The Epic Film Derek Elley 2013-12-04
As Charlton Heston put it: 'There's a temptingly simple definition of the epic film: it's the easiest kind of picture to make badly.' This book goes beyond that definition to show how the film epic has taken up one of the most ancient art-forms and propelled it into the modern world, covered in twentieth-century ambitions, anxieties, hopes and fantasies. This survey of historical epic films dealing with periods up to the end of the Dark Ages looks at

epic form and discusses the films by historical period, showing how the cinema reworks history for the changing needs of its audience, much as the ancient mythographers did. The form's main aim has always been to entertain, and Derek Elley reminds us of the glee with which many epic films have worn their label, and of the sheer fun of the genre. He shows the many levels on which these films can work, from the most popular to the specialist, each providing a considerable source of enjoyment. For instance, spectacle, the genre's most

characteristic trademark, is merely the cinema's own transformation of the literary epic's taste for the grandiose. Dramatically it can serve many purposes: as a resolution of personal tensions (the chariot race in Ben-Hur), of monotheism vs idolatry (Solomon and Sheba), or of the triumph of a religious code (The Ten Commandments). Although to many people Epic equals Hollywood, throughout the book Elley stresses debt to the Italian epics, which often explored areas of history with which Hollywood could never have found sympathy. Jesus, Symbol of God Roger Haight
Already hailed as a landmark in contemporary Catholic theology, Jesus

Symbol of God surveys scriptural data, the key moments in the development of doctrine, and the distinctive horizons of our contemporary world to develop a comprehensive and systematic christology for our time. The task of christology is to explain what it means to say that Jesus is the bearer and revealer of God in the Christian community, the decisive mediation of God's salvation -- or, in other words, the symbol of God.

Holy Land. Archaeology on Either Side

AA. VV. 2020-11-10T10:24:00+01:00 The title of the volume may be a little perplexing: Archaeology on Either

Side. But on either side of what? The picture we chose for the front cover might give an indication of the answer. This image shows two sides of the River Jordan – the Israeli side and the Jordanian side – both part of the Holy Land! Or we might understand the “either side” of our topic in another way, that is, archaeology both as the study of artifacts and archaeology as the study of literary sources. In the contributions the reader will find all these topics and much more: essays on excavations or archaeological findings in the Holy Land as defined above, and essays on literary sources linked to the history of the ancient Near East, especially in the time of the Christian/Common Era (CE). The book is made up of three main sections: “Excavations and Topographical

Surveys”; “Architecture, Decorations, and Art”; “Epigraphy and Sigillography”. Some articles touch on more than one specific section, so they may be found between sections.

Screen Jesus Peter Malone 2012-10-12
In *Screen Jesus: Portrayals of Christ*

in *Television and Film*, Peter Malone takes a close look at films in which Jesus is depicted. From silent renditions of The Passion Play to 21st-century blockbusters like *The Passion of the Christ*, Malone examines how the history of Jesus films reflects the changes in artistic styles and experiments in cinematic forms for more than a century. In addition to providing a historical overview of the Jesus films, this book also reveals the changes in piety and in theological understandings of the humanity and divinity of Jesus over the decades.

L'évangile selon Pilate Eric-Emmanuel Schmitt 2005 Première partie : Dans le jardin des oliviers, un homme attend que les soldats viennent l'arrêter pour le conduire au supplice. Quelle puissance

surnaturelle a fait de lui, fils de menuisier, un agitateur, un faiseur de miracles prêchant l'amour et le pardon ? Deuxième partie: Trois jours plus tard, au matin de la Pâque, Pilate dirige la plus extravagante des enquêtes policières. Un cadavre a disparu et est réapparu vivant ! Y a-t-il un mystère Jésus ou simplement une affaire Jésus ? A mesure que Sherlock Pilate avance dans son enquête, le doute s'insinue dans son esprit. Et avec le doute, l'idée de foi. L'Evangile selon Pilate a reçu le Grand Prix des lectrices de Elle 2001.

Austrian Economics Re-examined Gerald P O'Driscoll Jr 2014-12-05 Austrian Economics Re-examined: The Economics of Time and Ignorance is an expanded version of the 1996 edition of The Economics of Time and Ignorance. This

work is a classic statement of the role of subjectivism, radical uncertainty and change through real time in Austrian economics specifically, and in modern economics more generally. The new book contains the full text and Introductions of the earlier edition as well as the comprehensive previously-unpublished essay "What is Austrian Economics?" and a new Introduction. The essay is a comprehensive overview of the central themes of the book from a somewhat different perspective than in the book itself. It supplements the analysis in the book. The new Introduction explains that the 2007-8 financial crisis and recent developments in behavioural economics have made the book more relevant than ever before. Austrian Economic Re-examined develops and systematizes

the fundamental principles of the Austrian tradition to the analysis of rational expectations, business cycles, monetary theory competition and monopoly, and capital theory. The Open Access version of this book, available at

El Evangelio según Pilatos Eric-Emmanuel Schmitt 2005-02-03 Esta es la historia de la vida de Jesús de Nazaret desde una perspectiva novedosa. La novela se presenta dividida en dos partes. La primera, presenta las reflexiones de Jesús sobre su propia vida-desde su infancia hasta la noche fatídica-mientras espera su arresto en el

monte de los Olivos. Es el relato de una perplejidad: el hijo de un carpintero convertido en Hijo de Dios. En la segunda parte, se presenta una sucesión de acontecimientos, desde la crucifixión hasta la resurrección de Cristo, vistos por uno de los protagonistas: el propio Pilatos. El gobernador, garante del orden romano, se ve inmerso en una investigación por encontrar el cuerpo de Cristo y dar así cumplida explicación de los absurdos sucesos en los que se ve envuelto por la "locura judía". A medida que avanza en su indagación, la duda se apodera de su espíritu. Y con la duda, la idea de fe.

Escaping Paternalism Mario J. Rizzo 2019-12-05 A powerful critique of nudge theory and the paternalist policies of behavioral economics, and

Qal at al-Mishnaqa Luigi Marino 2017-11-27 Il cantiere di restauro è il luogo privilegiato per interventi nei quali le diverse competenze si combinano senza preconette classificazioni di merito. Una peculiarità che il restauro archeologico presenta è legata alle condizioni dinamiche in cui gli interventi avvengono e alla costante

variabilità delle condizioni in cui i manufatti si trovano a vivere, per tempi talvolta lunghi, anche dopo la conclusione dei lavori. È evidente come le difficoltà di conservare manufatti archeologici dipendano in maniera determinante dalle brusche variazioni a seguito dello scavo (con notevoli differenze locali negli esiti che dipendono anche dai metodi e dalle strategie utilizzate), alla variabilità di condizioni in cui i manufatti si troveranno a vivere in seguito e alle possibilità reali di assicurare loro una pratica di manutenzione ordinaria. La situazione rischia di diventare drammatica nel caso di manufatti fortemente smembrati e collocati in aree difficilmente raggiungibili e in quelli che non assicurano una adeguata "immagine" e che, in altri

termini, non sono immediatamente e vantaggiosamente "vendibili".

Giusto 2013 The book takes in a wide scope, analyzing the variety of

movements referred to as "populist" in academic literature. This encompasses old-school nationalists and newer representatives of the populist radical right, as well as other semi- and anti-parliamentary organizations that challenge the system. The studies in the book will be most useful to comparative scholars, teachers, students and policymakers.

The Gospel According to Mark

1999-01-01 The earliest of the four Gospels, the book portrays Jesus as an enigmatic figure, struggling with enemies, his inner and external demons, and with his devoted but disconcerted disciples. Unlike other gospels, his parables are obscure, to be explained secretly to his followers. With an introduction by Nick Cave

Profits and Morality Robin Cowan 1995
Are profits morally justifiable?
While neoclassical economists have traditionally endorsed the pursuit of profits, many moral philosophers have challenged profit making on a variety of ethical grounds. Through the lenses of economics, philosophy, and law, these six essays explore the morality of profits from libertarian, utilitarian, and consequentialist perspectives. Presenting arguments for and against the morality of profit making, the contributors examine the nature of profits and which ethical theories can support them. Two essays address how profits are made: one explores entrepreneurship as a legitimate source of profit, while another argues that recent advances in welfare economics weaken the case for

the morality of profits. The other chapters focus on ethical theory, covering the right to profits from economic rent; the morality of how profits are used—those directed toward library or university endowments, for example, are considered morally acceptable—and whether or not profits are deserved.

The Gospel of Pilate Paul E. Creasy 2016-09-28
The Gospel of Pilate For two thousand years, the name of

Pontius Pilate has been remembered with vile contempt. Cursed by countless generations for his one fateful decision, this otherwise obscure Roman bureaucrat has been forever damned in the eyes of history. Now, however, a subway construction project under the streets of modern Rome has inadvertently uncovered the archeological find of the millennium. Inside a long forgotten chamber beneath the ruins of Nero's Golden House, a confidential report to Emperor Tiberius has been discovered that could turn all of history on its head. In this fast-paced, action-packed, historical thriller, archeologist Dr. Thomas Lampton and his girlfriend, Victoria Alberghetti, will have their relationship tested, and their comfortable world turned

upside down as a result of this astonishing find. After translating the ancient scrolls, Thomas uncovers the story - behind the story - of the most famous trial in history. A lifelong skeptic, reading the eyewitness account of the trial, crucifixion, and resurrection of Jesus Christ, from Pontius Pilate's perspective, throws everything he thought he once knew into chaos. It also puts he and Victoria's lives in jeopardy. Men will kill to acquire these priceless documents. Powerful forces will stop at nothing to keep their explosive secrets hidden. Because now, after centuries of silence, Pontius Pilate will finally have his say. His answer to the most important question ever asked, what is truth, will shake the world to its very foundations.

Biografia di Gesù Gianfranco Ravasi
2021-11-10T00:00:00+01:00 Questa "biografia" di Gesù è condotta camminando sul crinale tra fede e storia. Dopo una cornice preliminare che isola le coordinate storico-culturali e geopolitiche entro cui fiorisce la tetrade dei Vangeli, si inizia il viaggio all'interno delle

loro pagine, che non ricostruisce accademicamente un personaggio e la sua vicenda ma ne ricompone ritratti da angolature diverse. Gianfranco Ravasi elabora il profilo di Gesù seguendo alcuni lineamenti fondamentali. Innanzitutto la sua vita pubblica nel villaggio di Nazaret, le sue parole che si raggruppano spesso in narrazioni paraboliche, le sue mani che operano gesti sorprendenti, catalogati sotto la categoria "miracoli". Poi l'atto supremo, quello della sua morte per esecuzione capitale avallata dal potere romano. Ma è proprio quando è calato il sipario sulla vicenda terrena di Gesù che si apre un'altra faccia della sua vita, una discriminante inedita, definita come "risurrezione". Per attingerla è necessario un altro canale

descrittivo, affidato sostanzialmente a una conoscenza trascendente, quella che è denominata come “fede pasquale”.

The Secrets of Italy Corrado Augias 2014-04-01 One of Italy's best-known writers takes a Grand Tour through her cities, history, and literature in search of the true character of this contradictory nation. There is Michelangelo, but also the mafia. Pavarotti, but also Berlusconi. The debonair Milanese, but also the infamous captain of the Costa Concordia cruise ship. This is Italy,

admired and reviled, a country that has guarded her secrets and confounded outsiders. Now, when this "Italian paradox" is more evident than ever, cultural authority Corrado Augias poses the puzzling questions: how did it get this way? How can this peninsula be simultaneously the home of geniuses and criminals, the cradle of beauty and the butt of jokes? An instant #1 bestseller in Italy, Augias's latest sets out to rediscover the story-different from the history-of this country. Beginning with how Italy is seen from the outside and from the inside, he weaves a geo-historical narrative, passing through principal cities and rereading the classics and the biographies of the people that have, for better or worse, made Italians who they are. From the gloomy

atmosphere of Cagliostro's Palermo to the elegant court of Maria Luigia in Parma, from the ghetto of Venice to the heroic Neapolitan uprising against the Nazis, Augias sheds light on the Italian character, explaining it to outsiders and to Italians themselves. The result is a "novel of a nation," whose protagonists are both the figures we know from history and literature and characters long hidden between the cracks of historical narrative and memory. L'Ombra Del Cavaliere Giovanni Antonio Gravina 2021-03-01 Cosa accomuna l'ordine Templare, Unis il faraone cannibale, Cartaphilus l'ebreo errante e l'astro nascente della moderna archeologia Ugo Pagano? Un intreccio arcano muove dalle infuocate sabbie della lontana necropoli di Saqqara per approdare

alle fredde e misteriose mura del castello di Wewelsburg, la fortezza dell'occulto voluta da Himmler, roccaforte e sede del nuovo ordine del Sole Nero. L'Armageddon si leva dalla notte dei tempi per ergersi a minaccia globale dalle ceneri visionarie di un terzo reich che ancora non si rassegna all'oblio, ma quando l'Ankh, il nodo di Iside, la lancia di Longino, potenti simboli di un lontano passato scateneranno il loro potere, nulla potrà opporsi alla profezia testamentaria. Solo alcuni temerari ad innalzarsi a baluardo, ad

affrontare gli spiriti immondi che già si manifestano all'orizzonte di un'alba tragica. Tutto sembra precipitare nel vortice dell'irreale, luogo dove il vettore tempo si annulla e l'immortalità eterna si eleva trionfante, ma è proprio dalle pieghe del tempo che la scintilla salvifica, l'ombra di un antico cavaliere, prorompe in mille e ancora mille faville, a descrivere nuovo racconto posto al tenue confine dove la storia diventa leggenda e la leggenda storia.
