Unshakeable Anthony Robbins 2017-02-28 After interviewing fifty of the world's greatest financial minds and penning the #1 New York Times bestseller *Money: Master the Game*, Tony Robbins returns with a step-by-step playbook, taking you on a journey to transform your financial life and accelerate your path to financial freedom. No matter your salary, your stage of life, or when you started, this book will provide the tools to help you achieve your financial goals more rapidly than you ever thought possible. Robbins, who has coached more than fifty million people from 100 countries, is the world's #1 life and business strategist. In this book, he teams up with Peter Mallouk, the only man in history to be ranked the #1 financial advisor in the US for three consecutive years by Barron's.

Together they reveal how to become unshakeable--someone who can not only maintain true peace of mind in a world of immense uncertainty, economic volatility, and unprecedented change, but who can profit from the fear that immobilizes so many. In these pages, through plain English and inspiring stories, you'll discover... -How to put together a simple, actionable plan that can deliver true financial freedom. -Strategies from the world's top investors on how to protect yourself and your family and maximize profit from the inevitable crashes and corrections to come. -How a few simple

steps can add a decade or more of additional retirement income by discovering what your 401(k) provider doesn't want you to know. -The core four principles that most of the world's greatest financial minds utilize so that you can maximize upside and minimize downside. -The fastest way to put money back in your pocket: uncover the hidden fees and half truths of Wall Street--how the biggest firms keep you overpaying for underperformance. -Master the mindset of true wealth and experience the fulfillment you deserve today.

Dreams from My Father Barack Obama 2007-01-09 #1 NEW YORK TIMES BESTSELLER • ONE OF ESSENCE'S 50 MOST IMPACTFUL BLACK BOOKS OF THE PAST 50 YEARS In this iconic memoir of his early days, Barack Obama “guides us straight to the intersection of the most serious questions of identity, class, and race” (The Washington Post Book World). “Quite extraordinary.”—Toni Morrison In this lyrical, unsentimental, and compelling memoir, the son of a black African father and a white American mother searches for a workable meaning to his life as a black American. It begins in New York, where Barack Obama learns that his father—a figure he knows more as a myth than as a man—has been killed in a car accident. This sudden death inspires an emotional odyssey—first to a small town in Kansas,

from which he retraces the migration of his mother's family to Hawaii, and then to Kenya, where he meets the African side of his family, confronts the bitter truth of his father's life, and at last reconciles his divided inheritance. Praise for *Dreams from My Father* "Beautifully crafted . . . moving and candid . . . This book belongs on the shelf beside works like James McBride's *The Color of Water* and Gregory Howard Williams's *Life on the Color Line* as a tale of living astride America's racial categories."—Scott Turow "Provocative . . . Persuasively describes the phenomenon of belonging to two different worlds, and thus belonging to neither."—The New York Times Book Review "Obama's writing is incisive yet forgiving. This is a book worth savoring."—Alex Kotlowitz, author of *There Are No Children Here* "One of the most powerful books of self-discovery I've ever read, all the more so for its illuminating insights into the problems not only of race, class, and color, but of culture and ethnicity. It is also beautifully written, skillfully layered, and paced like a good novel."—Charlayne Hunter-Gault, author of *In My Place* "Dreams from My Father is an exquisite, sensitive study of this wonderful young author's journey into adulthood, his search for community and his place in it, his quest for an understanding of his roots, and his discovery of the poetry of human life. Perceptive and wise, this book will tell you something about yourself whether you are black or white."—Marian Wright Edelman

Fast Food Nation Eric Schlosser 2012 Explores the homogenization of American culture and the impact of the fast food industry on modern-day health, economy, politics, popular culture, entertainment, and food production.

The Great Gilly Hopkins Katherine Paterson 2009-10-06 The timeless Newbery Honor Book from bestselling author Katherine Paterson about a wisecracking, ornery, completely unforgettable young heroine. Eleven-year-old Gilly has been stuck in more foster families than she can remember, and she's hated them all. She has a

reputation for being brash, brilliant, and completely unmanageable, and that's the way she likes it. So when she's sent to live with the Trotters—by far the strangest family yet—she knows it's only a temporary problem. Gilly decides to put her sharp mind to work and get out of there fast. She's determined to no longer be a foster kid. Before long she's devised an elaborate scheme to get her real mother to come rescue her. Unfortunately, the plan doesn't work out quite as she hoped it would... This classic middle grade novel has moved generations of readers and inspired a major motion picture starring Octavia Spencer, Kathy Bates, Glenn Close, and Danny Glover. The acclaim for the book included the National Book Award, the Christopher Award, and the Jane Addams Award. The joys and struggles of adoption, told in a real and accessible way, are beautifully expressed in Katherine Paterson's *The Great Gilly Hopkins*. Don't miss it!

Plasma Physics and Fusion Energy Jeffrey P.

Freidberg 2008-07-10 There has been an increase in interest worldwide in fusion research over the last decade and a half due to the recognition that a large number of new, environmentally attractive, sustainable energy sources will be needed to meet ever increasing demand for electrical energy. Based on a series of course notes from graduate courses in plasma physics and fusion energy at MIT, the text begins with an overview of world energy needs, current methods of energy generation, and the potential role that fusion may play in the future. It covers energy issues such as the production of fusion power, power balance, the design of a simple fusion reactor and the basic plasma physics issues faced by the developers of fusion power. This book is suitable for graduate students and researchers

working in applied physics and nuclear engineering. A large number of problems accumulated over two decades of teaching are included to aid understanding.

Tuesdays with Morrie Mitch Albom 2007-06-29 #1 NEW YORK TIMES BESTSELLER • A special 25th anniversary edition of the beloved book that has changed millions of lives with the story of an unforgettable friendship, the timeless wisdom of older generations, and healing lessons on loss and grief—featuring a new afterword by the author “A wonderful book, a story of the heart told by a writer with soul.”—Los Angeles Times “The most important thing in life is to learn how to give out love, and to let it come in.” Maybe it was a grandparent, or a teacher, or a colleague. Someone older, patient and wise, who understood you when you were young and searching, helped you see the world as a more profound place, gave you sound advice to help you make your way through it. For Mitch Albom, that person was his college professor Morrie Schwartz. Maybe, like Mitch, you lost track of this mentor as you made your way, and the insights faded, and the world seemed colder. Wouldn't you like to see that person again, ask the bigger questions that still haunt you, receive wisdom for your busy life today the way you once did when you were younger? Mitch Albom had that second chance. He rediscovered Morrie in the last months of the older man's life. Knowing he was dying, Morrie visited with Mitch in his study every Tuesday, just as they used to back in college. Their rekindled relationship turned into one final “class”: lessons in how to live. “The truth is, Mitch,” he said, “once you learn how to die, you learn how to live.” *Tuesdays with Morrie* is a magical chronicle of their time together, through which Mitch shares Morrie's lasting gift with the world.

The Outsiders S. E. Hinton 2012-05-15 50 years of an iconic classic! This international bestseller and inspiration for a beloved movie is a heroic story of friendship and belonging. Cover may vary. No one ever said life was easy. But Ponyboy is pretty sure

that he's got things figured out. He knows that he can count on his brothers, Darry and Sodapop. And he knows that he can count on his friends—true friends who would do anything for him, like Johnny and Two-Bit. But not on much else besides trouble with the Socs, a vicious gang of rich kids whose idea of a good time is beating up on “greasers” like Ponyboy. At least he knows what to expect—until the night someone takes things too far. *The Outsiders* is a dramatic and enduring work of fiction that laid the groundwork for the YA genre. S. E. Hinton's classic story of a boy who finds himself on the outskirts of regular society remains as powerful today as it was the day it was first published. "The Outsiders transformed young-adult fiction from a genre mostly about prom queens, football players and high school crushes to one that portrayed a darker, truer world." —The New York Times "Taut with tension, filled with drama." —The Chicago Tribune "[A] classic coming-of-age book." —Philadelphia Daily News A New York Herald Tribune Best Teenage Book A Chicago Tribune Book World Spring Book Festival Honor Book An ALA Best Book for Young Adults Winner of the Massachusetts Children's Book Award

Heat Mike Lupica 2007-03-01 The #1 Bestseller! Michael Arroyo has a pitching arm that throws serious heat along with aspirations of leading his team all the way to the Little League World Series. But his firepower is nothing compared to the heat Michael faces in his day-to-day life. Newly orphaned after his father led the family's escape from Cuba, Michael's only family is his seventeen-year-old brother Carlos. If Social Services hears of their situation, they will be separated in the foster-care system—or worse, sent back to Cuba. Together, the boys carry on alone, dodging bills and anyone who asks too many questions. But then someone wonders how a twelve-year-old boy could possibly throw with as much power as Michael Arroyo throws. With no way to prove his age, no birth certificate, and no parent to fight for his cause, Michael's secret world is blown wide open, and he

discovers that family can come from the most unexpected sources. Perfect for any Little Leaguer with dreams of making it big—as well as for fans of Mike Lupica's other New York Times bestsellers *Travel Team*, *The Big Field*, *The Underdogs*, *Million-Dollar Throw*, and *The Game Changers* series, this cheer-worthy baseball story shows that when the game knocks you down, champions stand tall.

The Quarterback Whisperer Bruce Arians

2017-07-11 What is an elite NFL QB and what separates that player from the others? One answer is the coach they share. In the recent history of the biggest game on earth, one man is the common thread that connects several of the very best in the sport: Peyton Manning; Ben Roethlisberger; Andrew Luck; and the resurgent Carson Palmer. That coach is Bruce Arians. A larger than life visionary who trained under the tutelage of Bear Bryant, Arians has had a major impact on the development and success of each of these players. For proof beyond the stats, go to the sources. "Bruce is gonna love you when you need some loving, but he's gonna jump on you when you're not doing right." -- Peyton Manning "He coaches the way players want to be coached." -- Ben Roethlisberger "He made players comfortable around him and let everybody have their own personality. He didn't force anybody to be someone they weren't. It may sound a little corny or cheesy, but there's merit to that. I felt comfortable being myself and I felt he had my back." -- Andrew Luck "We're a resilient group. It trickles down from the head coach. I think good teams, really good teams, and hopefully great teams take on their coach's mentality. I think that's what B.A. brings . . ." -- Carson Palmer Known around the game as the 'quarterback whisperer', Arians has an uncanny ability to both personally connect with his quarterbacks and to locate what the individual triggers are for that player to succeed. No two quarterbacks are the same. And yet with Arians they always share success. In this book Arians will explain how he does it.

InSideOut Coaching Joe Ehrmann 2011-08-02 In this inspirational yet practical book, the man Parade called “the most important coach in America,” subject of the national bestseller *Season of Life*, Joe Ehrmann, describes his coaching philosophy and explains how sports can transform lives at every level of play, from the earliest years to professional sports. Coaches have a tremendous platform, says Joe Ehrmann, a former Syracuse University All-American and NFL star. Perhaps second only to parents, coaches can impact young people as no one else can. But most coaches fail to do the teaching, mentoring, even life-saving intervention that their platform provides. Too many are transactional coaches; they focus solely on winning and meeting their personal needs. Some coaches, however, use their platform. They teach the Xs and Os, but also teach the Ys of life. They help young people grow into responsible adults; they leave a lasting legacy. These are the transformational coaches. These coaches change lives, and they also change society by helping to develop healthy men and women. *InSideOut Coaching* explains how to become a transformational coach. Coaches first have to “go inside” and articulate their reasons for coaching. Only those who have taken the *InSideOut* journey can become transformational. Joe Ehrmann provides examples of coaches in his life who took this journey and taught him how to find something bigger than himself in sports. He describes his own *InSideOut* experience, starting with the death of his beloved brother, which helped him understand how sports could transcend the playing field. He gives coaches the information and the tools they need to become transformational. Joe Ehrmann has taken his message about the extraordinary power of sports all over the country. It has been warmly endorsed by NFL head coaches, athletic directors at major universities, high school head coaches, even business groups and community organizations. Now any parent-coach or school or community coach can read Ehrmann’s message and learn how to make sports a life-changing experience.

The Girls' Revenge Phyllis Reynolds Naylor 2008-12-24 This fourth book about the Hatford brothers and the Malloy sisters begins shortly before Christmas, three months after the Malloys move to Buckman, WV. As the holiday season approaches, the boys and girls continue to play pranks on one another and begin to learn the consequences of their actions. Caroline Malloy and Wally Hatford are partners for their fourth-grade December project and discover that, instead of annoying one another, they need to learn how to work together in order to receive a passing grade. Told in their alternating viewpoints, the story moves quickly, continuing the mischief and humor of the previous novels. Readers will be especially taken with precocious and dramatic Caroline, who will stop at nothing for revenge. While it is not necessary to read the first three books, fans of the series will enjoy references to the characters' past pranks and will delight in the promise of future additions to this ongoing battle between these rivals.

Gastro Obscura Cecily Wong 2021-10-12 A New York Times, USA Today, and national indie bestseller. *A Feast of Wonder!* Created by the ever-curious minds behind *Atlas Obscura*, this breathtaking guide transforms our sense of what people around the world eat and drink. Covering all seven continents, *Gastro Obscura* serves up a loaded plate of incredible ingredients, food adventures, and edible wonders. Ready for a beer made from fog in Chile? For anyone interested in the Mathematics of Probability and Statistics.

Holidays with Sundae: Conversations with My Cat James T. Baker 2010-04-16 Holidays with Sundae: Conversations with My Cat invites you to experience the delight of conversations with a cat. Pet owners understand that their furry companions have the power of communication, but Sundae actually speaks with her "owner". Through the conversations between Sundae and James, this cat becomes as real a character as any person we know. As a thinker and critic of the human condition, Sundae's feline perspective might surprise you. Sundae becomes a mirror in which we can examine ourselves. James T. Baker brings us into the

conversation with Sundae using holidays as the springboard for their dialogue. Each holiday, thoroughly familiar to all of us, is introduced in a completely different perspective as Sundae questions why humans participate in such activities. Sundae leaves us to wonder why we did not already think of each holiday in the fresh-eyed and reverent way a cat might view our festive and reflective times. On April Fool's Day, for example, James plays a horrid prank on his companion by telling Sundae there is no more cat food in the house. Sundae decides she will positively die with hunger should she go a few hours without her food bowl full. As James reveals his prank on the unsuspecting cat, Sundae quickly turns the tables on her "owner" by pulling off an April Fool's joke of her own. Needless to say, cat "owners" will instantly identify with Sundae's particular wit and wisdom as her and James converse throughout the year. Pet owners have long known that our animals are as much a part of our family as any human members. Holidays with Sundae: Conversations with My Cat will remind you of that seemingly simple concept should you have ever forgotten.

Richard Nelson Bolles, Author of WHAT COLOR IS YOUR PARACHUTE?

Holes Louis Sachar 2011-06-01 This groundbreaking classic is now available in a special anniversary edition with bonus content. Winner of the Newbery Medal as well as the National Book Award, HOLES is a New York Times bestseller and one of the strongest-selling middle-grade books to

ever hit shelves! Stanley Yelnats is under a curse. A curse that began with his no-good-dirty-rotten-pig-stealing-great-great-grandfather and has since followed generations of Yelnatses. Now Stanley has been unjustly sent to a boys' detention center, Camp Green Lake, where the boys build character by spending all day, every day digging holes exactly five feet wide and five feet deep. There is no lake at Camp Green Lake. But there are an awful lot of holes. It doesn't take long for Stanley to realize there's more than character improvement going on at Camp Green Lake. The boys are digging holes because the warden is looking for something. But what could be buried under a dried-up lake? Stanley tries to dig up the truth in this inventive and darkly humorous tale of crime and punishment—and redemption. Special anniversary edition bonus content includes: A New Note From the Author!; "Ten Things You May Not Know About HOLES" by Louis Sachar; and more!

The Armchair Economist Steven E. Landsburg 2012-05-10 Air bags cause accidents, because well-protected drivers take more risks. This well-documented truth comes as a surprise to most people, but not to economists, who have learned to take seriously the proposition that people respond to incentives. In *The Armchair Economist*, Steven E. Landsburg shows how the laws of economics reveal themselves in everyday experience and illuminate the entire range of human behavior. Why does popcorn cost so much at the cinema? The 'obvious' answer is that the owner has a monopoly, but if that were the whole story, there would also be a monopoly price to use the toilet. When a sudden frost destroys much of the Florida orange crop and prices skyrocket, journalists point to the 'obvious' exercise of monopoly power. Economists see just the opposite: If growers had monopoly power, they'd have raised prices before the frost. Why don't concert promoters raise ticket prices even when they are sure they will sell out months in advance? Why are some goods sold at auction and others at pre-announced prices? Why do boxes at

the football sell out before the standard seats do? Why are bank buildings fancier than supermarkets? Why do corporations confer huge pensions on failed executives? Why don't firms require workers to buy their jobs? Landsburg explains why the obvious answers are wrong, reveals better answers, and illuminates the fundamental laws of human behavior along the way. This is a book of surprises: a guided tour of the familiar, filtered through a decidedly unfamiliar lens. This is economics for the sheer intellectual joy of it.

Bromosexual Daryl Banner 2017-10-06 Stefan Baker, who used to be my best friend and bro, is a totally cocky bastard. And he knows it too. With his backwards cap, lopsided grin, and ripped bod gifted from the gods, he struts around town like he owns it. But I won't let him own me, no matter how hot he's gotten over the past eight years since he went off to become a pro baseball player in the major leagues - and since we had our brutal falling out and everything fell apart. And I definitely won't stare at him no matter how many times he parades in front of me wearing next to nothing. What a cock tease. But when a hard night lands him at my front doorstep - desperately in need of a place to stay - I get one look into those rich blue eyes of his ... and realize our story is far from over. My former "bro" and I are about to define a whole new term for the steamy, beautiful mess that's about to happen between the two of us. * This is a stand-alone, angsty, slow-burn M/M romance with a guaranteed HEA and no cheating.

Wedding Night Sophie Kinsella 2013-04-23 The #1 New York Times bestselling author of *The Party Crasher* and *Love Your Life* returns with her trademark blend of sparkling wit and playful romance in this page-turning story of a wedding to remember—and a honeymoon to forget. “Sophie Kinsella keeps her finger on the cultural pulse, while leaving me giddy with laughter.”—Jojo Moyes, author of *The Giver of Stars* and *The Last Letter from Your Lover* Lottie just knows that her boyfriend is going to propose, but then his big

question involves a trip abroad—not a trip down the aisle. Completely crushed, Lottie reconnects with an old flame, and they decide to take drastic action. No dates, no moving in together, they'll just get married . . . right now. Her sister, Fliss, thinks Lottie is making a terrible mistake, and will do anything to stop her. But Lottie is determined to say "I do," for better, or for worse. Praise for *Wedding Night* "[A] fun novel that's as light and bubbly as a glass of wedding champagne."—USA Today "Filled with laugh-out-loud moments, this is Sophie Kinsella at her wittiest. . . . An engrossing novel."—Bookreporter "You won't be able to stop reading. . . . The narrative gallops along with humorous scenes and great one-liners."—The Daily Mail "A fast-paced, hilarious comedy [with] a charming cast of characters."—Kirkus Reviews

Out of Position Kyell Gold 2010-12-01 Dev is a football player at Forester University, a small liberal arts college where he and his teammates get to strut around and have their pick of the girls on Friday nights. That's as good as it gets—until he meets Lee, a fox with a quick wit and an attractive body. Problem is, Lee's not a girl. He's a gay fox, an activist who never dreamed he'd fall for a football player. As their attraction deepens into romance, it's hard enough for them to handle each other, let alone their inquisitive friends, family, and co-workers. And if school is bad, the hyper-masculine world of professional sports that awaits Dev after graduation will be a hundred times worse. Going it alone would make everything easier. If only they could stop fighting long enough to break up.

Spinning Out Lexi Ryan 2016-05-03 A STANDALONE sexy, emotional sports romance from #1 New York Times bestselling author Lexi Ryan. "Sexy and twisty, *Spinning Out* will hook you fast and keep you flipping pages until the very end." -New York Times bestselling author Meghan March ~ ~ ~ Once, the only thing that mattered to me was football—training, playing, and earning my place on the best team at every level. I had it all, and I threw it away with a semester of drugs, alcohol, and pissing off anyone who tried to stop me. Now I'm suspended from the team, on house arrest, and forced to spend six months at home to get my shit together. The cherry on top of my fuckup sundae? Sleeping in the room next to mine is my best friend's girl, Mia Mendez—the only woman I've ever loved and a reminder of everything I regret. I'm not sure if having Mia so close will be heaven or hell. She's off-limits—and not just because she's working for my dad. Her heart belongs to someone else. But since the accident that killed her brother and changed everything, she walks around like a zombie, shutting out her friends and ignoring her dreams. We're both broken, numb, and stuck in

limbo. Until I break my own rules and touch her. Until she saves me from my nightmares by climbing into my bed. Until the only thing I want more than having Mia for myself is to protect her from the truth. I can't rewrite the past, but I refuse to leave her heart in the hands of fate. For this girl, I'd climb into the sky and rearrange the stars. Series information: **THE BLACKHAWK BOYS**, an edgy, sexy sports romance series from #1 New York Times bestselling author Lexi Ryan. A Proposal They Can't Refuse Natalie Caña 2022-06-07 "Utterly charming... A Proposal They Can't Refuse is a surefire winner!" —Mia Sosa, USA Today bestselling author of *The Worst Best Man* Natalie Caña turns up the heat, humor and heart in this debut rom-com about a Puerto Rican chef and an Irish American whiskey distiller forced into a fake engagement by their scheming octogenarian grandfathers. Kamilah Vega is desperate to convince her family to update their Puerto Rican restaurant and enter it into the Fall Foodie Tour. With the gentrification of their Chicago neighborhood, it's the only way to save the place. The fly in her mofongo—her blackmailing abuelo says if she wants to change anything in his restaurant, she'll have to marry the one man she can't stand: his best friend's grandson. Liam Kane spent a decade working to turn his family's distillery into a contender. But just as he and his grandfather are on the verge of winning a national competition, Granda hits him with a one-two punch: he has cancer and has his heart set on seeing Liam married before it's too late. And Granda knows just the girl...Kamilah Vega. If they refuse, their grandfathers will sell the building that houses both their businesses. With their futures on the line, Kamilah and Liam plan to

outfox the devious duo, faking an engagement until they both get what they want. But soon, they find themselves tangled up in more than either of them bargained for.

Dead Is the New Black Marlene Perez 2008-09-01 Welcome to Nightshade, California—a small town full of secrets. It's home to the psychic Giordano sisters, who have a way of getting mixed up in mysteries. During their investigations, they run across everything from pom-pom-shaking vampires to shape-shifting boyfriends to a clue-spewing jukebox. With their psychic powers and some sisterly support, they can crack any case! Teenage girls are being mysteriously attacked all over town, including at Nightshade High School, where Daisy Giordano is a junior. When Daisy discovers that a vampire may be the culprit, she can't help but suspect head cheerleader Samantha Devereaux, who returned from summer break with a new "look." Samantha appears a little . . . well, dead, and all the most popular kids at school are copying her style. Is looking dead just another fashion trend for Samantha, or is there something more sinister going on? To find out, Daisy joins the cheerleading squad.

This ebook includes a sample chapter of **DEAD IS A BATTLEFIELD**.

Schools of Thought Rexford Brown 1993-08-10 As a result of his visits to classrooms across the nation, Brown has compiled an engaging, thought-provoking collection of classroom vignettes which show the ways in which national, state, and local school politics translate into changed classroom practices. "Captures the breadth, depth, and urgency of education reform".--Bill Clinton.

Something Borrowed Emily Giffin 2010-04-01
Something Borrowed Emily Giffin The smash-hit debut novel for every woman who has ever had a complicated love-hate friendship. Rachel White is the consummate good girl. A hard-working attorney at a large Manhattan law firm and a diligent maid of honor to her charmed best friend Darcy, Rachel has always played by all the rules. Since grade school, she has watched Darcy shine, quietly accepting the sidekick role in their lopsided friendship. But that suddenly changes the night of her thirtieth birthday when Rachel finally confesses her feelings to Darcy's fiance, and is both horrified and thrilled to discover that he feels the same way. As the wedding date draws near, events spiral out of control, and Rachel knows she must make a choice between her heart and conscience. In so doing, she discovers that the lines between right and wrong can be blurry, endings aren't always neat, and sometimes you have to risk everything to be true to yourself.

One of Us Is Next Karen M. McManus 2023-05-02 #1 NEW YORK TIMES BESTSELLER • There's a new mystery to solve at Bayview High, and there's a whole new set of rules. The highly anticipated sequel to *One of Us Is Lying!* Come on, Bayview, you know you've missed this. A ton of copycat gossip apps have popped up since Simon died, but in the year since the Bayview four were cleared of his shocking death, no one's been able to fill the gossip void quite like he could. The problem is no one has the facts. Until now. This time it's not an app, though—it's a game. Truth or Dare. Phoebe's the first target. If you choose not to play, it's a truth. And hers is dark. Then comes Maeve and she should know better—always choose the dare. But by the time Knox is about to be tagged, things have gotten dangerous. The dares have become deadly, and if Maeve learned anything from Bronwyn last year, it's that they can't count on the police for help. Or protection. Simon's gone, but someone's

determined to keep his legacy at Bayview High alive. And the rules have changed. Fans of the hit thriller that started it all can watch the secrets of the Bayview Four be revealed in the *One of Us Is Lying* TV series now streaming on NBC's Peacock! **Have I Told You This Already?** Lauren Graham 2022-11-15 NEW YORK TIMES BESTSELLER • From the beloved star of *Gilmore Girls* and the New York Times bestselling author of *Talking as Fast as I Can* comes an “insightful, honest, funny, and moving collection of captivating stories” (BuzzFeed). “Graham is fast and furiously funny in her latest collection of essays. . . . Where Graham leads, we will definitely follow.”—E! Online Lauren Graham has graced countless television screens with her quick-witted characters and hilarious talk show appearances, earning a reputation as a pop culture icon who always has something to say. In her latest book, *Have I Told You This Already?*, Graham combines her signature sense of humor with down-to-earth storytelling. Graham shares personal stories about her life and career—from her early days spent pounding the pavement while waitressing in New York City, to living on her aunt's couch during her first Los Angeles pilot season, to thoughts on aging gracefully in Hollywood. In “R.I.P. Barneys New York” Graham writes about an early job as a salesperson at the legendary department store (and the time she inadvertently shoplifted from it); in “Ryan Gosling Cannot Confirm,” she attempts to navigate the unspoken rules of Hollywood hierarchies; in “Boobs of the '90s” she worries her bras haven't kept up with the times; and in “Actor-y Factory” she recounts what a day in the life of an actor looks like (unless you're Brad Pitt). Filled with surprising anecdotes, sage advice, and laugh-out-loud observations, these all-new, original essays showcase the winning charm and wry humor that have delighted Graham's millions of fans.

Born Again Sinner Daryl Banner 2018-05-31 "Cody Davis is gonna make a sinner out of me." Yes, I know exactly who he is. The wounded soldier at the end of Willow Street. Intimidating.

Devastatingly handsome. Muscular body chiseled from stone. Deep dark eyes that dare you to come near. Attitude for days. And I just became his caregiver. Everyone warned me to stay away from him - including my father, the respected minister of our small town of Spruce. But clearly I'm too stubborn to heed good advice, especially when Cody Davis is as frustratingly attractive - and persistent - as they come. As the preacher's son, I have strict morals I must live by. But each day spent with that aggravating hunk makes me question them. My safe and fragile world is turning upside-down, and I'm not sure I have the strength to stop it. And even worse: I'm not sure I want to. Temptation this bad never looked so good. This soldier is gonna make a sinner out of me. * This is a standalone male/male romance set in the same fictional small town as "Football Sundae". Steam, humor, and a whole lot of southern sass guaranteed. *

Aven Green Sleuthing Machine Dusti Bowling
2021-05-25 Third-grader Aven Green has been solving mysteries for a really long time—a whole month! She's solved many important cases like The Mystery of the Cranky Mom, The Mystery of the Missing Ice Cream, and The Mystery of the Smelly Feet. Her record is nearly 100% (only The Mystery of the Cereal in My Underpants remains unsolved to this day). Aven asks all the right questions, wields her detective kit carefully, and follows up on every clue. Then her teacher's lunch bag (with her lunch still in it) is taken and Aven's great-grandma's beloved dog goes missing! Can this perceptive detective crack two cases at the same time? Luckily, Aven has a super-powered brain full of lots of extra brain cells to take on both cases. See,

she was born without arms, so all of the cells that were supposed to make her arms went into making her brain instead. At least that's her working theory for The Mystery of Why I Have So Many Extra Brain Cells.

Wrangled Daryl Banner 2020-03-27 My heart's about to get wrangled in Chad's wicked little game. I left behind my countryside hometown of Spruce, Texas and my teenage tormentor Chad Landry to start over, pursue a career, and make a new name for myself. Fast forward ten years, and I'm back in Spruce for my high school reunion to confront my past and to face the boy who made my teen years hell. I'm no longer the vulnerable teenager I once was, and I'll guarantee you this: Chad won't have any power over me. But all the mental preparation in the world couldn't possibly prepare me for the sight of the hot, gorgeous, and hunky rancher that Chad has become, nor the secret he's been waiting ten long years to tell me. Chad's got things to say. And I've got a score to settle. Someone's poor little heart is about to get wrangled in a game it is sure to lose. NOTE: Though the story addresses past bullying, it contains no actual bullying or violence. "Wrangled" is a small-town, enemies-to-lovers romance loaded with humor, high romantic tension, and southern sass. *** This is a southern male/male romance set in the same fictional small town as "Football Sundae", "Born Again Sinner", and "Heteroflexible". Though this book takes place between the last chapter and the epilogue of "Heteroflexible", it can be read entirely on its own. Read all the books set in Spruce, Texas!
