**Who Among Us?** Mario Benedetti 2019-06-06 'This novel is a jewel ... one of those books that enters the soul, which it is impossible not to be conquered by. It is a masterpiece like few others' Huffington Post Miguel and Alicia fall quietly in love as teenagers, walking back from school together. When Lucas - enigmatic, charismatic - arrives, everything changes, and Miguel is certain he has lost Alicia. Yet, against the odds, she marries him. Now, eleven years later, their marriage has begun to fray, and Alicia sets out to see Lucas again. **Acts of Infidelity** Lena Andersson 2019-04-23 Like diving into the mind of a brilliant, infuriating friend, this novel dissects the experience of "the other woman" with tremendous wit and insight. When Ester Nilsson meets the actor Olof Sten, she falls madly in love. Olof makes no secret of being married, but he and Ester nevertheless start to meet regularly and begin a strange dance of courtship. Olof insists he doesn't plan to leave his wife, but he doesn't object to this new situation either...it's far too much fun. Ester, on the other hand, is convinced that things might change. But as their relationship continues over repeated summers apart, and winters full of heated meetings in bars, she is forced to realize the truth: Ester Nilsson has become a mistress. Ester's and Olof's entanglements and arguments are the stuff of relationship nightmares. Cutting, often cruel, and written with piercing humor, Acts of Infidelity is clever, painful, maddening, but most of all perfectly, precisely true.

**The Scent of the Moon** Selene Calloni Williams 2016-07-18T13:35:00+02:00 Kazimir, Svetlana and Anastasia are real characters. They live in a very remote part of the Siberian steppe. Kazimir is a white shaman with extraordinary power, a healer whose fame has reached as far as Kazakhstan, Mongolia and Moscow. Svetlana is a black shaman, able to travel through the underworld, the realm of the invisible, of ancestors, of dreams, of the soul, and take others with her, on extraordinary shamanic voyages. Anastasiya, Svetlana’s niece, is one of the very few shamans in the world who masters the art of both white and black shamanism. By whoever knows her, or even just heard of her, she is considered a reincarnation of the Princess of Altay. Selene Calloni Williams and her son Michelangelo have met these three shamans by chance during one of their extraordinary research trips, while attempting to reach the burial site of the Princess of Altay. To gain the three shamans’ trust, Selene and Michelangelo have visited them on several occasions since, even in winter when the steppe is freezes at minus 40 degrees. One day, Svetlana decided to entrust them with a “tale of power”. A “tale of power” has the ability of communicating images containing new possibilities of thought and action. In this world everything is imagination and nothing which hasn’t been imagined before can happen. For example, how could the first man have hunted the first mammoth, or the first tyrannosaurus have devoured the first velociraptor, if within instinct the image of hunt hadn’t existed? In order for behaviour to exist there always must be a guiding image. These are the images which the ancients addressed as gods and which psychoanalysts define as archetypes: the original forms of all experiences. Shamans are able to converse with gods. They are bards, storytellers, they know tales able to bring images into existence, create possibilities which were previously unexplored, and thus can solve otherwise insurmountable problems. These are not just any stories; they’re “tales of power”. This book tells the story of the passionate love which bonds a boy and a girl, an old man and an old woman, tells of eagles and underworlds, describes the “shamanic journey” and the triumph of love over fear and death. It is not just any story; it shares active secrets, treasures, like magic diamonds which enter the body between one page and the other, between an adventure and the other. This book can be read at the blink of an eye, the same blink with which the great spirit of the Black Eagle, the lord of the dead, will carry you down to the underworld, to then take you back, changed forever, to your life: it’s magic, it’s poetry.

**The Living Infinite** Chantel Acevedo 2017 The Living Infinite is based on the true story of the Spanish princess Eulalia, an outspoken firebrand at the Bourbon court during the troubled and decadent final years of her family’s reign. After her cloistered childhood at the Spanish court, her youth spent in exile, and a loveless marriage, Eulalia gladly departs Europe for the New World. In the company of Thomas Aragon, the son of her one-time wet nurse and a small-town bookseller with a thirst for adventure, she travels by ship first to a Cuba bubbling with revolutionary fervor then on to the 1893 Chicago World Fair. As far as others are concerned, she is there as an emissary of the Bourbon dynasty and a guest of the Fair. Secretly, she is in America to find a publisher for her scandalous, incendiary autobiography, a book that might well turn the old world order on its head. Acevedo’s new novel is an atmospheric and gripping tale of love, adventure, power and the quest to take control of one’s destiny. Bourbon Spain, Revolutionary Cuba, and fin de si cle America are vividly rendered and Eulalia’s personal rebellion will resonate with many readers.

**Adventures of a Young Naturalist** David Attenborough In 1954, a young television presenter was offered the opportunity of a lifetime - to travel the world finding rare and elusive animals for London Zoo’s collection, and to film the expeditions for the BBC. His name was David Attenborough, and the programme, ‘Zoo Quest’, not only heralded the start of a remarkable career in broadcasting, but changed the way we viewed the natural world forever. Written with his trademark wit and charm, this is not just the story of a remarkable adventure, but of the man who made us fall in love with the natural world, and who is still doing so today.

*The Fugitive* Massimo Carlotto 2013-04-16 From the author of Death’s Dark Abyss and The Goodbye Kiss comes an extraordinary tale of life on the run. Massimo Carlotto’s odyssey began in 1976 when, as a member of a militant leftwing organization that had fallen awry of the ruling powers, he was arrested and falsely accused of murder. Unwilling to play the role of fall guy in a political power struggle, he chose to flee the country rather than wait for a verdict that the whole country knew was a foregone conclusion. He first went into hiding in the French underworld and then made his way to a Mexico embroiled in bloody class conflict. Betrayed by a Mexican lawyer, he returned to Italy in 1985 and spent six years in prison, during which time the “Carlotto case” became Italy’s most famous legal fiasco. Carlotto was finally freed with a presidential pardon in 1993. Subsequently, his case helped bring about significant changes to the Italian criminal code to ensure that similar judicial travesties would never happen again. The Fugitive is the first book that Carlotto wrote as a free man. It tells his story with verve and humor. Virtually a handbook on how to live life on the run, The Fugitive is also a vibrant novel full of vivid underworld characters and breathtaking moments that Carlotto recounts in the cool, lucid prose that has become his trademark.

*Love in the Days of Rebellion* Ahmet Altan 2020-11-26 The second instalment in the Ottoman Quartet—the masterful saga of Turkish history by Ahmet Altan—follows the vast and vivid cast of characters introduced in the first volume of the series, Like A Sword Wound. By weaving together tortured love affairs, political intrigue, power struggles, and social upheavals, the novel offers a powerful and vivid tableau of the crisis of the Ottoman Empire in the early 20th century. The second instalment opens with the attempted suicide of Hikmet Bey, the son of the sultan's personal physician. The reason for his extreme gesture is, to forget the extremely beautiful and proud Mehpare Hanım, his wife and the cause of all his suffering. While Hikmet recovers in a hospital in Thessaloniki, slowly regaining his strength and will to live, radical changes are afoot in the Ottoman capital. The power of the sultan is eroding, a rebellion is brewing, and violence erupts on the streets of Istanbul. It is the eve of one of the key events that will lead to the collapse of the Empire: the countercoup of 1909. With striking clarity and imaginative power, Altan evokes the traumas and upheavals of Ottoman history, showing how—over a hundred years later—the events and wounds of that time still resonate in the tensions and contradictions of today's Turkey. **Shakespeare Never Did This** Charles Bukowski 2010-11-16 An account of Charles Bukowski's 1978 European trip. *Diaboliad* Mikhail Bulgakov 2016-03-22 “Bulgakov’s strong point was his ability to amplify the roots of man’s dementia, the howls of political pandemonium . . . a lively collection.” —The Washington Post Book World Mikhail Bulgakov’s Diaboliad and Other Stories, comprised of Diaboliad, No. 13–The Elpit Workers’ Commune, A Chinese Tale, and The Adventures of Chichikov, serves as an excellent introduction to this renowned Russian satirist and playwright’s work. Black comedy, biting social and political commentary, and Bulgakov’s unique narrative exuberance combine to tell the tales of labyrinthine post-Revolution bureaucracy; clashes between science, the intellectual class, and the state; and the high price to be paid for the promised utopian world of Communism in early Soviet Russia. Bulgakov’s signature eloquent skewering of the various shortcomings of the world around and within him can be found on every page, and horror and magic interweave in a constant dance of the absurd—a dance that would reach its highest point both stylistically and thematically in Bulgakov’s tour de force novel **The Master** and Margarita. “One of the most original voices of the twentieth century.” —The Guardian, UK

**Endgame** Ahmet Altan 2016-03-08 The worldwide English debut of the million-copy-bestselling Turkish author Bestselling Turkish author Ahmet Altan released his new novel, Endgame, in 2013, and sold hundreds of thousands of copies within the first weeks of publication. His previous novel, The Longest Night, published nine years earlier, sold one million copies in Turkey alone. With this English-language publication of Endgame, HarperCollins joins with international publishers to bring this masterful novelist to English readers for the first time. In this sweeping story, a novelist travels to a small town near the coast to write a murder mystery and instead, through a series of twists and turns, becomes a murderer himself. Over the course of one night, he reveals what drove him to murder, including a love affair, a dangerous friendship with the town’s mayor, and an unwitting involvement in the power struggle among the townsfolk who believe that treasure is buried in the nearby hills. As with all of Altan’s work, the story is rife with fear, courage, evil, virtue, loyalty, betrayal, pleasure, sins, sex, dreams and solitude, all drawing us back to the power of the written word and the complexity of human relationships.

**Walk Through Walls** Marina Abramovic 2016-10-25 “I had experienced absolute freedom—I had felt that my body was without boundaries, limitless; that pain didn’t matter, that nothing mattered at all—and it intoxicated me.” In 2010, more than 750,000 people stood in line at Marina Abramović’s MoMA retrospective for the chance to sit across from her and communicate with her nonverbally in an unprecedented durational performance that lasted more than 700 hours. This celebration of nearly fifty years of groundbreaking performance art demonstrated once again that Marina Abramović is truly a force of nature. The child of Communist war-hero parents under Tito’s regime in postwar Yugoslavia, she was raised with a relentless work ethic. Even as she was beginning to build an international artistic career, Marina lived at home under her mother’s abusive control, strictly obeying a 10 p.m. curfew. But nothing could quell her insatiable curiosity, her desire to connect with people, or her distinctly Balkan sense of humor—all of which informs her art and her life. The beating heart of Walk Through Walls is an operatic love story—a twelve-year collaboration with fellow performance artist Ulay, much of which was spent penniless in a van traveling across Europe—a relationship that began to unravel and came to a dramatic end atop the Great Wall of China. Marina’s story, by turns moving, epic, and dryly funny, informs an incomparable artistic career that involves pushing her body past the limits of fear, pain, exhaustion, and danger in an uncompromising quest for emotional and spiritual transformation. A remarkable work of performance in its own right, Walk Through Walls is a vivid and powerful rendering of the unparalleled life of an extraordinary artist. **Gorilla, My Love** Toni Cade Bambara 2011-02-09 Fifteen unforgettable short stories from an essential author of African American fiction gives us compelling portraits of a wide range of forgettable characters, from sassy children to cunning old men, from uptown New York to rural North Carolina. “Bambara grabs you by the throat ... she dazzles, she charms.” —Chicago Daily News A young girl suffers her first betrayal. A widow flirts with an

elderly blind man against the wishes of her grown-up children. A neighborhood loan shark teaches a white social worker a lesson in responsibility. And there is more. Sharing the world of Toni Cade Bambara's "straight-up fiction" is a stunning experience.

*For All the Gold in the World* Massimo Carlotto 2016-07-19 “The best living Italian crime writer” immerses readers in a gritty noir novel featuring PI Marco “the Alligator” Buratti (Il Manifesto). This novel, by one of Italy’s bestselling crime novelists, provides a unique perspective on the criminal and social dynamics that dominate contemporary Italy. One of the many robberies that plague Northeast Italy goes wrong and ends with a brutal murder. The police investigation turns up nothing. Two years later, Marco Buratti, alias “the Alligator,” is asked to look into the crime and find out who was responsible. Buratti’s employer is young, the youngest client he has ever had; he is only twelve years old and is the son of one of the victims. The Alligator realizes right from the start that the truth is cloaked, twisted, shocking. Together with his associates, Beniamino Rossini and Max the Memory, he finds himself mixed up in a story involving contraband gold and blood vendettas between criminal gangs. “Finishing an Alligator mystery is like waking up after an all-night bender with your best friends. . . . You’re not 100 percent sure what happened. But you know you had a good time.” —Cedar Rapids Gazette “Melancholy-tinged, Carlotto’s novel is quite nicely turned and solid entertainment.” —The Complete Review

*The Liberated Bride* A. B. Yehoshua 2004-10-04 An Israeli professor and an Arab student join forces in a witty novel that “tells a simple story about a region that complicates all it touches” (The New Yorker). Yochanan Rivlin, a professor at Haifa University, is a man of boundless and often naive curiosity. His wife, Hagit, a district judge, is tolerant of almost everything but her husband’s faults and prevarications. Frequent arguments aside, they are a well-adjusted couple with two grown sons. When one of Rivlin’s students—a young Arab bride from a village in the Galilee—is assigned to help with his research in recent Algerian history, a two-pronged mystery develops. As they probe the causes of the bloody Algerian civil war, Rivlin also becomes obsessed with his son’s failed marriage. Rivlin’s search leads to a number of improbable escapades. In this comedy of manners, at once deeply serious and highly entertaining, Yehoshua brilliantly portrays characters from disparate sectors of Israeli life, united above all by a very human desire for, and fear of, the truth in politics and life.

*The Snack Thief* Andrea Camilleri 2005-05-31 “The novels of Andrea Camilleri breathe out the sense of place, the sense of humor, and the sense of despair that fills the air of Sicily.” —Donna Leon When an elderly man is stabbed to death in an elevator and a crewman on an Italian fishing trawler is machine-gunned by a Tunisian patrol boat off Sicily’s coast, only Montalbano, with his keen insight into human nature, suspects the link between the two incidents. His investigation leads to the beautiful Karima, an impoverished housecleaner and sometime prostitute, whose young son steals other schoolchildren’s midmorning snacks. But Karima disappears, and the young snack thief’s life—as well as Montalbano’s—is endangered, the Inspector exposes a viper’s next of government corruption and international intrigue.

*Scorch Atlas* Blake Butler 2010-06-11 In this striking novel-in-stories, a series of strange apocalypses have hit America. Entire neighborhoods drown in mud, glass rains from the sky, birds speak gibberish, and parents of young children disappear. Millions starve while others grow coats of mold. But a few are able to survive and find a light in the aftermath, illuminating what we’ve become. In “the Disappeared,”a father is arrested for missing free throws, leaving his son to search alone for his lost mother. A boy swells to fill his parents’ ransacked attic in “the Ruined Child.” Rendered in a variety of narrative forms, from a psychedelic fable to a skewed insurance claim questionnaire, Blake Butler’s full-length fiction debut paints a gorgeously grotesque version of America, bringing to mind both Kelly Link and William H. Gass, yet imbued with Butler’s own vision of the apocalyptic and bizarre. *50 More Ways to Soothe Yourself Without Food* Susan Albers 2015-12-01 In this much-anticipated follow-up to 50 Ways to Soothe Yourself Without Food, renowned nutrition expert and New York Times best-selling author of Eat Q, Susan Albers delivers fifty more highly effective ways to help you soothe yourself without eating—leading to a healthier, happier life! **The High Ideal** Omraam Mikhaël Aïvanhov 2014-10-30 Every ideal, whatever it may be, has a magical quality: it is linked to us, and it transmits something of its very quintessence. If we have chosen a very high ideal, it will

constantly supply us with beneficial particles and currents. Since we have shaped it and kept it in our mind and heart, it will always be there to improve conditions until, one day, we find we have new conditions in our life which our ideal has prepared for us. But this will only happen if we love our ideal, if we think of it, nurture it and, despite its immensity and the distance that separates us from it, cradle it in our heart and soul.’ Omraam Mikhaël Aïvanhov

**Daddy’s Wings** Milena Agus 2011 In Milena Agus’ radiant Sardinia, Madame owns a piece of land by the sea which property developers are after. But Madame doesn’t want to sell and therefore prevents her neighbours and other locals from cashing in. Even so, they can’t help loving her for her generous and candid way of being. A fourteen year old girl tells the story through an imagination that shapes reality: her missing father appears in the slight movements of the air (Daddy’s wings), and sharp scenes of hardcore sex seem to take place in Madame’s house at night. It is a comic and truculent story, fairytale-like and true — as are all Milena Agus’ works. Most of all, it is the story of love affairs that go somewhat awry but still manage to go on, which is the most important thing.

**The Fire and the Tale** Giorgio Agamben 2017-03-21 What is at stake in literature? Can we identify the fire that our stories have lost, but that they strive, at all costs, to rediscover? And what is the philosopher’s stone that writers, with the passion of alchemists, struggle to forge in their word furnaces? For Giorgio Agamben, who suggests that the parable is the secret model of all narrative, every act of creation tenaciously resists creation, thereby giving each work its strength and grace. The ten essays brought together here cover works by figures ranging from Aristotle to Paul Klee and illustrate what urgently drives Agamben’s current research. As is often the case with his writings, their especial focus is the mystery of literature, of reading and writing, and of language as a laboratory for conceiving an ethico-political perspective that places us beyond sovereign power.

*Multi-generational Family Therapy* Maurizio Andolfi 2016-11-25 Multi-generational Family Therapy reveals the limits of the medical model in treating mental and relational problems. It instead provides a toolkit for therapists, observing family functioning over at least three generations to explore the developmental history of the family in order to discover links between past trauma and broken emotional bonds, and current problems experienced by family members. Maurizio Andolfi honours the voices of children in therapy and enlists them as the key to unlocking unresolved family issues. The book provides an experiential model of intervention that centres on creativity and humanity as the best way to build an alliance and work with a family in crisis. Demonstrating with case examples, Andolfi outlines the relational skills and inner self of the therapist, focusing on the ability to be direct, authentic and emphatic. The use of relational questioning, silence, body language, physical contact and movement in therapy are explored in depth. Multi-generational Family Therapy will be of interest to anyone working with individuals, couples and families including child, adolescent and adult psychotherapists, psychiatrists, psychologists and counsellors. It will also prove useful to private practitioners, social workers, doctors, paediatricians and educators

**The Jewish Writings** Hannah Arendt 2009-03-12 Although Hannah Arendt is not primarily known as a Jewish thinker, she probably wrote more about Jewish issues than any other topic. When she was in her mid-twenties and still living in Germany, Arendt wrote about the history of German Jews as a people living in a land that was not their own. In 1933, at the age of twenty-six, she fled to France, where she helped to arrange for German and eastern European Jewish youth to quit Europe and become pioneers in Palestine. During her years in Paris, Arendt’s principal concern was with the transformation of antisemitism from a social prejudice to a political policy, which would culminate in the Nazi “final solution” to the Jewish question–the physical destruction of European Jewry. After France fell at the beginning of World War II, Arendt escaped from an internment camp in Gurs and made her way to the United States. Almost immediately upon her arrival in New York she wrote one article after another calling for a Jewish army to fight the Nazis, and for a new approach to Jewish political thinking. After the war, her attention was focused on the creation of a Jewish homeland in a binational (Arab-Jewish) state of Israel. Although Arendt’s thoughts eventually turned more to the meaning of human freedom and its inseparability from political life, her original conception of political freedom cannot be fully grasped apart from her experience as a Jew. In 1961 she attended Adolf Eichmann’s trial in Jerusalem. Her report on that trial, Eichmann in Jerusalem, provoked an immense controversy, which culminated in her virtual excommunication from the worldwide Jewish community. Today that controversy is the subject of serious re-evaluation, especially among younger people in America, Europe, and Israel. The publication of The Jewish Writings–much of which has never appeared before–traces Arendt’s life and thought as a Jew. It will put an end to any doubts about the centrality, from beginning to end, of Arendt’s Jewish experience.
