Expanded Cinema Gene Youngblood 2020-03-03 Fiftieth anniversary reissue of the founding media studies book that helped establish media art as a cultural category. First published in 1970, Gene Youngblood's influential *Expanded Cinema* was the first serious treatment of video, computers, and holography as cinematic technologies. Long considered the bible for media artists, Youngblood's insider account of 1960s counterculture and the birth of cybernetics remains a mainstay reference in today's hypermediated digital world. This fiftieth anniversary edition includes a new Introduction by the author that offers conceptual tools for understanding the sociocultural and sociopolitical realities of our present world. A unique eyewitness account of burgeoning experimental film and the birth of video art in the late 1960s, this far-ranging study traces the evolution of cinematic language to the end of fiction, drama, and realism. Vast in scope, its prescient formulations include "the paleocybernetic age," "intermedia," the "artist as design scientist," the "artist as ecologist," "synaesthetics and kinesthetics," and "the technosphere: man/machine symbiosis." Outstanding works are analyzed in detail. Methods of production are meticulously described, including interviews with artists and technologists of the period, such as Nam June Paik, Jordan Belson, Andy Warhol, Stan Brakhage, Carolee Schneemann, Stan VanDerBeek, Les Levine, and Frank Gillette. An inspiring Introduction by the celebrated polymath and designer R. Buckminster Fuller—a perfectly cut gem of countercultural thinking in itself—places Youngblood's radical observations in comprehensive perspective. Providing an unparalleled historical documentation, *Expanded Cinema* clarifies a chapter of countercultural history that is still not fully represented in the arthistorical record half a century later. The book will also inspire the current generation of artists working in ever-newer expansions of the cinematic environment and will prove invaluable to all who are concerned with the technologies that are reshaping the nature of human communication.

Ghost Michael R. McGowan 2018-10-02 The explosive memoir of an FBI field operative who has worked more undercover cases than anyone in history. Within FBI field operative circles, groups of people known as "Special" by their titles alone, Michael R. McGowan is an outlier. 10% of FBI Special Agents are trained and certified to work undercover. A quarter of those agents have worked more than one undercover assignment in their careers. And of those, less than 10% of them have been involved in more than five undercover cases. Over the course of his career, McGowan has worked more than 50 undercover cases. In this extraordinary and unprecedented book, McGowan will take readers through some of his biggest cases, from international drug busts, to the Russian and Italian mobs, to biker gangs and contract killers, to corrupt unions and SWAT work. *Ghost* is an unparalleled view into how the FBI, through the courage of its undercover Special Agents, nails the bad guys. McGowan infiltrates groups at home and abroad, assembles teams to create the myths he lives, concocts fake businesses, coordinates the busts, and helps carry out the arrests. Along the way, we meet his partners and colleagues at the FBI, who pull together for everything from bank jobs to the Boston Marathon bombing case, mafia dons, and, perhaps most significantly, El Chapo himself and his Sinaloa Cartel. *Ghost* is the ultimate insider's account of one of the most iconic institutions of American government, and a testament to the incredible work of the FBI.

Boston Noir 2 Dennis Lehane 2012 Edited by three acclaimed genre authors, a second volume of classic short fiction reprints includes pieces by such leading writers as Joyce Carol Oates, Robert B. Parker and David Foster Wallace.

Stop at Nothing Michael Ledwidge 2020-03-03 "Flawless"—James Patterson The explosive new thriller from the #1 New York Times bestselling coauthor of James Patterson's Michael Bennett series When a Gulfstream jet goes down in the Bahamas carrying a fortune in cash and ill-gotten diamonds, expat diving instructor Michael Gannon is the only person on the scene. Assuming himself the beneficiary of a drug deal gone bad, Gannon thinks he's home free with the sudden windfall until he realizes he forgot to ask one simple question. Who were the six dead men on the plane? Gannon soon learns the answer to that fateful question as he is thrust into an increasingly complex and deadly game of cat and mouse with a group of the world's most powerful and dangerous men who will stop at nothing to catch him. But as the walls close in, Gannon reveals a few secrets of his own. Before he retired to the islands, Gannon had another life, one with a lethal set of skills that he must now call back to the surface if he wants to make it out alive. As a decade-long James Patterson writing partner, Michael Ledwidge is a pro at writing fast-paced, in-the-moment prose, tightly choreographed action set pieces and plot twists that drop at exactly the right moment. With this novel, he kicks off an unstoppable, gripping new thriller series. Don't miss Michael Ledwidge's upcoming novel, *Run for Cover!*

Primal Fear William Diehl 1996-05-06 Martin Vail, the brilliant "bad-boy" lawyer every prosecutor and politician love to hate, is defending Aaron Stamper, a man found holding a bloody butcher's knife near a murdered archbishop. Vail is certain to lose, but Vail uses his unorthodox ways to good advantage when choosing his legal team—a tight group of men and women who must uncover the extraordinary truth behind the archbishop's slaughter. They do, in a heart-stopping climax unparalleled for the surprise it springs on the reader...

Shutter Island Dennis Lehane 2015-11-25

The Drop Dennis Lehane 2014-09-02 Dennis Lehane returns to the streets of Mystic River with this love story wrapped in a crime story wrapped in a journey of faith—the basis for the major motion picture *The Drop*, from Fox Searchlight Pictures directed by Michaël Roskam, screenplay by Dennis Lehane, and starring Tom Hardy, Noomi Rapace, and James Gandolfini. Three days after Christmas, a lonely bartender looking for a reason to live rescues an abused puppy from a trash can and meets a damaged woman looking for something to believe in. As their relationship grows, they cross paths with the Chechen mafia; a man grown dangerous with age and thwarted hopes; two hapless stick-up artists; a very curious cop; and the original owner of the puppy, who wants his dog back. . . .

Since We Fell Dennis Lehane 2017-05-09 NEW YORK TIMES BESTSELLER Barnes and Noble Best Book of the Year Bookpage Best of 2017 Booklist Best Crime Novel PopSugar Best Book of 2017 The new novel from New York Times bestseller Dennis Lehane, author of *Mystic River* and *Shutter Island* "Lehane is the master of complex human characters thrust into suspenseful, page-turning situations." —Gillian Flynn *Since We Fell* follows Rachel Childs, a former journalist who, after an on-air mental breakdown, now lives as a virtual shut-in. In all other respects, however, she enjoys an ideal life with an ideal husband. Until a chance encounter on a rainy afternoon causes that ideal life to fray. As does Rachel's marriage. As does Rachel herself. Sucked into a conspiracy thick with deception, violence, and possibly madness, Rachel must find the strength within herself to conquer unimaginable fears and mind-altering truths. By turns heart-breaking, suspenseful, romantic, and sophisticated, *Since We Fell* is a novel of profound psychological insight and tension. It is Dennis Lehane at his very best.

Mystic River Dennis Lehane 2009-10-13 This New York Times bestseller from Dennis Lehane is a

gripping, unnerving psychological thriller about the effects of a savage killing on three former friends in a tightly knit, blue-collar Boston neighborhood. When they were children, Sean Devine, Jimmy Marcus, and Dave Boyle were friends. But then a strange car pulled up to their street. One boy got into the car, two did not, and something terrible happened—something that ended their friendship and changed all three boys forever. Twenty-five years later, Sean is a homicide detective. Jimmy is an ex-con who owns a corner store. And Dave is trying to hold his marriage together and keep his demons at bay —demons that urge him to do terrible things. When Jimmy's daughter is found murdered, Sean is assigned to the case. His investigation brings him into conflict with Jimmy, who finds his old criminal impulses tempt him to solve the crime with brutal justice. And then there is Dave, who came home the night Jimmy's daughter died covered in someone else's blood. A tense and unnerving psychological thriller, *Mystic River* is also an epic novel of love and loyalty, faith and family, in which people irrevocably marked by the past find themselves on a collision course with the darkest truths of their own hidden selves.

Shutter Island Dennis Lehane 2010-02-04 US Marshal Teddy Daniels has come to Shutter Island, home of Ashecliffe Hospital for the Criminally Insane, to find an escaped murderer named Rachel Solando. As a killer hurricane bears down on the island, the investigation deepens and the questions mount. How has a barefoot woman escaped from a locked room? Who is leaving them clues in the form of cryptic codes? And what really goes on in Ward C? The closer Teddy gets to the truth, the more elusive it becomes. And the more he begins to believe that he may never leave Shutter Island. Because someone is trying to drive him insane ... -- From the Back Cover.

Suitcase City Sterling Watson 2015-02-09 "The telling is masterful...Sit back and enjoy Watson's latest. It's better than bourbon on the rocks." --Kirkus Reviews, Starred review "Hypnotically beautiful novel...Paranoia has been defined as 'seeing too much pattern.' Author Watson can make us sweaty victims of that madness, partaking of it, suffering from it, and loving every minute." --Booklist, Starred review "Watson's magic is in pacing and taut prose...Suitcase City is an absorbing thriller, a vivid adventure in a bright, humid, perilous underworld...[A] tense, bloody thriller with a strong sense of place and a soft heart." --Shelf Awareness, Starred review "[A] noir gem...a deeply contemplative and darkly poetic prose style complements the well-crafted plot." --Publishers Weekly "A solid revenge tale...There is plenty of action to be had in this suspense tale, but it is the examination of the characters' motivations that really makes it shine. For fans of Lee Child and Nicci French." --Library Journal "Gripping....As [Watson] spins additional threads within the plot, deepening our interest in even minor characters, his grip remains steady....Peeling back the layers of Tampa society to reveal a crosshatching of race and class--the country club scenes are particularly fine--Watson stealthily heightens the suspense." --Barnes & Noble Review "Watson weaves...questions about race into a plot that takes one bloody turn after another, a crescendo of violence that ends with a day at sea that might be the most chilling of all." --Tampa Bay Times "[An] irresistible earworm of a novel...With its airtight atmosphere of impending, life-sinking doom, and taut language evoking palpable Gulf Coast Florida seediness, *Suitcase City* duly takes its place alongside the best works of former Floridian Pete Dexter, and the brilliant Tampa novels of Dennis Lehane." --Paste Magazine "*Suitcase City* [is] such a damn great book, a too-rare (and sometimes nearly too real) depiction of the wildly different worlds that exist side by side in the city by the bay....Events uncoil with an unflashy confidence and understated poetry, drawing in diverse characters whose deep inner lives give the wire-tight plot a thumping, nervous heart." --Creative Loafing Tampa "*Suitcase City* is a beautifully crafted labyrinth of plot and subplot." --Florida Book Review "The novels of Sterling Watson are to be treasured and passed on to the next generation." --Dennis Lehane, author of *Mystic River* "Sterling Watson is an American treasure. If this taut literary crime novel doesn't center him on the map, we should change maps." --Tom Franklin, author of *Crooked Letter*, *Crooked Letter* "I am a huge fan of Sterling Watson's writing, and take it from me: *Suitcase City* is arguably his best novel to date. I began reading and did not look up again until the very last page, so taken was I by its twists and turns, its explorations of race and honor and the love a father has for his daughter. Turn off your phone, lock your door,

and dive into *Suitcase City*." --Ann Hood, author of *The Obituary Writer* "As Watson reminds us, corruption and cruelty survive through their uncanny ability to take on new shapes." --Laura Lippman, author of *I'd Know You Anywhere* A man gets himself into a little bit of trouble, then a little bit more, then a lot. And then his whole world becomes a nightmare. How does he get himself out of this mess of his own creation? The answer involves the end of an extramarital affair, reconciliation with a daughter he has neglected, and a deadly encounter with a man who comes out of the past bearing bad news and the keys to a new life. Set in Tampa, Florida, in the late 1980s, *Suitcase City* captures the glitter of the high life and the steamy essence of low places in the Cigar City. As always, Sterling Watson tells his story in prose that sings.

A Game of Thrones George R. R. Martin 2003-01-01 NOW THE ACCLAIMED HBO SERIES GAME OF THRONES—THE MASTERPIECE THAT BECAME A CULTURAL PHENOMENON Winter is coming. Such is the stern motto of House Stark, the northernmost of the fiefdoms that owe allegiance to King Robert Baratheon in far-off King's Landing. There Eddard Stark of Winterfell rules in Robert's name. There his family dwells in peace and comfort: his proud wife, Catelyn; his sons Robb, Brandon, and Rickon; his daughters Sansa and Arya; and his bastard son, Jon Snow. Far to the north, behind the towering Wall, lie savage Wildings and worse—unnatural things relegated to myth during the centuries-long summer, but proving all too real and all too deadly in the turning of the season. Yet a more immediate threat lurks to the south, where Jon Arryn, the Hand of the King, has died under mysterious circumstances. Now Robert is riding north to Winterfell, bringing his queen, the lovely but cold Cersei, his son, the cruel, vainglorious Prince Joffrey, and the queen's brothers Jaime and Tyrion of the powerful and wealthy House Lannister—the first a swordsman without equal, the second a dwarf whose stunted stature belies a brilliant mind. All are heading for Winterfell and a fateful encounter that will change the course of kingdoms. Meanwhile, across the Narrow Sea, Prince Viserys, heir of the fallen House Targaryen, which once ruled all of Westeros, schemes to reclaim the throne with an army of barbarian Dothraki—whose loyalty he will purchase in the only coin left to him: his beautiful yet innocent sister, Daenerys.

Boston Noir Dennis Lehane 2009 There was only ever one candidate for the job of assembling Boston Noir: Dennis Lehane!

Gracefully Insane Alex Beam 2009-07-21 Its landscaped ground, chosen by Frederick Law Olmsted and dotted with Tudor mansions, could belong to a New England prep school. There are no fences, no guards, no locked gates. But McLean Hospital is a mental institution—one of the most famous, most elite, and once most luxurious in America. McLean "alumni" include Olmsted himself, Robert Lowell, Sylvia Plath, James Taylor and Ray Charles, as well as (more secretly) other notables from among the rich and famous. In its "golden age," McLean provided as genteel an environment for the treatment of mental illness as one could imagine. But the golden age is over, and a downsized, downscale McLean—despite its affiliation with Harvard University—is struggling to stay afloat. *Gracefully Insane*, by Boston Globe columnist Alex Beam, is a fascinating and emotional biography of McLean Hospital from its founding in 1817 through today. It is filled with stories about patients and doctors: the Ralph Waldo Emerson protégé whose brilliance disappeared along with his madness; Anne Sexton's poetry seminar, and many more. The story of McLean is also the story of the hopes and failures of psychology and psychotherapy; of the evolution of attitudes about mental illness, of approaches to treatment, and of the economic pressures that are making McLean—and other institutions like it—relics of a bygone age. This is a compelling and often oddly poignant reading for fans of books like Plath's *The Bell Jar* and Susanna Kaysen's *Girl, Interrupted* (both inspired by their author's stays at McLean) and for anyone interested in the history of medicine or psychotherapy, or the social history of New England.

The Death and Life of Great American Cities Jane Jacobs 2016-07-20 Thirty years after its publication, *The Death and Life of Great American Cities* was described by *The New York Times* as "perhaps the most influential single work in the history of town planning....[It] can also be seen in a much larger context. It is first of all a work of literature; the descriptions of street life as a kind

of ballet and the biting satiric account of traditional planning theory can still be read for pleasure even by those who long ago absorbed and appropriated the book's arguments." Jane Jacobs, an editor and writer on architecture in New York City in the early sixties, argued that urban diversity and vitality were being destroyed by powerful architects and city planners. Rigorous, sane, and delightfully epigrammatic, Jacobs's small masterpiece is a blueprint for the humanistic management of cities. It is sensible, knowledgeable, readable, indispensable. The author has written a new foreword for this Modern Library edition.

Kill the Next One Federico Axat 2016-12-13 An audacious psychological thriller where nothing is what it seems. Ted McKay had it all: a beautiful wife, two daughters, a high-paying job. But after being diagnosed with a terminal brain tumor he finds himself with a gun to his temple, ready to pull the trigger. Then the doorbell rings. A stranger makes him a proposition: why not kill two deserving men before dying? The first target is a criminal, and the second is a man with terminal cancer who, like Ted, wants to die. After executing these kills, Ted will become someone else's next target, like a kind of suicidal daisy chain. Ted understands the stranger's logic: it's easier for a victim's family to deal with a murder than with a suicide. However, as Ted commits the murders, the crime scenes strike him as odd. The targets know him by name and possess familiar mementos. Even more bizarrely, Ted recognizes locations and men he shouldn't know. As Ted's mind begins to crack, dark secrets from his past seep through the fissures. Kill the Next One is an immersive psychological thriller from an exciting new voice.

The Given Day Dennis Lehane 2009-10-06 "Gut-wrenching force...A majestic, fiery epic. The Given Day is a huge, impassioned, intensively researched book that brings history alive." - The New York Times Dennis Lehane, the New York Times bestselling author of Live by Night—now a Warner Bros. movie starring Ben Affleck—offers an unflinching family epic that captures the political unrest of a nation caught between a well-patterned past and an unpredictable future. This beautifully written novel of American history tells the story of two families—one black, one white—swept up in a maelstrom of revolutionaries and anarchists, immigrants and ward bosses, Brahmins and ordinary citizens, all engaged in a battle for survival and power at the end of World War I.

Prayers for Rain Dennis Lehane 2009-10-13 When a former client jumps naked from a Boston landmark, Private Investigator Patrick Kenzie wants to know why. Once a perky young woman in love with life, her suicide is the final fall in a spiral of self-destruction. What Kenzie discovers is a sadistic stalker who targeted the woman and methodically drove her to her death – a monster that the law can't touch. But Kenzie can. He and his former partner, Angela Gennaro, will fight a mind-twisting battle against the psychopath, even as he turns tricks on them... Prayers for Rain is another superior thriller from Dennis Lehane, the bestselling and acclaimed author of Mystic River, Shutter Island, and Gone, Baby, Gone.

A Drink Before the War Dennis Lehane 2003 In Bost, PIs Patrick Kenzie and Angela Gennaro investigate the death of an African-American cleaning lady, gunned down in a burst of Uzi fire. A tale of street gang violence and of the racial divide between black and Irish.

Gone, Baby, Gone Dennis Lehane 2009-10-13 "Powerful and raw, harrowing, and unsentimental." —Washington Post Book World "Chilling, completely credible...[An] absolutely gripping story." —Chicago Tribune "Mr. Lehane delivers big time." —Wall Street Journal In Gone, Baby, Gone, the master of the new noir, New York Times bestselling author Dennis Lehane (Mystic River, Shutter Island), vividly captures the complex beauty and darkness of working-class Boston. A gripping, deeply evocative thriller about the devastating secrets surrounding a little girl lost, featuring the popular detective team of Patrick Kenzie and Angela Gennaro, Gone, Baby, Gone was the basis for the critically acclaimed motion picture directed by Ben Affleck and starring Casey Affleck, Ed Harris, and Morgan Freeman.

Live by Night Dennis Lehane 2012-10-02 From New York Times bestselling author Dennis Lehane comes this epic, unflinching tale of the making and unmaking of a gangster in the Prohibition Era of the Roaring Twenties—now a Warner Bros. movie starring Ben Affleck, Elle

Fanning, Zoe Saldana, and Sienna Miller. Boston, 1926. The '20s are roaring. Liquor is flowing, bullets are flying, and one man sets out to make his mark on the world. Prohibition has given rise to an endless network of underground distilleries, speakeasies, gangsters, and corrupt cops. Joe Coughlin, the youngest son of a prominent Boston police captain, has long since turned his back on his strict and proper upbringing. Now having graduated from a childhood of petty theft to a career in the pay of the city's most fearsome mobsters, Joe enjoys the spoils, thrills, and notoriety of being an outlaw. But life on the dark side carries a heavy price. In a time when ruthless men of ambition, armed with cash, illegal booze, and guns, battle for control, no one—neither family nor friend, enemy nor lover—can be trusted. Beyond money and power, even the threat of prison, one fate seems most likely for men like Joe: an early death. But until that day, he and his friends are determined to live life to the hilt. Joe embarks on a dizzying journey up the ladder of organized crime that takes him from the flash of Jazz Age Boston to the sensual shimmer of Tampa's Latin Quarter to the sizzling streets of Cuba. Live by Night is a riveting epic layered with a diverse cast of loyal friends and callous enemies, tough rumrunners and sultry femmes fatales, Bible-quoting evangelists and cruel Klansmen, all battling for survival and their piece of the American dream. At once a sweeping love story and a compelling saga of revenge, it is a spellbinding tour de force of betrayal and redemption, music and murder, that brings fully to life a bygone era when sin was cause for celebration and vice was a national virtue.

I Am Legend Richard Matheson 2007-10-30 The one remaining human in a world populated with vampires struggles to survive.

Summer of '42 Herman Raucher 2015-05-03 "A chronicle of one summer in a boy's coming of age"—the international bestselling classic that became the basis for the Oscar-winning film (Medium). Captivating and evocative, Herman Raucher's semi-autobiographical tale has been made into a record-breaking Academy Award-winning hit movie, adapted for the stage, and enchanted readers for generations. In the summer of 1942, Hermie is fifteen. He is wildly obsessed with sex, and passionately in love with an "older woman" of twenty-two, whose husband is overseas and at war. Ambling through Nantucket Island with his friends, Hermie's indelible narration chronicles his frantic efforts to become a man, especially one worthy of the lovely Dorothy, as well as his glorious and heartbreaking initiation into sex. "Mr. Raucher scores most tellingly. His recall of nervous teen-age gaucheries is dead accurate, hilarious, tinged with sadness."—The New York Times Book Review "A charming and tender novel . . . The overall effect is one of high hilarity. Raucher is a comic-artist who is able to convey the fears and joys . . . of the boy and at the same time give older readers a wrench in the heart."—Publishers Weekly

City of Thieves David Benioff 2008-05-15 From the critically acclaimed author of The 25th Hour and When the Nines Roll Over and co-creator of the HBO series Game of Thrones, a captivating novel about war, courage, survival — and a remarkable friendship that ripples across a lifetime. During the Nazis' brutal siege of Leningrad, Lev Beniov is arrested for looting and thrown into the same cell as a handsome deserter named Kolya. Instead of being executed, Lev and Kolya are given a shot at saving their own lives by complying with an outrageous directive: secure a dozen eggs for a powerful Soviet colonel to use in his daughter's wedding cake. In a city cut off from all supplies and suffering unbelievable deprivation, Lev and Kolya embark on a hunt through the dire lawlessness of Leningrad and behind enemy lines to find the impossible. By turns insightful and funny, thrilling and terrifying, the New York Times bestseller City of Thieves is a gripping, cinematic World War II adventure and an intimate coming-of-age story with an utterly contemporary feel for how boys become men.

Coronado Dennis Lehane 2010-10-21 A small southern town gives birth to a dangerous man with a broken heart and a high-powered rifle... A young girl, caught up in an inner-city gang war, crosses the line from victim to avenger... An innocent man is hunted by government agents for an unspecified crime... A boy and a girl fall in love while ransacking a rich man's house during the waning days of the Vietnam War... A compromised psychiatrist confronts the unstable patient he slept with... A father and a son wage a lethal battle of wits over the whereabouts of a stolen

diamond and a missing woman. In turn suspenseful, surreal, romantic, and tragically comic, these tales journey headlong into the heart of our myths - about class, gender, freedom, and regeneration through violence - and reveal that the truth waiting for us there is not what we'd expect.

Heart of Darkness Joseph Conrad 2022-10-19 Heart of Darkness, a novel by Joseph Conrad, was originally a three-part series in Blackwood's Magazine in 1899. It is a story within a story, following a character named Charlie Marlow, who recounts his adventure to a group of men onboard an anchored ship. The story told is of his early life as a ferry boat captain. Although his job was to transport ivory downriver, Charlie develops an interest in investing an ivory procurement agent, Kurtz, who is employed by the government. Preceded by his reputation as a brilliant emissary of progress, Kurtz has now established himself as a god among the natives in "one of the darkest places on earth." Marlow suspects something else of Kurtz: he has gone mad. A reflection on corruptive European colonialism and a journey into the nightmare psyche of one of the corrupted, Heart of Darkness is considered one of the most influential works ever written.

Are You Watching Closely? Seth Friedman 2017-08-15 Identifies a new genre—misdirection films—and explains its appeal to contemporary producers and audiences. Are You Watching Closely? is the first book to explore the recent spate of "misdirection films," a previously unidentified Hollywood genre characterized by narratives that inspire viewers to reinterpret them retrospectively. Since 1990, Hollywood has backed more of these films than ever before, many of which, including The Sixth Sense (1999), A Beautiful Mind (2001), and Inception (2010), were both commercial and critical successes. Seth Friedman examines this genre in its sociocultural, industrial, and technological contexts to explain why it has become more attractive to producers and audiences. The recent popularity of misdirection films, Friedman argues, is linked to new technologies that enable repeat viewings and online discussion, which makes it enticing to an industry that depends increasingly on the aftermarket, as well as to historically specific cultural developments. That is, in addition to being well suited for shifting industrial and technological conditions, these films are appealing because they suggest that it remains possible to know what "actually" occurred and who was "really" responsible for events at a time when it is also becoming increasingly recognized that "truth" is relative. Are You Watching Closely? shows how Hollywood's effective strategies for these changing circumstances put it at the forefront of a storytelling trend that has increasingly become important across media. Through close analyses of how misdirection films have been designed, marketed, and received in relation to their contexts, Friedman demonstrates the ways in which they epitomize a kind of narrative experimentation that has become a crucial facet of twenty-first-century audiovisual storytelling. Seth Friedman is Associate Professor of Communication and Theatre and Director of Film Studies at DePauw University.

The UNIX-haters Handbook Simson Garfinkel 1994 This book is for all people who are forced to use UNIX. It is a humorous book--pure entertainment--that maintains that UNIX is a computer virus with a user interface. It features letters from the thousands posted on the Internet's "UNIX-Haters" mailing list. It is not a computer handbook, tutorial, or reference. It is a self-help book that will let readers know they are not alone.

Shutter Island Dennis Lehane 2009-08 Summer, 1954. US Marshal Teddy Daniels has come to Shutter Island, home of Ashecliffe Hospital for the Criminally Insane. Along with his partner, Chuck Aule, he sets out to find an escaped murderess named Rachel Solando as a hurricane bears down upon them. But nothing at Ashecliffe Hospital is what it seems. And neither is Teddy Daniels. Is he there to find a missing patient? Or has he been sent to look into rumours of Ashecliffe's radical approach to psychiatry? As the investigation deepens, the questions mount. How has a barefoot woman escaped an island from a locked room? Who is leaving them clues in the form of cryptic codes? And what really goes on in Ward C? The closer Teddy and Chuck get to the truth, the more elusive it becomes, and the more they begin to believe that they may never leave Shutter Island. Because someone is trying to drive them insane...

Descartes' Error Antonio Damasio 2005-09-27 Since Descartes famously proclaimed, "I think, therefore I am," science has often overlooked emotions as the source of a person's true being. Even modern neuroscience has tended, until recently, to concentrate on the cognitive aspects of brain function, disregarding emotions. This attitude began to change with the publication of Descartes' Error in 1995. Antonio Damasio—"one of the world's leading neurologists" (The New York Times)—challenged traditional ideas about the connection between emotions and rationality. In this wondrously engaging book, Damasio takes the reader on a journey of scientific discovery through a series of case studies, demonstrating what many of us have long suspected: emotions are not a luxury, they are essential to rational thinking and to normal social behavior.

The Successful Novelist David Morrell 2008-01-01 "Like listening to a beloved brother. I found the acute observations and his narrative philosophy more valuable for the new writer than the contents of any 100 other texts."-Dean Koontz "The Successful Novelist is the vehicle you want if you plan to drive your way to successful fiction."-Joe R. Lansdale David Morrell, bestselling author of First Blood, The Brotherhood of the Rose and The Fifth Profession, distills more than fifty years of writing and publishing experience into this single masterwork of advice and instruction. Morrell covers: -Plot -Character -Research -Structure -Viewpoint -Description -Dialogue -Succeeding in publishing -And much more The Successful Novelist reveals the truth about writing, providing the perspective authors need to write successful fiction that sells.

Objective-C 2.0 Essentials Neil Smyth 2010-09-03 The objective of this book is to teach the skills necessary to program in Objective-C 2.0 using a style that is easy to follow, rich in examples and accessible to those who have never used Objective-C before. Topics covered include the fundamentals of Objective-C such as variables, looping and flow control. Also included are details of object oriented programming, working with files and memory and the Objective-C Foundation framework. Regardless of whether you are developing for Mac OS X, the iPhone or the iPad, this book covers everything you need to know about the Objective-C programming language.

Moonlight Mile Dennis Lehane 2010-11-02 "[Lehane has] emerged from the whodunit ghetto as a broader and more substantial talent....When it comes to keeping readers exactly where he wants them, Mr. Lehane offers a bravura demonstration of how it's done." —New York Times Moonlight Mile is the first Patrick Kenzie and Angela Gennaro suspense novel in more than a decade from the acclaimed, New York Times bestselling master of the new noir, Dennis Lehane. An explosive tale of vengeance and redemption—the brilliant sequel to Gone, Baby, Gone—Moonlight Mile returns Lehane's unforgettable and deeply human detective duo to the mean streets of blue collar Boston to investigate the second disappearance of Amanda McCready, now sixteen years old. After his remarkable success with Mystic River, Shutter Island, and The Given Day, the celebrated author whom the Washington Post praises as, "one of those brave new detective stylists who is not afraid of fooling around with the genre's traditions," returns to his roots—and the result, as always, is electrifying.

Scorsese and Religion Christopher B. Barnett 2019-09-16 Scorsese and Religion explores and analyzes the religious vision of filmmaker Martin Scorsese's oeuvre, showing that Scorsese cannot be properly understood without reflecting on the ways that his religious interests are expressed in and through his art.

Experiencing Architecture, second edition Steen Eiler Rasmussen 1964-03-15 A classic examination of superb design through the centuries. Widely regarded as a classic in the field, Experiencing Architecture explores the history and promise of good design. Generously illustrated with historical examples of designing excellence—ranging from teacups, riding boots, and golf balls to the villas of Palladio and the fish-feeding pavilion of Beijing's Winter Palace—Rasmussen's accessible guide invites us to appreciate architecture not only as a profession, but as an art that shapes everyday experience. In the past, Rasmussen argues, architecture was not just an individual pursuit, but a community undertaking. Dwellings were built with a natural feeling for place, materials and use, resulting in "a remarkably suitable comeliness." While we cannot return to a former age, Rasmussen notes, we can still design spaces that are beautiful and useful by

seeking to understand architecture as an art form that must be experienced. An understanding of good design comes not only from one's professional experience of architecture as an abstract, individual pursuit, but also from one's shared, everyday experience of architecture in real time—its particular use of light, color, shape, scale, texture, rhythm and sound. Experiencing Architecture reminds us of what good architectural design has accomplished over time, what it can accomplish still, and why it is worth pursuing. Wide-ranging and approachable, it is for anyone who has ever wondered “what instrument the architect plays on.”

To Kill a Mockingbird Harper Lee 2014-07-08 Voted America's Best-Loved Novel in PBS's The Great American Read Harper Lee's Pulitzer Prize-winning masterwork of honor and injustice in the deep South—and the heroism of one man in the face of blind and violent hatred One of the most cherished stories of all time, *To Kill a Mockingbird* has been translated into more than forty languages, sold more than forty million copies worldwide, served as the basis for an enormously popular motion picture, and was voted one of the best novels of the twentieth century by librarians across the country. A gripping, heart-wrenching, and wholly remarkable tale of coming-of-age in a South poisoned by virulent prejudice, it views a world of great beauty and savage inequities through the eyes of a young girl, as her father—a crusading local lawyer—risks everything to defend a black man unjustly accused of a terrible crime.

Everything I Never Told You Celeste Ng 2014-06-26 The acclaimed debut novel by the author of *Little Fires Everywhere* and *Our Missing Hearts* “A taut tale of ever deepening and quickening suspense.” —O, the Oprah Magazine “Explosive . . . Both a propulsive mystery and a profound examination of a mixed-race family.” —Entertainment Weekly “Lydia is dead. But they don't know

this yet.” So begins this exquisite novel about a Chinese American family living in 1970s small-town Ohio. Lydia is the favorite child of Marilyn and James Lee, and her parents are determined that she will fulfill the dreams they were unable to pursue. But when Lydia's body is found in the local lake, the delicate balancing act that has been keeping the Lee family together is destroyed, tumbling them into chaos. A profoundly moving story of family, secrets, and longing, *Everything I Never Told You* is both a gripping page-turner and a sensitive family portrait, uncovering the ways in which mothers and daughters, fathers and sons, and husbands and wives struggle, all their lives, to understand one another.

Mister N Najwa Barakat 2022-05-17 A master of contemporary Arabic fiction returns to English translation with a cunningly layered dark comedy about the powers and limits of creativity in a war zone.

Blown to Bits Harold Abelson 2008 'Blown to Bits' is about how the digital explosion is changing everything. The text explains the technology, why it creates so many surprises and why things often don't work the way we expect them to. It is also about things the information explosion is destroying: old assumptions about who is really in control of our lives.

Sacred Dennis Lehane 2009-10-13 A beautiful, grief-stricken woman has vanished without a trace. So has the detective hired to find her. And a lot of money... Enter tough-nosed private investigators Patrick Kenzie and Angela Gennaro. Rooted in the streets of blue-collar Dorchester, they've seen it all – and survived. But this case leads them into unexpected territory: a place of lies and corruption, where trusting anyone could get them killed, and where nothing is sacred. Another superior thriller from Dennis Lehane, the bestselling and acclaimed author of *Mystic River*, *Shutter Island*, and *Gone, Baby, Gone*.
