[The Whitechapel Horrors](#) Edward B. Hanna 1993 Sherlock Holmes takes on the investigation of the horrific murders committed by Jack the Ripper

**Sherlock Holmes and The Scarlet Thread of Murder** Luke Benjamin Kuhns 2015-10-05 Sir Arthur Conan Doyle's Sherlock Holmes and Doctor Watson feature in three brand new and exciting adventures that you won't want to miss. The Scarlet Thread of Murder: Three seemingly separate crimes, three detectives. A mysterious stalker is on the loose in London known only as the Goblin Man and his sights are set on a wealthy businessman, David Daniels. A horrific explosion rips through Whitechapel Underground Station and the prime suspect is a Jewish anarchist. And a Mrs Clara Edwards is searching for her missing lover, Philias Jackson. What connects these three? It's a dangerous and complex game that links Sherlock Holmes, Investigator Martin Hewitt, and former Ripper investigator and head of H Division Edmund Reid. A Scandal in America: In 1888 Mr Sherlock Holmes was beat by Irene Adler aka the Woman. After her marriage to Godfrey Norton she left London. Two years later her husband is found dead in his New York office, apparently having committed suicide. Irene Adler believes it to be staged, unable to accept Norton capable of such an end. There is one person, if any, who she can turned to: Sherlock Holmes. Holmes and Watson are headed to America where they must dive into the mysterious life of Godfrey Norton to learn how and why he died. No one is ready for what they learn. The Allegro Mystery: Someone lurks in the shadows and is sending mysterious and haunting letters to the beautiful ballerina, Mademoiselle Dipin. Believing her life to be endangered by a ghost from her past, she bursts into the study of 221b to plead with Sherlock Holmes for aid. Can Sherlock Holmes and Doctor Watson find and expose her ghost before something terrible happens to their client? The game is afoot.

**Whitechapel** Bernard Schaffer 2018-01-15 The Whitechapel Ripper Must be Stopped A madman on the loose, driven by dark urges and uncontrollable violence. A hero, lost in the grip of addiction. The greatest and most desperate criminal investigation in history. Who will save us from Jack the Ripper? The most terrifying, explicit, and realistic Sherlock Holmes story ever told. Whitechapel: The Final Stand of Sherlock Holmes provides readers a rare look at the lives of the victims, the monster known as Jack the Ripper, and the characters of Arthur Conan Doyle's beloved stories. All are presented in a fresh and entirely new way. A entirely new realistic way. Readers familiar with the Holmes stories will be shocked (and in some cases upset) with these new characterizations, but take heed as Gerard Lestrade transforms from doddering simpleton into an actual living and breathing detective assigned to the worst slum imaginable. They will be captivated by the reality of Holmes' addiction to cocaine and morphine. They will find themselves walking the cobblestone streets of Whitechapel, wondering if Bloody Jack's blade might be aimed at their throats next.

**Sherlock Holmes and the Ripper of Whitechapel** M. K. Wiseman 2020-11-03 I am afraid that I, Sherlock Holmes, must act as my own chronicler in this singular case, that of the Whitechapel murders of 1888. For the way in which the affair was dropped upon my doorstep left me with little choice as to the contrary. Not twelve months prior, the siren's call of quiet domesticity and married life had robbed me of Watson's assistance as both partner and recorder of my cases. Thus, when detective inspector Lestrade of Scotland Yard required a lead-any lead-I found myself forced

to pursue Jack the Ripper alone and without the aid of my faithful friend. And all for the most damnable of reasons: Early on in my investigations, Dr. John H. Watson, formerly of 221b Baker Street, emerged as my prime suspect.

**A Study in Terror** Ellery Queen 2015-08-04 Based on the Sherlock Holmes film: Ellery Queen matches wits with the Baker Street sleuth to unmask Jack the Ripper. Ellery Queen is struggling over his latest book when a friend brings him a mystery. It is a journal, written by a Victorian doctor, of reports on the remarkable adventures of his close friend, a brilliant detective named Sherlock Holmes. Queen's surprise turns to amazement as he turns its pages and discovers the lost story of Sherlock Holmes's greatest case: the pursuit of Jack the Ripper. From the brothels and back alleys of fog-choked Whitechapel to the manor of one of England's greatest families, Holmes and Dr. Watson chase history's most fearsome killer. But it will take the brilliance of Ellery Queen to solve the case once and for all. Based on the Sherlock Holmes film A Study in Terror, this collaboration between two of the world's greatest detectives is one of the most original mystery novels of all time.

**Oscar Wilde and the Return of Jack the Ripper: An Oscar Wilde Mystery** Gyles Brandreth 2019-04-02 Oscar Wilde and Arthur Conan Doyle are recruited to track down Jack the Ripper in a novel that is at once a gripping detective story and a witty portrait of two of the most brilliant Victorian minds. London, 1894. When it appears that the notorious Jack the Ripper has returned to London, Chief Constable Melville Macnaghten recruits his neighbor Oscar Wilde to help him solve the case, hoping the author's unparalleled knowledge of the London underworld might be exactly what the police need to finally capture the serial killer. In an account narrated by Wilde's close friend, fellow author Arthur Conan Doyle, Wilde gathers together suspects from the theaters, brothels, asylums, and traveling circuses of East London in the hopes of finding the true identity of Jack the Ripper before he can strike again. But even as the pair of amateur detectives venture further and further into a tangled web of criminals, performers, and prostitutes, new killings come to light that bring the investigation right back to Wilde's own neighborhood. **The Last Sherlock Holmes Story** Michael Dibdin 2012-03-15 There can be no question that the contents of this book will prove extremely controversial. Many people will be deeply shocked by the nature of Watson's statement. Many will no doubt prefer to reject it rather than surrender the beliefs of a lifetime. Others will at least regret that two of the great mysteries of crime are finally solved...An extraordinary document comes to light which for fifty years had been held on deposit by the bankers of the deceased John Herbert Watson MD - better known as Dr Watson. The document, written by Dr Watson himself, opens in the East End of London in 1888. Three women have been savagely murdered. To calm the public outcry, Scotland Yard approaches London's most eminent detective, Sherlock Holmes, and asks him to investigate the killer. Can Holmes solve the mystery of Jack the Ripper? And why has this story been suppressed for so long?

**Whitechapel** Bernard Schaffer 2011-11-15 This is the Gentlemen's Edition of Bernard J. Schaffer's shocking novel WHITECHAPEL: THE FINAL STAND OF SHERLOCK HOLMES. Edited to remove the profanity and gore of the original, it is designed for more sensitive readers who still want to enjoy a realistic portrayal of the Jack the Ripper events, and a startling new rendition of Arthur Conan Doyle's classic characters.

**Whitechapel** Bernard Schaffer 2011-06-23 The Whitechapel Ripper Must be Stopped A madman on the loose, driven by dark urges and uncontrollable violence. A hero, lost in the grip of addiction. The greatest and most desperate criminal investigation in history. Who will save us from Jack the Ripper? The most terrifying, explicit, and realistic Sherlock Holmes story ever told. Whitechapel: The Final Stand of Sherlock Holmes provides readers a rare look at the lives of the victims, the monster known as Jack the Ripper, and the characters of Arthur Conan Doyle's beloved stories. All are presented in a fresh and entirely new way. A entirely new realistic way. Readers familiar with the Holmes stories will be shocked (and in some cases upset) with these new characterizations, but take heed as Gerard Lestrade transforms from doddering simpleton into an actual living and breathing detective assigned to the worst slum imaginable. They will be captivated by the reality of Holmes' addiction to cocaine and morphine. They will find themselves walking the cobblestone streets of Whitechapel, wondering if Bloody Jack's blade might be aimed at their throats next. Be warned: The book contains graphic content, including scenes of violence, sex, profanity, and realistic depictions of life in the East End where the Ripper killings actually occurred. However, the graphic content is not presented in a lurid manner, but rather as a more honest representation of what actually happened, and the way things truly were. The author has released a Gentleman's Edition of the book that does not contain graphic content, however it is still not suitable for children.

**Sherlock Holmes and the Molly Boy Murders** Margaret Walsh 2019-10-15 London, 1889. In a city still reeling from the depredations of Jack the Ripper another killer arises. Stalking the West End and Marylebone and striking at a seemingly unconnected group of victims, the murderer leaves fear and confusion in his wake. Mr. Sherlock Holmes, Dr. John Watson, and Inspector Lestrade face a case like no other they have yet faced. A case that will leave each of them changed and bring personal danger as they race against a mounting death toll to bring down the Molly-Boy Murderer.

**Sherlock Holmes and the Whitechapel Vampire** Dean Turnbloom 2016-12-20 Victorian England's most famous consulting detective is hot on the trail of London's most notorious serial killer, Jack the Ripper. But in Sherlock Holmes and the Whitechapel Vampire, Jack is a vampire and Holmes refusal to believe it could be his undoing as the two match wits in this delightfully original first novel.

**Whitechapel** Bernard Schaffer 2011-06 A ritualistic serial killer is slaughtering women in London's infamous East End. The police are baffled, the media is in a frenzy, and people the world over are captivated by the fiend known as Jack the Ripper. Only a short distance away, the Great Detective has succumbed to an addiction to morphine and cocaine. His faithful friend, Dr. John Watson, and Irene Adler will venture into Whitechapel alone to try and lure the Ripper out of hiding using themselves as bait. As darkness threatens to consume all of London, her greatest champion, the immortal Sherlock Holmes, will rise one final time to defend her. Combines the actual events of the investigation into Jack the Ripper's crimes with the canon of Arthur Conan Doyle.

**The Further Adventures of Sherlock Holmes: The Ripper Legacy** David Stuart Davies 2016-07-19 A visit from the distraught Ronald Temple sets SHERLOCK HOLMES and Dr Watson on the hunt for a kidnapped child. With no ransom note and a sinister connection to the highest echelons of Victorian society, it becomes clear that it is no ordinary kidnapping, and soon the companions' lives are in danger. What is the child's true heritage? And what is the connection with the Whitechapel murders of a decade before?

**Sherlock Holmes and the Menacing Monk** Allan Mitchell 2017-01-10 Sherlock Holmes looks on idle and infuriated from the sidelines while evil has Whitechapel in the grip of fear, evil which bears the infamous name of - Jack the Ripper - a name set to raise the hackles on people's necks for generations to come. A fearful officialdom has declared Sherlock [persona non grata] but is suffering the wrath of public opinion for its failure to bring the murderer to justice. Sherlock suspects there is more to this ritual of death being performed on London's darkened streets and makes plans for his own inquiry after an ancient brotherhood makes contact. Stanza by stanza, the reader is stirringly swept along as Allan Mitchell's rhythmic rhymes carry Sherlock Holmes and Doctor Watson toward their electrifying encounter with the Menacing Monk.

**Lestrade and the Ripper** M. J. Trow 2020-09-12 Book three in the Inspector Lestrade series. In the year 1888, London was horrified by a series of brutal killings. All the victims were discovered in the same district, Whitechapel, and they were all prostitutes. But they weren't the only murders to perplex the brains of Scotland Yard. In Brighton, the body of one Edmund Gurney was also found. Foremost among the Yard's top men was the young Inspector Sholto Lestrade and it was to his lot that the un-solved cases of a deceased colleague fell. Cases that included the murder of Martha Tabram, formerly a prostitute from Whitechapel, and that of the aforementioned Gurney. Leaving no stone unturned, Lestrade investigates with his customary expertise and follows the trail to Nottinghamshire, to a minor public school, Rhadegund Hall. It is his intention to question the Reverend Algernon Spooner. What he finds is murder. As the Whitechapel murders increase in number, so do those at Rhadegund Hall and so do the clues. What is the connection between them all? As if it weren't confusing enough, Lestrade is hampered by the parallel investigations of that great detective, Sherlock Holmes, aided by Dr Watson. Who is the murderer of Rhadegund Hall and are he and the man they call 'Jack the Ripper' one and the same?

**Murder in Whitechapel** Donald A. Joy 2013-05-01 It is August, 1888. The person called "Jack the Ripper" is terrorizing London, and, needing help from every quarter, Scotland Yard looks to Sherlock Holmes. But how can Holmes find a single madman in a city of seven million while dealing with the pressure of his own cases, the police, and those higher up. As he closes in on a suspect, the lines become less and less clear: who is the hunter and who is the prey? Holmes or the Ripper?

**Castle Rouge** Carole Nelson Douglas 2003-09-15 IRENE ADLER Operatic diva. Femme fatale. Adventuress. And one of the world's most intriguing detectives. Before Caleb Carr, Anne Perry, and Laurie R. King, Carole Nelson Douglas gave readers a delightful look into Victoriana with one of the most impressive detective characters: Irene Adler, the only woman ever to have outwitted Sherlock Holmes, in "A Scandal in Bohemia." A charismatic performer and the intellectual equal (some would say superior) the men she encounters, Irene Adler is as much at home with a spyglass and revolver as with haute couture and gala balls. And her adventures are the stuff of legend. She has faced down sinister spies, thwarted plots against nations, spurned a monarch and lived to reap a sweet revenge...and now is on the hunt for one of the true monsters of all time-Jack the Ripper. It was she who led a most unlikely group of allies through the cellars and catacombs of 1889 Paris in the search and capture of the suspect at a horrific secret-cult ceremony held beneath the city. But disaster has scattered those allies and the Ripper has again escaped, this time from the custody of the Paris police. Sherlock Holmes has returned to London, and Watson, to reinvestigate the Whitechapel murders of the previous fall from an entirely new angle. Irene fears the Ripper will soon carve a bloody trail elsewhere and is eager to hunt this terror down. But terror has struck a little too close to home, for her own nearest and dearest are mysteriously missing--her companion/biographer, Nell Huxleigh, abducted in Paris and her barrister husband, Godfrey Norton, vanished in the wilds of Bohemia. What should Irene do first? Search for Nell, Godfrey, or the Ripper? Though Irene has many highly placed friends, the Baron de Rothschild, Sarah Bernhardt, and the *Sherlock Holmes And The Whitechapel Murders An Account Of The Matter By John Watson M D Pdf Pdf upload Betty u Robertson*

Prince of Wales can only offer money and good will. For the actual pursuit, Irene must rely on an unreliable cohort, the American prostitute named Pink, who has proven to be someone with her own agenda, and Bram Stoker, the theatrical manager who was later to pen Dracula. The trail will lead back to Bohemia and on to new and bloodier atrocities before pursuers and prey reunite at a remote castle in Transylvania, where the Ripper is cornered and fully unveiled at last . . . a truly astounding yet chillingly logical answer to what the world has never known before: Who was Jack the Ripper? At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied.

**The Strange Case of Dr. Doyle** Daniel Friedman, MD 2015-02-20 In the spring of 1905, members of an exclusive club of crime enthusiasts known as Our Society were taken on a guided excursion through Whitechapel, one of London's most notorious districts, by Dr. Frederick Gordon Brown, the chief police surgeon for the City of London. But this was no ordinary sightseeing tour. The focus of the outing was Jack the Ripper's reputed murder sites, and among the guests that day was Sir Arthur Conan Doyle, creator of the world's greatest detective, Sherlock Holmes. Here, now, in The Strange Case of Dr. Doyle by first-time son/father writing team Daniel Friedman, MD, and Eugene Friedman, MD, you are cordially invited to join a recreation of that tour. This expedition, however, will differ from the original in one very important way: It will be led by celebrated author Sir Arthur Conan Doyle himself. As you stroll beside Doyle and his other guests, you will travel to the location of each of the five canonical Ripper murders. Thanks to your guide's observations and opinions, all of which are based on actual historical accounts, you will learn as much about the district of Whitechapel as you will the terrible Ripper killings that occurred there. After each stop on the tour, you will also become acquainted with the life of Arthur Conan Doyle, from his earliest days in Edinburgh to his first taste of success as a writer. You will observe Arthur's hardships at home, his experiences at boarding school, his adventures at sea, his university education, and his days as a working medical doctor. You will be granted a picture of the man as few have ever seen him. As you alternate between biography and tour, you will become a Holmes-like detective, unearthing facts, discovering details, and piecing together information about both Jack the Ripper and Sir Arthur Conan Doyle. If you maintain a sharp mind and a keen eye, at the end of your journey, you may just uncover a truth you never expected to find.

**Sherlock Holmes Vs Jack the Ripper** Gaston Marot 2011-09-01 Jack the Ripper is one of the most enduring archetypes in criminal fiction. This book presents, for the first time in English, two of the earliest pieces of Ripper fiction ever written in French: Gaston Marot & Louis Pericaud's stage play Jack the Ripper from 1889, and No. 16 of the French pulp series The Secret Files of the King of Detectives (which later became Harry Dickson) from 1908 in which the Great Detective matches his wits against Jack the Ripper. These two stories are translated by Frank J. Morlock, author of Sherlock Holmes: The Grand Horizontals.

**A Knife in the Fog** Bradley Harper 2018-10-02 Physician Arthur Conan Doyle takes a break from his practice to assist London police in tracking down Jack the Ripper in this debut novel and series starter. September 1888. A twenty-nine-year-old Arthur Conan Doyle practices medicine by day and writes at night. His first Sherlock Holmes story, A Study in Scarlet, although gaining critical and popular success, has only netted him twenty-five pounds. Embittered by the experience, he vows never to write another "crime story." Then a messenger arrives with a mysterious summons from former Prime Minister William Gladstone, asking him to come to London immediately. Once there, he is offered one month's employment to assist the Metropolitan Police as a "consultant" in their hunt for the serial killer soon to be known as Jack the Ripper. Doyle agrees on the stipulation his old professor of surgery, Professor Joseph Bell--Doyle's inspiration for Sherlock Holmes--agrees to work with him. Bell agrees, and soon the two are joined by Miss Margaret Harkness, an author residing in the East End who knows how to use a Derringer and serves as their guide and companion. Pursuing leads through the dank alleys and courtyards of Whitechapel, they come upon the body of a savagely murdered fifth victim. Soon it becomes clear that the hunters have become the hunted when a knife-wielding figure approaches.

**Jack the Ripper** Alexandra Warwick 2007 This edited work collects together some of the best academic work on the most important and sensational murder case of the 19th century.

**Dust and Shadow** Lyndsay Faye 2009-04-28 A carefully researched vintage-style reimagining of the case of Jack the Ripper pits the nineteenth-century serial killer against Sherlock Holmes, who endeavors to identify and outmaneuver his adversary against a backdrop of their time and without modern technology.

**Sherlock Holmes, His Wife and the Hunt for Jack the Ripper** India Millar 2016-12-29 "Extra! Extra! Read all about it! Another Horrible Murder in Whitechapel! Police Baffled!" In the autumn of 1888, that was the headline in all the London newspapers. First one poor woman was slaughtered on the streets of Whitechapel. Then another. And another. Was it ever going to stop? The good people of London began to look over their shoulders every time they went out of their own front door. Could nobody put a stop to this maniac who was slaughtering and mutilating women at his leisure? And truly, the police were baffled. Time for the world famous consulting detective, Sherlock Holmes, to step in and solve the puzzle! Well, no. The great detective was far too busy; besides, street women were murdered every other day; they accepted it as a professional hazard. He just wasn't interested. At least not until Jack the Ripper stretched out his bloody hand and targeted Holmes's wife, the feisty music hall artiste Nell. Then, it was personal. Then, it became a vendetta to the death between the world's greatest detective and the murderer who signed his taunting letters as "Jack the Ripper", and gave his address as "From Hell." "Sherlock Holmes, His Wife and The Hunt for Jack the Ripper" is a thrilling feast of intrigue, romance and suspense. True crime, the Victorian music hall and spiritualism rub shoulders with a dash of Holmes's lesser known cases. The whole is set against the rich tapestry of Dickens's London; truly a feast to tickle the appetite of both Ripper and Holmes's fans alike. Saucy Jack, the murderer from Hell, finally unmasked by the world's greatest detective!

**Sherlock Holmes and the Apocalypse Murders** Barry Day 2015-07-28 A gruesome new murder puts London's greatest detective on the trail of Jack the Ripper--again. "[Day] always captures the flavor of Conan Doyle" (The Sherlockian E-Times). Croxley Mews is a typical London street: narrow, winding, and dark. Sherlock Holmes has never trod its cobblestones--until the day a woman is found lying dead on them. It is a murder gruesome enough to shock even the battle-hardened Dr. Watson, who has never before seen a woman disemboweled. It looks unmistakably like the handiwork of that notorious murderer who stalked the alleys of Whitechapel a decade before. Holmes is not fazed. He caught Jack the Ripper once--and he will do so again. At the height of the Ripper murders, Holmes was called in by his brother Mycroft to catch the killer, whose social position made him impossible to arrest. The killer was exiled, but now he may have returned--bringing all the terrors of the apocalypse in his wake.

**Sherlock Holmes And The Autumn Of Terror** Randy Williams 2017-01-04 -The true story of Jack the Ripper. ---Cover.

**Sherlock Holmes and the Whitechapel Murders** Mark Sohn 2017-02-23 It is the year 1888. A madman stalks the East End of London and only Sherlock Holmes and his trusted colleague and scribe Dr. John Watson stand between him and the women he preys upon. However, the World's first Consulting Detective is plunged into a web of intrigue and deceit. Is Jack the Ripper acting alone? Is there a conspiracy to murder fallen women in Whitechapel? How far must Holmes go to stop it? Add a plot

to steal the most famous jewels in existence and a sinister figure known only as 'The Professor' and you have more than one mystery to be solved...

*Tales From the Annals of Sherlock Holmes* Arthur Hall 2020-12-17 Seven tales that have appeared in various anthologies, including the MX Book of New Sherlock Holmes Stories from master pastiche author Arthur Hall. A client who is uncertain of his brother's demise; a priest with a curious accent; a headless body recovered from the Thames. Is Holmes correct in deducing that these things indicate a threat to the Prime Minister? Why is Mr Michael Burlott constantly stalked by a man he does not know? The Whitechapel murders continue. Is the murderer known as 'Jack the Ripper' still at large? A previous client enlists Holmes' help in convincing his cousin that she is not mad. Why does Miss Elinora Todd deceive her brother by claiming to have meetings with a deceased woman? Miss Laura Willis engages Holmes to discover why she was abducted and left to starve to death. Inspector Lestrade asks Holmes to enquire into the sudden disappearance of a colleague.

**Sherlock Holmes and the Hunt for Jack the Ripper** Gerard Kelly 2014-02-06 Many people have asked why the paths of Sherlock Holmes and Jack the Ripper never crossed, since the two men were contemporaries in London in 1888? There have even been some scurrilous suggestions that Holmes was himself the Ripper. The paths of the two men did indeed cross. Holmes and Watson knew precisely who the real Ripper was and even where he lived. They also knew exactly what happened to him. If you have the stomach for it read on and all will be revealed!

**Jack the Ripper** Gary Coville 2015-06-14 The identity of Jack the Ripper has consumed public curiosity since he first tormented the East End of London in 1888. Numerous theories have been offered as to his identity, but he remains in the shadows where, it seems, only imaginative literature has been able to elucidate his meaning to the modern world. This work surveys the literary, film, television, and radio treatments of Jack the Ripper and his crimes. The works of fiction are thoroughly analyzed, as are the major nonfiction works that have offered various theories about the Ripper's identity. Works whose narratives are obviously inspired by Jack the Ripper and his crimes are also discussed.

**Sherlock Holmes: The Shadow of Jack the Ripper** Ced Ced 2020-08 Has Jack the Ripper really returned or is this a copycat using the shadow cast by Jack as a distraction? Only Sherlock and Watson can find out who the real culprit is. It's your choices, your adventure, and your story.

*The Further Adventures of Sherlock Holmes: The Whitechapel Horrors* Edward B. Hanna 2011-02-09 Grotesque murders are being committed on the streets of Whitechapel. Sherlock Holmes comes to believe they are the skilful work of one man, a man who earns the gruesome epithet of Jack the Ripper. As the investigation proceeds, Holmes realizes that the true identity of the Ripper puts much more at stake than just catching a killer...

*Whitechapel* Bernard Schaffer 2011-12-08 Edited to remove all graphic content. However, it is not suitable for children. The Whitechapel Ripper Must be Stopped A madman on the loose, driven by dark urges and uncontrollable violence. A hero, lost in the grip of addiction. The greatest and most desperate criminal investigation in history. Who will save us from Jack the Ripper? The most terrifying, explicit, and realistic Sherlock Holmes story ever told. Whitechapel: The Final Stand of Sherlock Holmes provides readers a rare look at the lives of the victims, the monster known as Jack the Ripper, and the characters of Arthur Conan Doyle's beloved stories. All are presented in a fresh and entirely new way. A entirely new realistic way. Readers familiar with the Holmes stories will be shocked (and in some cases upset) with these new characterizations, but take heed as Gerard Lestrade transforms from doddering simpleton into an actual living and breathing detective assigned to the worst slum imaginable. They will be captivated by the reality of Holmes' addiction to cocaine and morphine. They will find themselves walking the cobblestone streets of Whitechapel, wondering if Bloody Jack's blade might be aimed at their throats next.

*Sherlock Holmes - 1888 Autumn of Blood* Mike Hogan 2019-11-26 Jack the Ripper is not the only blood-soaked fiend at work in London. There are others. In the festering alleys of Whitechapel, a habitual murderer is at work slashing women of the night to death and mutilating their remains. As the body count rises, local and national newspapers heap scorn on the Metropolitan Police and their hapless commissioner, Sir Charles Warren. Gory descriptions of the victims' wounds are published, illustrated with images drawn as much from the artists' imaginations as from witness testimony. The vaunted Scotland Yard sleuths are helpless, and the murderer sends them taunting messages in blood red letters signed Saucy Jack. And what of Sherlock Holmes? Is the foremost private consulting detective in the world standing aloof as the capital of the Empire is paralyzed by the nameless terror stalking its streets? Here, for the first time, is my account of those dreadful days and nights in that blood-soaked autumn of 1888. John H Watson MD.

*The Classified Dossier - Sherlock Holmes and Mr Hyde* Christian Klaver 2022-10-04 A deftly crafted, scintillating mash-up of Victorian mystery and horror – Sherlock Holmes and Mr Hyde encounter villains with unfathomable, terrifying abilities... 1903. A darkness has descended on London. A series of grisly murders are uncovered, trophies taken, bodies arranged and soon there are whispers of Jack the Ripper's return. A new client arrives at Baker Street seeking Sherlock Holmes's help: Dr Jekyll claims his friend has been wrongfully accused of the hideous

crimes, a friend called Mr Edward Hyde, whose very existence relies on a potion administered by the doctor himself. But the case becomes more complicated, more unsettling than simply proving Mr Hyde's innocence – for Holmes and Watson unearth beastly transformations, a killer who moves unseen, a secret organisation and then find a traitor in their midst...

**Sherlock Holmes and the Unmasking of the Whitechapel Horror** Frank Emerson 2023-01-23 Perhaps the most well known of all the world's serial killers, Jack the Ripper continues to befuddle would-be investigators and inhabit the nightmares of children and adults everywhere. However, although people are well aware of this monster, even now a century and a half after the killings began, conflicting opinions still abound as to Jack's true identity. In this book, Frank Emerson has uncovered a previously lost narrative by Dr. John H. Watson that illustrates how he and Sherlock Holmes, working in tandem with Detective Chief Inspector Frederick Abberline of Scotland Yard, conducted an intense fifteen-year investigation and pursuit that culminated with the unmasking, arrest, trial and ultimate execution of the real Jack the Ripper.

**Sherlock Holmes and the Two Professors** George Gardner 2012-07-01 The notorious Whitechapel Murders have left London gripped with fear- who will be the next victim of Jack the Ripper ? Can Sherlock Holmes and Doctor Watson find him before he strikes again ? Holmes, however, is entering a period of personal crisis - haunted by the spectre of Professor Moriarty and excluded from the Ripper case by a jealous Scotland Yard detective, he announces his own theory on the identity of the killer - a prominent and previously unsuspected figure in Victorian society. Following a startling confrontation, Holmes considers the case solved, but his own demons continue to affect his judgement. The truth concerning Holmes' disappearance at the Reichenbach Falls is revealed, leading to another devastating revelation. Can Watson save his friend from madness ?

**A Study in Crimson** Robert J. Harris 2021-06-01 Bringing Sherlock Holmes from the Victorian Era into the dark days of World War II, this imaginative new thriller confronts the world's greatest detective with a killer emulating the murders of Jack the Ripper. London, 1942. A killer going by the name of "Crimson Jack" is stalking the wartime streets of London, murdering women on the exact dates of the infamous Jack the Ripper killings of 1888. Has the Ripper somehow returned from the grave? Is the self-styled Crimson Jack a descendant of the original Jack—or merely a madman obsessed with those notorious killings? In desperation Scotland Yard turn to Sherlock Holmes, the world's greatest detective. Surely he is the one man who can sift fact from legend to track down Crimson Jack before he completes his tally of death. As Holmes and the faithful Watson tread the blacked out streets of London, death waits just around the corner. Inspired by the classic film series from Universal Pictures starring Basil Rathbone and Nigel Bruce, which took Sherlock Holmes to the 1940s, this is a brand-new adventure from a talented author who brilliantly evokes one of mystery fiction's most popular characters.

**Holmes and the Ripper** Brian Clemens 2017 Based on the book Jack the Ripper, The Final Solution by Stephen Knight. A fast-moving dramatization of one of the most plausible of Ripper theories will prove an instant magnet for audiences as well as a satisfying play to perform. Sherlock Holmes and Dr Watson become embroiled in the grisly murders in Whitechapel, East London in 1888.

**The Murder That Defeated Whitechapel's Sherlock Holmes** Paul Stickler 2018-04-30 A real-life murder mystery in turn-of-the-century London, and Scotland Yard's "greatest detective of all time" who was determined to discover whodunit. By 1919, Det. Chief Inspector Fred Wensley was already a legend, having investigated the Jack the Ripper slayings, busted crime syndicates, and risked his life at the notorious Siege of Sidney Street. But the brutal murder of kindly fifty-four-year-old widow and shopkeeper Elizabeth Ridgley was an unexpected challenge in a storied career. Elizabeth and her dog were both found dead in her blood-spattered shop in Hitchin. But even in the early days of forensics, Wensley was stunned by the inept conclusion of local Hertfordshire police: it was a freak, tragic accident that had somehow felled Elizabeth and her Irish terrier. At Wensley's urging, Scotland Yard proceeded with a second investigation. It led to the arrest of an Irish war veteran. The only real evidence: a blood-stained shirt. But the Ridgley case was far from over. Drawing on primary sources and newly-discovered material, Paul Stickler exposes the frailties of county policing in the years after WWI, reveals how Ridgley's murder led to fundamental changes in methods of investigation, and attempts to solve a seemingly unsolvable crime.

**The Conan Doyle Notes** Diane Gilbert Madsen 2014-05 "Former academic-turned-insurance-investigator DD McGill is being stalked while working on a routine fraud case. When her bookseller friend, Tom Joyce, tells her he's found a diary in a Chicago estate book collection, she's intrigued-- until someone steals the diary and tries to murder Tom. The missing diary reveals that Sir Arthur Conan Doyle, creator of Sherlock Holmes, left valuable handwritten notes during his 1894 visit to Chicago-- notes which contain vital information on the Jack the Ripper murders. In their quest to find the missing diary and notes, DD and Tom find themselves targets in someone's deadly game where a clue to an old murder points the way to a literary find that could rewrite history. Did Doyle really know the identity of Jack the Ripper? Their efforts are thwarted when sinister interests threaten to destroy not only the Doyle notes but their own lives as well."--Jacket flap.
