited by S. Gialdroni, A. Cordes, S. Dauchy, D. De ruyscher and H. Pihlajamäki, offers a transdisciplinary account of the connections between merchants' journeys, the languages they used and the development of commercial law.

The Early Germans of New Jersey Theodore Frelinghuysen Chambers 1895

Palatines, Liberty, and Property A. G. Roeber 1998-05-08 Historians usually look for the origins of American political culture among English-speaking people and British constitutional and legal sources. Yet German immigrants to the colonies also contributed to - and developed for themselves - an American political consciousness. In *Palatines, Liberty, and Property* A.G. Roeber focuses on this neglected subject and explains why so many Germans, when they faced critical choices in 1776, became active supporters of the patriot cause. Employing a variety of German-language sources, Roeber

explores German conceptions of personal and public property in the context of cultural and religious beliefs, village life, and family concerns. He follows all the major German migration streams, beginning with the Palatines in New York and including Germans who settled in Pennsylvania, Virginia, South Carolina, and Georgia. Roeber's study of German-American ideas about liberty and property provides a unique perspective within a growing historiography on the transfer of culture and beliefs from Europe and Africa to America. *The Palatine Wreck* Jill Farinelli 2017-09-05 Two days after Christmas in 1738, a British merchant ship traveling from Rotterdam to Philadelphia grounded in a blizzard on the northern tip of Block Island, twelve miles off the Rhode Island coast. The ship carried emigrants from the Palatinate and its neighboring territories in what is now southwest Germany. The 105 passengers and crew on board-sick, frozen, and starving-were all that remained of the 340 men, women, and children who had left their homeland the previous spring. They now found themselves castaways, on the verge of death, and at the mercy of a community of strangers whose language they did not speak. Shortly after the wreck, rumors began to circulate that the passengers had been mistreated by the ship's crew and by some of the islanders. The stories persisted, transforming over time as stories do and, in less than a hundred years, two terrifying versions of the event had emerged. In one account, the crew murdered the captain, extorted money from the passengers by prolonging the voyage and withholding food, then abandoned ship. In the other, the islanders lured the ship ashore with a false signal light, then murdered and robbed all on board. Some claimed the ship was set ablaze to hide evidence of these crimes, their stories fueled by reports of a fiery ghost ship first seen drifting in Block Island Sound on the one-year anniversary of the wreck. These tales became known as the legend of the Palatine, the name given to the ship in later years, when its original name had been long forgotten. The flaming apparition was nicknamed the Palatine Light. The eerie phenomenon has been witnessed by hundreds of people over the centuries, and numerous scientific theories have been offered as to its origin. Its continued

reappearances, along with the attention of some of nineteenth-century America's most notable writers-among them Richard Henry Dana Sr., John Greenleaf Whittier, Edward Everett Hale, and Thomas Wentworth Higginson-has helped keep the legend alive. This despite evidence that the vessel, whose actual name was the Princess

Augusta, was never abandoned, lured ashore, or destroyed by fire. So how did the rumors begin? What really happened to the Princess Augusta and the passengers she carried on her final, fatal voyage? Through years of painstaking research, Jill Farinelli reconstructs the origins of one of New England's most chilling maritime mysteries.
