Puppy Socialization Marge Rogers

2021-06-23 Puppy Socialization: What It Is and How to Do It defines and demystifies the most important thing you can do for your puppy: socialization. The authors don't just tell you what you need to know about socialization. They show you with dozens of photographs and exclusive linked videos (a live internet connection is needed to view the videos). You'll see other owners socialize their puppies under the guidance of a nationally certified dog trainer and behavior consultant. These real-life examples of socialization show you what to do when things go well and when they don't go so well. You'll learn about: • The magical time. Did you know that there is a special time in a puppy's life when he is primed to accept new things? The authors tell you when that time is, when that socialization window starts closing, and how a little effort by an owner during that time can save heartache later. • Canine body language. Puppies and dogs are talking all the time—with their body language. Learn to tell when a puppy or dog is relaxed and happy, a bit nervous about something, or outright fearful. • Myth-busting. There's a lot of advice out there about socialization and not all of it is good. Some common myths can actually cause a puppy harm. The authors give you the most up-to-date information on puppy socialization and put some harmful myths to rest. • Socializing a puppy during COVID-19. Puppies have so much to get used to: people, environments, noises, and more. The authors provide strategies for keeping humans and puppies safe while socializing puppies, even during the COVID-19 pandemic. • What supplies are needed during socialization. The authors provide checklists of things owners need when socializing a puppy at home and away from home.

Pet That Cat! Nigel Kidd 2022-07-12 A fun and informative handbook for young readers on understanding and caring for our feline friends from the kid behind the popular Twitter account I've Pet That Cat! Pet That Cat! A Handbook for Making Feline Friends is an illustrated guide to understanding, befriending, and caring for cats by Nigel Kidd and his mom, Rachel Braunigan. This fact-filled and fun guide features: • A guide to cat body language—what does it mean when your cat's tail looks like a question mark or is puffed up? • Helpful tips on how to safely interact with new feline friends. Hint: Let them approach first! • Advice for adopting and caring for your own cat. Choose the perfect cat for you! • Stories of cats throughout history and myth-busting facts—did you know every cat has a unique noseprint? • A cat personality quiz and your very own Cat Tracker to record all the feline friends you meet! This kid-friendly handbook pairs charming illustrations with an interactive format. With step-by-step guides, fascinating stories, and tips from cat experts and Nigel, Pet That Cat! is a must-have handbook for feline fans of all ages. And for dog-lovers and kids curious about dogs, check out Pet That Dog! A Handbook for Making Four-Legged Friends.

My Pet Wants a Pet Elise Broach 2018-03-06 A charming picture book that cleverly captures a universal wish—to love and care for something—and shows that you're never too little to share in that dream, by New York Times-bestselling author Elise Broach. Once there was a boy who wanted something to take care of. Something of his very own. He begged his mother for a puppy. Until she said YES! The boy loved his puppy. He fed him and played with him and cuddled him. But soon, the dog wanted something to take care of—something of his very own. So the dog gets a pet cat; then the cat gets a pet bird; the bird gets a pet worm; the worm gets a pet flea . . . and on and on it goes as utter chaos ensues. When speech-language pathologist Christina Hunger first came home with her puppy, Stella, it didn't take long for her to start drawing connections between her job and her new pet. During the day, she worked with toddlers with significant delays in language development and used

Downloaded from vla.ramtech.uri.edu on September 22, 2023 by Dona x Williamson

Augmentative and Alternative Communication (AAC) devices to help them communicate. At night, she wondered: If dogs can understand words we say to them, shouldn't they be able to say words to us? Can dogs use AAC to communicate with humans? Christina decided to put her theory to the test with Stella and started using a paw-sized button programmed with her voice to say the word "outside" when clicked, whenever she took Stella out of the house. A few years later, Stella now has a bank of more than thirty word buttons, and uses them daily either individually or together to create near-complete sentences. How Stella Learned to Talk is part memoir and part how-to guide. It chronicles the journey Christina and Stella have taken together, from the day they met, to the day Stella "spoke" her first word, and the other breakthroughs they've had since. It also reveals the techniques Christina used to teach Stella, broken down into simple stages and actionable steps any dog owner can use to start communicating with their pets. Filled with conversations that Stella and Christina have had, as well as the attention to developmental detail that only a speech-language pathologist could know, How Stella Learned to Talk will be the indispensable dog book for the new decade.

You can use everything that you want This irreverent and swearsy coloring book features laugh-out-loud funny and original designs that are perfect for taking the stress out of work, relationships, family gatherings, and other unnecessarily stressful situations. Relaxing Coloring Pages. Every page you color will pull you into a relaxing world where your responsibilities will seem to fade away... Beautiful Illustrations. We've included 69 page images for you to express your creativity and make masterpieces. Which colors will you choose for this book? Single-sided Pages. Every image is placed on its own black-backed page to reduce the bleed-through problem found in other coloring books. Great for All Skill Levels. You can color every page however you want and there is no wrong way to color (even if you are a beginner). Makes a Wonderful Gift. Know someone who loves to color? Make them smile by getting them a copy too. You could even color together!
