Hello, Universe Erin Entrada Kelly 2017-03-14 Winner of the Newbery Medal “A charming, intriguingly plotted novel.”—Washington Post Newbery Medalist Erin Entrada Kelly’s Hello, Universe is a funny and poignant neighborhood story about unexpected friendships. Told from four intertwining points of view—two boys and two girls—the novel celebrates bravery, being different, and finding your inner bayani (hero). “Readers will be instantly engrossed in this relatable neighborhood adventure and its eclectic cast of misfits.”—Booklist In one day, four lives weave together in unexpected ways. Virgil Salinas is shy and kindhearted and feels out of place in his crazy-about-sports family. Valencia Somerset, who is deaf, is smart, brave, and secretly lonely, and she loves everything about nature. Kaori Tanaka is a self-proclaimed psychic, whose little sister, Gen, is always following her around. And Chet Bullens wishes the weird kids would just stop being so different so he can concentrate on basketball. They aren’t friends, at least not until Chet pulls a prank that traps Virgil and his pet guinea pig at the bottom of a well. This disaster leads Kaori, Gen, and Valencia on an epic quest to find missing Virgil. Through luck, smarts, bravery, and a little help from the universe, a rescue is performed, a bully is put in his place, and friendship blooms. The acclaimed and award-winning author of Blackbird Fly and The Land of Forgotten Girls writes with an authentic, humorous, and irresistible tween voice that will appeal to fans of Thanhha Lai and Rita Williams-Garcia. “Readers across the board will flock to this book that has something for nearly everyone—humor, bullying, self-acceptance, cross-generational relationships, and a smartly fateful ending.”—School Library Journal

The Stranger Albert Camus 2012-08-08 With the intrigue of a psychological thriller, Camus’s masterpiece gives us the story of an ordinary man unwittingly drawn into a senseless murder on an Algerian beach. Behind the intrigue, Camus explores what he termed “the nakedness of man faced with the absurd” and describes the condition of reckless alienation and spiritual exhaustion that characterized so much of twentieth-century life. First published in 1946; now in translation by Matthew Ward.

Into Thin Air Jon Krakauer 1998-11-12 #1 NATIONAL BESTSELLER • “A harrowing tale of the perils of high-altitude climbing, a story of bad luck and worse judgment and of heartbreaking heroism.” —PEOPLE A bank of clouds was assembling on the not-so-distant horizon, but journalist-mountaineer Jon Krakauer, standing on the summit of Mt. Everest, saw nothing that “suggested that a murderous storm was bearing down.” He was wrong. The storm, which claimed five lives and left countless more—including Krakauer’s—in guilt-ridden disarray, would also provide the impetus for Into Thin Air, Krakauer’s epic account of the May 1996 disaster. By writing Into Thin Air, Krakauer may have hoped to exorcise some of his own demons and lay to rest some of the painful questions that still surround the event. He takes great pains to provide a balanced picture of the people and events he witnessed and gives due credit to the tireless and dedicated Sherpas. He also avoids blasting easy targets such as Sandy Pittman, the wealthy socialite who brought an espresso maker along on the expedition. Krakauer’s highly personal inquiry into the catastrophe provides a great deal of insight into what went wrong. But for Krakauer himself, further interviews and investigations only lead him to the conclusion that his perceived failures were directly responsible for a fellow climber’s death. Clearly, Krakauer remains haunted by the disaster, and although he relates a number of incidents in which he acted selflessly and even heroically, he seems unable to view those instances objectively. In the end, despite his evenhanded and even generous assessment of others’ actions, he reserves a full measure of vitriol for himself. This updated trade paperback edition of Into Thin Air includes an extensive new postscript that sheds fascinating light on the acrimonious debate that flared between Krakauer and Everest guide Anatoli Boukreev in the wake of the tragedy. “I have no doubt that Boukreev’s intentions were good on summit day,” writes Krakauer in the postscript, dated August 1999. “What disturbs me, though, was Boukreev’s refusal to acknowledge the possibility that he made even a single poor decision. Never did he indicate that perhaps it wasn’t the best choice to climb without gas or go down ahead of his clients.” As usual, Krakauer supports his points with dogged research and a good dose of humility. But rather than continue the heated discourse that has raged since Into Thin Air’s denouncement of guide Boukreev, Krakauer’s tone is conciliatory; he points most of his criticism at G. Weston De Walt, who coauthored The Climb, Boukreev’s version of events. And in a touching conclusion, Krakauer recounts his last conversation with the late Boukreev, in which the two weathered climbers agreed to disagree about certain points. Krakauer had great hopes to patch things up with Boukreev, but the Russian later died in an avalanche on another Himalayan peak, Annapurna I. In 1999, Krakauer received an Academy Award in Literature from the American Academy of Arts and Letters—a prestigious prize intended “to honor writers of exceptional accomplishment.” According to the Academy’s citation, “Krakauer combines the tenacity and courage of the finest tradition of investigative journalism with the stylish subtlety and profound insight of the born writer. His account of an ascent of Mount Everest has led to a general reevaluation of climbing and of the commercialization of what was once a romantic, solitary sport; while his account of the life and death of Christopher McCandless, who died of starvation after challenging the Alaskan wilderness, delves even more deeply and disturbingly into the fascination of nature and the devastating effects of its lure on a young and curious mind.”

You Go First Erin Entrada Kelly 2018-04-10 Funny and poignant, Newbery Medalist and New York Times bestseller Erin Entrada Kelly’s national bestseller You Go First is an

exploration of family, bullying, word games, art, and the ever-complicated world of middle school friendships. In a starred review, School Library Journal wrote that Erin Entrada Kelly can “capture moments of tween anguish with searing honesty.” Twelve-year-old Charlotte Lockard and eleven-year-old Ben Boxer are separated by more than a thousand miles. On the surface, their lives seem vastly different—Charlotte lives near Philadelphia, Pennsylvania, while Ben is in the small town of Lanester, Louisiana. Charlotte wants to be a geologist and keeps a rock collection in her room. Ben is obsessed with Harry Potter, presidential history, and recycling. But the two have more in common than they think. They’re both highly gifted. They’re both experiencing family turmoil. And they both sit alone at lunch. During the course of one week, Charlotte and Ben—friends connected only by an online Scrabble game—will intersect in unexpected ways as they struggle to navigate the turmoil of middle school. The New York Times–bestselling novel You Go First reminds us that no matter how hard it is to keep our heads above troubled water, we never struggle alone. Newbery Medalist Erin Entrada Kelly writes with an authentic, humorous, and irresistible voice. This engaging and character-driven story about growing up and finding your place in the world is for fans of Rebecca Stead and Rita Williams-Garcia.

The View from Saturday E.L. Konigsburg 2010-12-21 HOW HAD MRS. OLINSKI CHOSEN her sixth-grade Academic Bowl team? She had a number of answers. But were any of them true? How had she really chosen Noah and Nadia and Ethan and Julian? And why did they make such a good team? It was a surprise to a lot of people when Mrs. Olinski's team won the sixth-grade Academic Bowl contest at Epiphany Middle School. It was an even bigger surprise when they beat the seventh grade and the eighth grade, too. And when they went on to even greater victories, everyone began to ask: How did it happen? It happened at least partly because Noah had been the best man (quite by accident) at the wedding of Ethan's grandmother and Nadia's grandfather. It happened because Nadia discovered that she could not let a lot of baby turtles die. It happened when Ethan could not let Julian face disaster alone. And it happened because Julian valued something important in himself and saw in the other three something he also valued. Mrs. Olinski, returning to teaching after having been injured in an automobile accident, found that her Academic Bowl team became her answer to finding confidence and success. What she did not know, at least at first, was that her team knew more than she did the answer to why they had been chosen. This is a tale about a team, a class, a school, a series of contests and, set in the midst of this, four jewel-like short stories -- one for each of the team members -- that ask questions and demonstrate surprising answers.

The Water Dancer Ta-Nehisi Coates 2019-09-24 #1 NEW YORK TIMES BESTSELLER • OPRAH’S BOOK CLUB PICK • From the National Book Award-winning author of *Between the World and Me*, a boldly conjured debut novel about a magical gift, a devastating loss, and an underground war for freedom. “This potent book about America’s most disgraceful sin establishes [Ta-Nehisi Coates] as a first-rate novelist.”—San Francisco Chronicle IN DEVELOPMENT AS A MAJOR MOTION PICTURE • Adapted by Ta-Nehisi Coates and Kamillah Forbes, directed by Nia DaCosta, and produced by MGM, Plan B, and Oprah Winfrey’s Harpo Films NOMINATED FOR THE NAACP IMAGE AWARD • NAMED ONE OF PASTE’S BEST NOVELS OF THE DECADE •

NAMED ONE OF THE BEST BOOKS OF THE YEAR BY Time • NPR • The Washington Post • Chicago Tribune • Vanity Fair • Esquire • Good Housekeeping • Paste • Town & Country • The New York Public Library • Kirkus Reviews • Library Journal Young Hiram Walker was born into bondage. When his mother was sold away, Hiram was robbed of all memory of her—but was gifted with a mysterious power. Years later, when Hiram almost drowns in a river, that same power saves his life. This brush with death births an urgency in Hiram and a daring scheme: to escape from the only home he’s ever known. So begins an unexpected journey that takes Hiram from the corrupt grandeur of Virginia’s proud plantations to desperate guerrilla cells in the wilderness, from the coffin of the Deep South to dangerously idealistic movements in the North. Even as he’s enlisted in the underground war between slavers and the enslaved, Hiram’s resolve to rescue the family he left behind endures. This is the dramatic story of an atrocity inflicted on generations of women, men, and children—the violent and capricious separation of families—and the war they waged to simply make lives with the people they loved. Written by one of today’s most exciting thinkers and writers, *The Water Dancer* is a propulsive, transcendent work that restores the humanity of those from whom everything was stolen. Praise for *The Water Dancer* “Ta-Nehisi Coates is the most important essayist in a generation and a writer who changed the national political conversation about race with his 2015 memoir, *Between the World and Me*. So naturally his debut novel comes with slightly unrealistic expectations—and then proceeds to exceed them. *The Water Dancer* . . . is a work of both staggering imagination and rich historical significance. . . . What’s most powerful is the way Coates enlists his notions of the fantastic, as well as his fluid prose, to probe a wound that never seems to heal. . . . Timeless and instantly canon-worthy.”—Rolling Stone

The Child in Time Ian McEwan 2011-02-08 A child’s abduction sends a father reeling in this Whitbread Award-winning novel that explores time and loss with “narrative daring and imaginative genius” (Kirkus Reviews, starred review). In a brief moment of distraction, she suddenly vanishes—and is ir retrievably lost. From that moment, Lewis spirals into bereavement that effects his marriage, his psyche, and his relationship with time itself: “It was a wonder that there could be so much movement, so much purpose, all the time. He himself had none at all.” In *The Child in Time*, acclaimed author Ian McEwan “sets a story of domestic horror against a disorienting exploration in time” producing “a work of remarkable intellectual and political sophistication” that has been adapted into a PBS Masterpiece movie starring Benedict Cumberbatch (Kirkus Reviews, starred review). “A beautifully rendered, very disturbing novel.” —Publishers Weekly

In this New York Times bestselling novel, two teens—one black, one white—grapple with the repercussions of a single violent act that leaves their school, their community, and, ultimately, the country bitterly divided by racial tension. A bag of chips. That’s all sixteen-year-old Rashad is looking for at the corner bodega. What he finds instead is a fist-happy cop, Paul Galluzzo, who mistakes Rashad for a shoplifter, mistakes Rashad’s pleadings that he’s stolen nothing for belligerence, mistakes Rashad’s resistance to leave the bodega as resisting arrest, mistakes Rashad’s every flinch at every punch the cop throws as further resistance and refusal to STAY STILL as ordered. But how can you stay still when someone is pounding your face into the concrete pavement? There were witnesses: Quinn Collins—a varsity basketball player and Rashad’s classmate who has been raised by Paul since his own father died in Afghanistan—and a video camera. Soon the beating is all over the news and Paul is getting threatened with accusations of prejudice and racial brutality. Quinn refuses to believe that the man who has basically been his savior could possibly be guilty. But then Rashad is absent. And absent again. And again. And the basketball team—half of whom are Rashad’s best friends—start to take sides. As does the school. And the town. Simmering tensions threaten to explode as Rashad and Quinn are forced to face decisions and consequences they had never considered before.
